INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the P.A.R. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the P.A.R. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held At Year End) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the P.A.R. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established effective December 1, 1965. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2025, the Plan was amended to change the Plan Sponsor from Byer California to P.A.R. Apparel, LLC ("P.A.R." or the "Company") in connection with the transfer and assignment of certain assets from Byer California to P.A.R. Additionally, the Plan name was updated to P.A.R. Retirement Plan effective January 1, 2025.

Eligibility – The Plan covers the employees of P.A.R. Apparel, LLC (formerly, Byer California). Employees shall first become eligible to participate in the Plan during the fiscal year in which their employment commencement date is on or prior to September 1. Subsequent to their initial year of eligibility, employees on December 31 with at least 1,000 hours of service during the fiscal year are generally eligible to receive an allocation of contributions for that year.

Contributions – For each fiscal year, management of the Company approves discretionary contributions to the Plan in accordance with applicable provisions of the Plan, which in no event shall exceed the amount deductible for Federal income tax purposes in accordance with provisions of the Internal Revenue Code. The Company did not make any discretionary contributions for the year ended December 31, 2025. No voluntary participant contributions are allowed.

Participant accounts – Each participant's account is credited with an allocation of (a) the Company's contribution, (b) plan earnings and losses, and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Company contributions and forfeitures are allocated to participant accounts in proportion to relative participant compensation. Plan earnings and losses are allocated to participant accounts in proportion to relative participant account balances. Upon meeting the requirements for distribution, the benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Vesting in the Company contributions plus actual earnings thereon is based on years of service and is as follows: (a) 100% vested, regardless of years of service, in the event of termination of employment due to death, total and permanent disability, or retirement if the participant has reached age 65, or (b) 20% per year upon the achievement of two years of

service until fully vested after six years in the event of termination for any reason other than death or retirement, as noted above.

Payment of benefits – Upon termination, participants may elect to receive an amount equal to the value of their vested account balance in any combination of a lump sum amount, annuity, or installments over a specified period of time. Benefits are generally recorded when paid.

Forfeited accounts - The portion of a terminating participant's account which is not vested is forfeited upon the earlier of a complete cash-out distribution or a five-year break in service. Participants who are 0% vested are deemed to forfeit their account balances upon termination. Forfeited amounts are used to reduce employer contributions and allocated to the remaining participants in the same manner as employer contributions. At December 31, 2024, remaining forfeited non-vested accounts totaled $15,598. There were no unallocated forfeited non-vested accounts at December 31, 2025.

Administrative expenses – Administrative expenses consist of investment management, third party administration, trustee and other professional fees which are primarily paid by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The Plan's financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates – The preparation of financial statements in conformity with GAAP requires estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Non-interest bearing cash - The Plan maintains cash balances with a U.S. financial institution, which at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Investment valuation and income recognition – During 2025, the Plan transferred all investments in mutual funds, cash equivalents and a common/collective trust fund into a non-interest-bearing cash account in anticipation of the Plan's intention to convert the Plan to a 401(k) and profit-sharing plan, as amended in February 2026. The Plan's investments in mutual funds were valued at fair value as of the last day of the Plan year based on quoted market prices, as quoted by the Plan's Trustee. The investment in a common/collective trust fund was stated at fair value, as estimated by the Plan's Trustee, taking into consideration investment earnings credited, expenses charged, payments made and changes in the value of the assets held in the funds.

The Plan's investment funds were allocated to the participants at all times. Purchases and sales of investments were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend income was recorded on the ex-dividend date.

GAAP established a framework for measuring fair value and provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level two input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's method of valuing investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, within the fair value hierarchy of generally accepted accounting principles, the Plan's assets at fair value as of December 31:

	2025	2024
Level 1:		
Equity securities:		
Mutual funds	$ -	$ 75,701,878
Level 2:		
Cash equivalents	-	29,412,416
Common/collective trust fund	-	597
Total investments, at fair value	$ -	$105,114,891

Subsequent events **-** The Plan's management evaluates events or transactions occurring after the statement of net assets available for plan benefits date but before the financial statements are available to be issued for potential recognition or disclosure. The financial statements include all subsequent events considered necessary for a fair presentation.

3. CERTIFIED INVESTMENT INFORMATION

In accordance with 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's Trustees certified the fair value of investments held at December 31, 2025 and 2024, and investment activities for the year ended December 31, 2025, that were used in the preparation of the accompanying financial statements and ERISA-required supplemental schedule. The following information was obtained by management and agreed to or derived from information certified as accurate and complete by the Plan's Trustees, but was not audited by independent certified public accountants:

	December 31, 2025	December 31, 2024
Non-participant-directed investments, at fair value:		
Cash equivalents	$ -	$ 29,412,416
Mutual funds	-	75,701,878
Common/collective trust fund	-	597
	$ -	$ 105,114,891
Non-interest bearing cash	$ 100,951,941	$ -
Accrued investment income	$ -	$ 118,043

Investment income:	
Interest and dividends	$ 2,510,221
Other income	13,796
Net unrealized appreciation of investments	12,725,343
	$ 15,249,360

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants shall become fully vested in their account balances, the trustee of the Plan shall pay all expenses chargeable against the Trust, and any unallocated Plan assets shall be allocated to participant accounts and distributed in accordance with Plan provisions and participant instructions.

5. TAX STATUS

The Plan adopted a prototype plan that received a favorable determination letter dated June 30, 2020 from the Internal Revenue Service. The Plan has since been amended and the Plan's Administrator, Administrative Committee and tax counsel are not aware of any course of action or series of events that have occurred that would adversely affect the qualified status of the Plan. The trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTY IN INTEREST TRANSACTIONS

Certain Plan investments held at December 31, 2024 are sponsored by the Plan's Trustee, Principal Bank or its affiliates. Since Principal Bank serves as the Plan's Trustee, investment activities involving these investments qualify as party-in-interest transactions.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investments securities that are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of benefits payable per the financial statements to the Form 5500 as of December 31:

The following is a reconciliation of benefits paid to participants or their beneficiaries per the financial statements to the Form 5500 for the year ended December 31:

	2025	2024
Per the financial statements	$ 19,945,216	$ 189,348
Less: Benefits paid as reported on Form 5500 in the prior year	(5,659,265)	5,659,265
Per Form 5500	$ 14,285,951	$ 5,848,613

9. SUBSEQUENT EVENTS

Effective February 1, 2026, the Company amended and restated the P.A.R. Retirement Plan. The restatement converted the Plan from a profit-sharing plan to a 401(k) profit-sharing plan allowing for pre-tax and Roth elective deferrals, and discretionary employer matching contributions among other various updates.

Events or transactions occurring subsequent to year end through the date the financial statements were available to be issued, October 9, 2026, have been evaluated in the preparation of the accompanying financial statements.
