To the Trustees of
Oliver DeSilva Group Health Care Plan

Opinion

We have audited the accompanying financial statements of Oliver DeSilva Group Health Care Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits – modified cash basis of Oliver DeSilva Group Health Care Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits – modified cash basis for the years then ended, in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oliver DeSilva Group Health Care Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements – Modified Cash Basis

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Oliver DeSilva Group Health Care Plan (the Plan) prepares its financial statements on the modified cash basis, whereby, contributions are recorded when received rather than when earned, and benefits and administrative expenses are recognized when paid rather than when the obligation is incurred. A modification to this is for benefits paid through Anthem's Jointly Administrated Agreement (the JAA). Benefits are recognized when cash is disbursed and when the benefit is paid on behalf of the Plan by the JAA. Consequently, a contribution and a contribution receivable from the Plan Sponsor is recorded based on benefits paid.

Plan Expenses

Significant Plan expenses, such as audit fees, and expenses to administer the Plan, are paid by the sponsor.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Income Tax Status

The Plan has not applied for a determination letter from the Internal Revenue Service or the California Franchise Tax Board for tax exempt status; therefore, the Plan is subject to income taxes. Any income taxes attributable to the Plan are paid by the Plan's sponsor, Oliver DeSilva, Inc.

Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through October 8, 2026, which is the date the financial statements were available to be issued, noting no matters requiring disclosure in the financial statements for the year ending December 31, 2025.

NOTE 2: DESCRIPTION OF THE PLAN

The following description of the plan provides only general information. Participants should refer to the Plan documents for a more complete description of its provisions.

The Plan is a part of the Oliver DeSilva Employee Benefits Program and is subject to the provisions of the Employee Retirement Income Security Act of 1974 and subsequent amendments (ERISA). The Plan pays for specified medical, dental and vision care expenses considered necessary to the wellbeing of covered persons.

NOTE 2: DESCRIPTION OF THE PLAN, continued

Effective January 1, 2025, the Plan switched service providers to Pinnacle Claims Management, Inc. (Contract Administrator) to administer the Plan. The previous contract administrator, HealthComp Administrators, Inc., provided close-out administration for claims incurred prior to January 1, 2025. The Plan's assets were maintained in a trust fund administered by HealthComp Administrators, Inc., executed under a trust agreement dated January 1, 1992. Benefit payments are processed and administered by the Contract Administrator, who receives a fee for these services from the Plan. Insurance premiums are paid by the Contract Administrator to the applicable insurance carrier or benefit provider and reimbursed by the Plan Sponsor.

Contributions

The Employer contributes for employees who are participants in the Plan and their eligible dependents at a rate that is sufficient to pay reported benefits when due. In situations where claims paid are in excess of stop loss limits, the insurance proceeds received by the Employer are used for contributions. For the year ending December 31, 2024, the Employer received a stop loss reimbursement of approximately $4.6 million to cover a single claim paid by the Plan. Participant contributions are limited to those amounts required to be paid by persons electing coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

Eligibility

All active full-time, salaried, non-union employees of the employer or certain other affiliated companies become eligible for participation in the Plan on the first day of the month following the first day of full-time employment. If the employee is an hourly employee, they become eligible for participation in the Plan on the first day of the month following 30 days after hire. Participants may elect to cover their spouse, domestic partner, and children under twenty-six years of age. Participation ends at the earliest of Plan termination, the date the covered person is no longer in an eligible class, or the end of the month in which an employee terminates employment. Covered persons who are terminated or become ineligible may elect continuation of coverage in compliance with COBRA.

Benefits

Payment of Employer-funded benefits is based on predetermined amounts and percentages as specified by the Plan. Generally, under such coverage option, the Plan pays for 90% (80% for non-Preferred Provider Organization "PPO" expenses) of eligible medical expenses after giving effect to a $100 deductible per covered person (maximum of $200 per family) per calendar year. Additional deductibles apply when pre-hospitalization, surgical and outpatient review guidelines are not followed. When $2,000 per covered person ($4,000 per family) of eligible medical expenses under the Plan has been reimbursed at 90% (80% for non-PPO expenses), the Plan will pay 100% of eligible medical expenses for the remainder of the calendar year for that person.

The maximum annual benefit available to any one individual under the Plan is unlimited. Claims incurred in excess of $125,000 per participant, per Plan year, are covered by specific excess reinsurance. In addition, the Employer carries aggregate excess reinsurance coverage to provide reimbursement to the Plan when the group's claims exceed the annual aggregate deductible amount for the Plan year. No amounts related to this arrangement are included in the financial statements.

NOTE 2: DESCRIPTION OF THE PLAN, continued

At December 31, 2025 and 2024, there was approximately $544,575 and $527,005, respectively in outstanding benefit obligations, which had not yet been paid by the Plan as of these dates. These obligations were paid in subsequent years.

The change in benefit obligations is as follows:

Estimated benefit obligations as of 12/31/24, unadjusted	$ 527,005
Adjustment to estimated benefit obligation	35,265
Benefit obligations as of 12/31/24, adjusted	562,270
Claims reported and approved for payment through July 23, 2025	2,929,369
Benefits paid in 2025	(2,947,064)
Estimated benefit obligations as of 12/31/25	$ 544,575

Benefit obligations are estimated based on claims that were incurred prior to the year ending and paid after the year ending December 31, 2025 and 2024, respectively. The estimated benefit obligations for the years ending December 31, 2025 were estimated based on claims paid between January 1, 2026 through August 31, 2026.

NOTE 3: PAYABLE TO ANTHEM

The payable to Anthem is for advances received from the JAA to pay benefits.

NOTE 4: PLAN TERMINATION

While it has not expressed any intention to do so, the Employer has the right to discontinue contributions at any time and to terminate the Plan, subject to provisions set forth in ERISA.

In the event the Plan terminates, reasonable notice of such discontinuance shall be given to all participants as to the date that benefits and contributions shall cease. The rights of participants to benefits will be limited to eligible health and welfare costs incurred up to the date of termination.

NOTE 5: RECONCILIATION OF THE 5500 TO FINANCIAL STATEMENTS

There were no differences between the information in the separate financial statements and the assets, liabilities, income expenses, and changes in net assets reported in the Schedule H of Form 5500.
