INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Honeywell Secured Benefit Plan

Opinion

We have audited the financial statements of Honeywell Secured Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Predecessor Auditor's Opinion on the 2024 Financial Statement

The financial statement of the Plan as of December 31, 2024, was audited by other auditors whose report, dated October 14, 2025, expressed an unmodified opinion on that financial statement.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

HONEYWELL SECURED BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024, AND FOR THE YEAR ENDED DECEMBER 31, 2025

1. DESCRIPTION OF THE PLAN

General—The Honeywell Secured Benefit Plan (the "Plan") is a defined contribution plan for certain employees of Honeywell International Inc. ("Honeywell" or the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA") and the Internal Revenue Code ("Code"). The following represents a summary of key provisions of the Plan but does not purport to be complete and is qualified in its entirety by the terms of the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The assets of the Plan are maintained exclusively by the Honeywell Savings and Ownership Plan Master Trust (the "Master Trust"). The trustee of the Plan and custodian of the Master Trust assets is The Northern Trust Company (the "Trustee").

The Plan's assets are invested in the Northern Trust Government Short Term Investment Fund (the "Fund"), an actively-managed collective investment fund with a stated investment objective of principal preservation and liquidity management plus a competitive return.

Administration—The Company's Vice President—Global Total Rewards is the Plan Administrator and has full discretionary authority and power to control and manage the administrative aspects of the Plan, including, but not limited to, the power to adopt rules of procedure and regulations necessary for the proper and efficient administration of the Plan and the power to enforce the terms of the plan document it adopts. The Savings Plan Investment Committee has full power and discretionary authority to manage the investments of the Plan, including but not limited to the power to appoint and remove trustees and monitor trustee performance.

Administration services for the Plan are provided by Fidelity Investments Institutional Operations Company.

Contributions and Vesting—Contributions are no longer permitted to be made to the Plan. No new participants are eligible to participate in the Plan. Participants of the Plan are fully vested in their accounts.

Participant Accounts—Each participant's account is credited with an allocation of the Plan's investment earnings and charged with an allocation of the Plan's investment losses and certain administrative expenses. The allocation is based on a participant's account balance as defined in the Plan's plan document. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Distribution of Benefits—A participant who has attained age 59½ and is still an employee may, upon written request, elect to make a total withdrawal from their account at the end of any month. Upon termination of employment, other than as a result of their death, a participant may, upon written request, elect to take a total distribution from his or her account at the end of any month. Upon termination of service with the Company, if no distribution election is made by the participant and the participant's account balance exceeds $7,000, the balance in the account shall be automatically distributed in the form of a qualified joint and survivor annuity commencing as of the later of 1) the December 1st in the year in which the participant attains age 70½ or 2) the December 1st in the year in which the participant separates from service. A qualified joint and survivor annuity for a married participant is a monthly benefit payable as an annuity for the life of the participant, with a survivor benefit payable for the life of the participant's surviving spouse in an amount equal to at least fifty percent of the amount payable to the participant. For an unmarried participant, a qualified joint and survivor annuity is an annuity that is payable for the life of the participant and ceases upon the participant's death. If a participant dies before the commencement of the distribution of their account, then the participant's beneficiary shall be entitled to elect, by written request, the commencement of the distribution.

Plan Termination—Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, at any time, subject to the provisions of ERISA. In the event of a partial or full Plan termination, all Plan funds must be used in accordance with the terms of the Plan.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") using the accrual basis of accounting.

Use of Estimates—The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation— The Plan's assets are held in the Master Trust along with the assets of the Honeywell 401(k) Plan, the Honeywell Puerto Rico Savings Plan and the Intermec FSSP Spinoff Plan. The Plan's investment in the Master Trust represents the Plan's interest in the net assets of the Master Trust for investment and administrative purposes. The Plan's interest is stated at fair value.

Payment of Benefits—Withdrawals and distributions to participants are recorded when paid.

Expenses—The ordinary expenses incurred in administering the Plan and/or the Master Trust, including certain internal expenses, are paid by the Company. Other expenses related to the management of the Fund are paid to the Trustee by the Plan.

The Plan has a revenue-sharing agreement whereby certain investment managers return a portion of the investment fees to the recordkeeper to offset the Plan's administrative expenses. Future Plan expenses can be paid from any excess remaining revenue sharing amounts or allocated to participant accounts. For the year ended December 31, 2025, $8,146K was used to offset Plan expenses. The Plan held undistributed administrative revenues of $50,343K and $49,018 at December 31, 2025 and 2024, respectively.

Subsequent Events—The Plan has evaluated subsequent events through the date the financial statements are available to be issued and has identified the following events requiring disclosure. Effective April 1, 2026, in anticipation of the spin-off of Honeywell Aerospace Inc. from the Company, the Plan was amended to reflect a change in sponsorship of the Plan from Honeywell International Inc. to Honeywell Aerospace Inc. The Plan was transferred in its entirety from the Honeywell International Inc. controlled group of corporations to the Honeywell Aerospace Inc. controlled group of corporations in connection with the spin-off, which occurred June 29, 2026.

3. INTEREST IN HONEYWELL SAVINGS AND OWNERSHIP PLAN MASTER TRUST

The Plan's investments are held in the Master Trust, which is commingled with the assets of the Honeywell Puerto Rico Savings Plan, the Honeywell 401(k) Plan and the Intermec FSSP Spinoff Plan. Each participating plan's interest in the Master Trust is divided based on the respective participants' investment elections. The interest and dividends and the net depreciation or appreciation in the fair value of investments are allocated to the individual accounts on a daily basis based upon the individual participant accounts' equitable share of the various investment funds that comprise the Master Trust. The total interest of the Plan is determined as the sum of the individual account balances of the Plan. The allocation of income and expenses is based upon each plan's specific interests in the underlying plan investments, which are based upon participant-direction.

The Master Trust and the Plan's interest in the Master Trust is comprised of the following types of investments, at fair value, as of December 31, 2025 (dollars in millions):

	Master Trust Balances	Plan's Interest in Master Trust Balances
Collective trust funds	$ 10,416	$ 7
Exchange traded funds	18	-
Honeywell common stock	3,315	-
Common stocks (separately managed portfolios)	1,234	-

Cash and cash equivalents	37	-
Total investments—at fair value	16,707	7
Net assets of the Master Trust	$ 16,707	$ 7

The Master Trust and the Plan's interest in the Master Trust is comprised of the following types of investments, at fair value, as of December 31, 2024 (dollars in millions):

	Master Trust Balances	Plan's Interest in Master Trust Balances
Collective trust funds	$ 8,922	$ 9
Exchange traded funds	305	-
Honeywell common stock	3,804	-
Common stocks (separately managed portfolios)	1,424	-
Asset backed securities	293	-

Non-US government	127	-
Commercial paper	256	-
Total investments—at fair value	16,223	9
Net assets of the Master Trust	$ 16,223	$ 9

The Master Trust's net appreciation and investment income for the year ended December 31, 2025 is as follows (dollars in millions):

Net appreciation in fair value of investments	$1,376
Dividend and interest income	155
Total net appreciation and investment income	$1,531

Investment Valuation and Income Recognition—Master Trust—Master Trust investments are stated at fair value. Interest income is recorded on the accrual basis, and dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation consists of both realized gains/(losses) on investments bought, sold and matured, as well as the change in unrealized gains/(losses) on investments held during the year.

Determination of Fair Value—The accounting guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a framework for measuring fair value.

The Master Trust valuation methodologies for assets and liabilities measured at fair value are described below. The methods described as follows may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Master Trust believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Valuation Hierarchy—ASC 820, *Fair Value Measurement*, provides a framework for measuring fair value. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

- ***Level 1***—inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- ***Level 2***—inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- ***Level 3***—inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The following is a description of the valuation methodologies used for the Master Trust's financial instruments measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Collective Trust Funds—Collective Trust funds are investment vehicles utilized as or within the target date funds, equity index funds, investment grade bond fund, and global REIT fund. These funds permit daily subscriptions and redemption of units. These investments are valued using net asset values ("NAV") provided by the administrator of the underlying fund. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, divided by the number of units outstanding.

Collective Trust funds measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for Collective Trust funds are intended to permit reconciliation of the Master Trust's total investments, at fair value.

Cash and Cash Equivalents—Cash and cash equivalents represent interest-bearing cash amounts valued at cash plus interest earned.

Honeywell International Inc. Common Stock, other Common Stocks and Exchange Traded Funds—Honeywell International Inc. common stock is valued at the closing price reported on the National Association of Securities Dealers Automated Quotations ("NASDAQ"). Other common stocks and exchange traded funds are valued at the closing price reported on the principal market on which the respective securities are traded. Honeywell International Inc. common stock, other common stocks and exchange traded funds are all classified within Level 1 of the valuation hierarchy.

Fixed Income Investments—Fixed income securities (other than commercial mortgage backed securities) are valued at the regular close of trading on each valuation date at the evaluated bid prices supplied by pricing vendors or brokers, if any, whose prices reflect broker/dealer supplied valuations and electronic data processing techniques. Commercial mortgage backed securities are valued using pool-specific pricing. The pool specific pricing is provided by the pricing vendors and typically they use Interactive Data for these investments. Fixed income securities, including corporate bonds, U.S. government and federal agencies, Non U.S. government, municipal bonds, commercial paper, bank deposits, asset-backed securities and commercial mortgage backed securities are classified within Level 2 of the valuation hierarchy.

The following tables present the Master Trust's assets measured at fair value as of December 31, 2025 and 2024, by the fair value hierarchy (dollars in millions).

4. RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Master Trust is invested in the Company's common stock which qualifies as a party-in-interest transaction. During the year ended December 31, 2025, the Master Trust's investment in the Company's common stock included purchases of approximately $187 million, sales of approximately $516 million, realized gains of approximately $241million, unrealized gain of approximately $579 million and dividend income of approximately $79 million. The Master Trust invests in short-term investment funds managed by the Trustee. These investments qualify as party-in-interest transactions. As described in Note 2—"Expenses," the Plan paid certain expenses related to Plan operation and investment activity to the Trustee.

The Company is both the plan sponsor and a party to the Master Trust, therefore the Master Trust investment in the Company's common stock qualifies as a related party transaction.

5. RISKS AND UNCERTAINTIES

The Plan is invested in the Northern Trust Collective Government Short-Term Investment Fund through the Master Trust. Investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term. Such changes could materially affect individual participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

6. FEDERAL INCOME TAXES

On October 18, 2017, the Plan received a favorable determination letter from the Internal Revenue Service ("IRS") stating that the Plan is qualified under Section 401(a) of the Code. In December 2016, the IRS began publishing a Required Amendments List for individually designed plans to be amended for each item on the list, as applicable, to retain its tax-exempt status. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and legal counsel believe that the Plan has been designed to comply with and is operating in accordance with the applicable requirements of the Code. The Master Trust under the Plan is intended to be exempt under Section 501(a) of the Code. Accordingly, no provision for income taxes has been made.
