INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
American Dental Partners, Inc. Savings and Retirement Plan
Effingham, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Dental Partners, Inc. Savings and Retirement Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Dental Partners, Inc. Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Empower Trust Company, LLC, for the period January 1, 2025 to January 31, 2025 and for the year ended December 31, 2024 and Vanguard Fiduciary Trust Company for the period February 5, 2025 to December 31, 2025 and for the period ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule 1) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
American Dental Partners, Inc. Savings and Retirement Plan
Effingham, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Dental Partners, Inc. Savings and Retirement Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Dental Partners, Inc. Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Empower Trust Company, LLC, for the period January 1, 2025 to January 31, 2025 and for the year ended December 31, 2024 and Vanguard Fiduciary Trust Company for the period February 5, 2025 to December 31, 2025 and for the period ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule 1) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of American Dental Partners, Inc. Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering employees of American Dental Partners, Inc. and companies related through a contractual relationship or common ownership (collectively, the Company) who are 21 years of age and have completed six months of service. The Plan excludes nonresident aliens and employees covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was restated effective January 31, 2025, when service providers were changed.

Contributions – Each year, participants may elect to defer a portion of their compensation, as defined by the Plan, on a pre-tax or Roth basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The maximum contribution to the Plan in any year is determined by provisions in the Plan and the Internal Revenue Code (IRC) and Income Tax Regulations. Participants direct the investment of these contributions into various investment options. As of December 31, 2025, the Plan offered a money market fund, mutual funds, common collective trust funds, and a self-directed brokerage fund as investment options for participants.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at 3 percent unless they affirmatively elect not to participate.

The Plan allows for discretionary employer matching contributions, which are made at the option of management. Management elected to make discretionary employer matching contributions of 50 percent of each participant's deferrals up to 6 percent of eligible compensation for a maximum match of 3 percent for 2025. The Plan also allows for discretionary nonelective contributions, which are made at the option of management to participants employed at the end of the plan year. Management elected not to make any discretionary nonelective contributions for 2025.

Participant Accounts – Each participant's account is credited with the participant's contributions, if any, and allocations of (a) the Company's contributions, if any, (b) administrative expenses, and (c) plan earnings, net of investment fees. Allocations are based on participant earnings, account balances, or other participant events, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions plus actual earnings thereon is based on years of service. A participant is 100 percent vested after five years of credited service, death, disability, or upon reaching retirement age.

Payment of Benefits – Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan provides for an automatic lump-sum distribution of account balances of $5,000 or less. In-service withdrawals are allowed for participants over age 59 1/2. The Plan also allows for financial hardship withdrawals if the participant can prove financial hardship and is unable to meet their financial needs another way.

Forfeited Accounts – Forfeited amounts, if any, are used to reduce or add to employer contributions made during the plan year, or to pay plan expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $274,850 and $168,478, respectively. During the year ended December 31, 2025, forfeited amounts totaling $7,945 was used to reduce employer contributions, and $41,209 was used to pay plan expenses.

Notes Receivable from Participants – Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50 percent of their vested balance. The minimum amount of a loan shall be $1,000. Note terms range from one to five years, except for the purchase of a primary residence, which is a longer term determined by the plan administrator. The notes are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator and management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans that are fully collateralized, but deemed as distributions under Form 5500 reporting rules, are carried on the Plan's books until a distributable event occurs based upon the terms of the plan document, at which time the loan is treated as a distribution.

Investment and Administrative Expenses – The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain fees are charged to the Plan for services provided to the Plan. When applicable, these fees and fees charged by the Plan's investment vehicles are netted with investment earnings.

Payment of Benefits – Benefit payments are recorded when paid for financial statement purposes.

Subsequent Events – The Plan has evaluated subsequent events through October 13, 2026, the date on which the financial statements were available to be issued.

3. Information Certified by Empower Trust Company, LLC and Vanguard Fiduciary Trust Company, the Investment Custodians

Certain information, as noted below, related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Vanguard Fiduciary Trust Company.

	2025	2024
Investments, at Fair Value	$ 64,717,649	$ 59,120,411
Notes Receivable from Participants	$ 466,922	$ 418,263
Net Appreciation in Fair Value of Investments	$ 9,536,683	
Interest and Dividend Income	$ 135,798	
Interest Income on Notes Receivable from Participants	$ 18,732	

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codified (ASC) 820-10 establishes a framework for measuring fair value under generally accepted accounting principles. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 Inputs to the valuation methodology are based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025.

The following are descriptions of the valuation methodologies used for assets measured at fair value.

- *Money Market Fund:* Valued at the total of the invested deposit plus earnings thereon, which approximates fair value.
- *Mutual Funds:* Valued at actively traded quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

- *Collective Trust Funds:* These funds have characteristics and structure similar to a mutual fund and are valued based on the readily determinable quoted market price that each fund publishes daily. While the underlying assets in these funds are actively traded on an exchange, the collective trust funds themselves are not.

- *Common Collective Trust (CCT):* The Vanguard Retirement Savings Trust III held by the Plan is a collective investment trust that seeks stable returns comparable to those of short-term fixed income securities by investing in a combination of synthetic contracts, traditional insurance, and bank contracts. The trust maintains a strict credit policy, investing with issuers rated AA and higher, and investing in funds that are rated investment grade or higher. Withdrawals resulting from a plan-sponsor initiated event (e.g. a decision to terminate the Plan's participation in the trust) could result in a payment less than the guaranteed value if the contract's market value is less than the guaranteed value. An event limiting the ability of plan participants is not considered probable of occurring.

  Management has determined that the CCT qualifies for the net asset value practical expedient under FASB ASC 820, and, as such, the CCT is not categorized in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Assets Included in the Fair Value Hierarchy:				
Money Market Funds	$ 401,174	$ -	$ -	$ 401,174
Mutual Funds	5,142,666	-	-	5,142,666
Collective Trust Funds	-	58,988,677	-	58,988,677
	$ 5,543,840	$ 58,988,677	$ -	
Assets Measured at Net Asset Value per FASB ASC 820 Practical Expedient:				
Common Collective Trust - Vanguard Retirement Savings Trust III				185,132
Investments, at Fair Value				$ 64,717,649

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Assets Included in the Fair Value Hierarchy:				
Mutual Funds	$ 55,578,501	$ -	$ -	$ 55,578,501
Assets Measured at Net Asset Value per FASB ASC 820 Practical Expedient:				
Common Collective Trust - Putnam Stable Value Fund				3,541,910
Investments, at Fair Value				$ 59,120,411

There are no unfunded commitments, or significant redemptions or restrictions on the investment measured at net asset value per share using the practical expedient as of December 31, 2025 and 2024.

5. Administrative Expenses and Party-In-Interest Transactions

A transaction with a plan service provider or a participant of the Plan qualifies as a party-in-interest transaction. Service provider fees, either directly or indirectly, are paid to Empower Trust Company LLC and Vanguard Fiduciary Trust Company, investment custodians, Empower Retirement LLC and The Vanguard Group, recordkeepers and third-party administrators, Fiducient Advisors, Inc., investment advisor, and MH CPA PLLC, auditor. Of these fees, $120,752 is included in administrative expenses on Exhibit B. Other investment fees are netted with investment earnings. Certain expenses incurred in the administration of the Plan were also paid by the plan sponsor.

Additionally, certain plan investments are both held and managed by the investment custodian.

Notes receivable from participants are considered to be both party-in-interest and a related-party transaction.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their employer contributions.

7. Tax Status

The pre-approved plan, on which the Plan is designed, obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving this determination letter, the plan administrator and the pre-approved plan provider believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of notes receivable from participants, net assets available for benefits, and change in net assets per the financial statements to Form 5500 as of December 31, 2025 and 2024, and for the year ended December 31, 2025.
