INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Mid-City Electric Company Employees Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Mid-City Electric Company Employees Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), an ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mid-City Electric Company Employees Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mid-City Electric Company Employees Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-City Electric Company Employees Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mid-City Electric Company Employees Profit Sharing Plan's control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-City Electric Company Employees Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – 2025 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investments and Schedule of Reportable Transactions as of and for the years ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

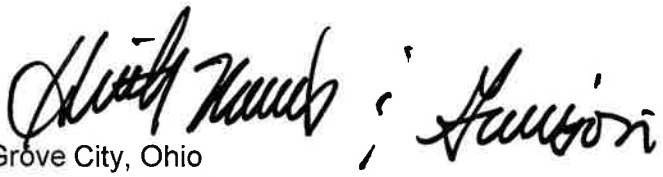

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Mid-City Electric Company Employees Profit Sharing Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2025 indicated that in their opinion the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MID-CITY ELECTRIC COMPANY EMPLOYEES PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The Mid-City Electric Company Employees Profit Sharing Plan (Plan) was established in 1985 as a defined contribution profit sharing plan for the purpose of providing retirement benefits to employees of Mid-City Electric Company (Plan Sponsor). The Plan is funded by employee compensation deferral contributions, employee Roth deferral contributions, employee rollover contributions, plan sponsor matching contributions and plan sponsor discretionary profit-sharing contributions. The Plan is subject to the provisions of ERISA as well as certain provisions of the Internal Revenue Code.

The Plan does not require a minimum age or minimum service requirements for an employee to participate. An employee may begin to participate in the Plan on the first day of the month following employment. Eligible employees does not include union employees or non-resident alien employees of the Plan Sponsor. The Plan adopted automatic enrollment provisions effective for participants entering the Plan after April 1, 2025. Additionally, automatic deferral rate increases in the amount of 1% annually were adopted.

The Plan is primarily funded by employee contributions based on a percentage (maximum 100%) of each participating employee's compensation. However, total deferrals by an individual participant in any calendar year may not exceed a dollar limit set by law ($23,500 in 2025 and $23,000 in 2024). Plan participants who are at least 50 years old by the end of the year may make special "catch-up" contributions. The limit for "catch-up" contributions was $7,500 in 2025 and $7,500 in 2024. The limit for both types of contributions may be increased in future years for changes in the cost of living. Participants are also permitted to make rollover contributions to the Plan.

The Plan Sponsor makes discretionary safe harbor matching contribution which is currently set at 3% of employee compensation. In addition, the Plan sponsor may make a discretionary profit-sharing contribution based on employee compensation, PS group and profit sharing percentage (2% - 10%).

Participants elect to allocate contributions between twenty-eight (28) available investment fund options offered by the Plan as monitored and modified by the Plan Administrator and Plan Sponsor. Each fund provides different investment objectives and degrees of risk. Participants are permitted to change the investment direction of future contributions or redirect their invested account balances.

Participants are permitted to borrow against their vested balance in amounts not to excel 50% of their vested balance or $50,000. Participants are permitted to have only one (1) loan outstanding at any given time. Loan repayments are required to be by payroll withholding deduction. Interest on each loan is established at Prime +1% at the date of the loan. Repayment periods on loans are not to exceed 5 years, unless a loan is used to secure the purchase of a dwelling unit.

Participants are fully vested at all times in their salary deferral contributions and earnings thereon. Participants vest in employee matching and discretionary contributions according to the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeitures are allocated at the discretion of the Plan Administrator and may be used to pay Plan expenses and/or reduce employer contributions under the Plan. Unallocated forfeited amounts at year end were $13 in 2025 and $340 in 2024. During 2025 $27,399 of forfeitures were used to reduce employer contributions.

Distributions can be taken from the Plan upon a participant's normal retirement (age 65), death, reaching the required beginning date, hardship, military related, disability and in-service withdrawals. No early retirement provisions exist under the Plan. The form of payment depends on the nature and qualifying event causing the distribution as outlined further in the adoption agreement.

An account is maintained for each participant and is increased or decreased by the following:

- For a pro rata share of investment income, expenses, gains and losses based on fund activity and the number of units held in the applicable fund.
- For salary deferral contributions made by the participant.
- For Plan sponsor matching contributions.
- For Plan sponsor discretionary profit-sharing contributions.
- For Plan expenses incurred.
- For forfeited balances reallocated among existing, active participants.

NOTE 2 – ACCOUNTING POLICIES

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures. Accordingly, actual results may differ from those estimates.

Investments are reported at aggregate fair value, except the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to acquire an asset in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Notes 4 & 5 for further discussion.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned on participant loans. Dividends are recorded on the ex-dividend date. Net gains and losses include the Plan's gains and losses on investments bought and sold as well as held during the year. Unrealized gains and losses on investments are included in Net gain on investments line of the Statement of Changes in Net Assets Available for Benefits.

Benefits are recorded when paid.

Employer matching contributions declared but not funded at year end are reflected as receivables. Employee contributions received but not remitted to the trustee at year end are reflected as receivables. Employer profit sharing contributions declared, but not paid until after year end are reflected as

NOTE 2 – ACCOUNTING POLICIES (Continued)

receivables. Historically, all contributions declared or received by the employer have been remitted in a timely fashion in accordance with rules and regulations prescribed by the DOL and IRS. Accordingly, the Plan has not recorded a provision for credit losses.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025, and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

All information included in the accompanying financial statements related to investments, including year-end fair value, investment earnings (interest, dividends, and net gains and losses) have been prepared by or summarized from reports prepared by Transamerica Trust Company and Transamerica Financial Life Insurance Company from January 1, 2025 through December 31, 2025 and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustees that such information is complete and accurate. The trustee maintains separate accounts for each participant. It is the trustee's responsibility to invest a participant's funds as directed by the participant. Participants may change their investment options by contacting the Trustee at any time either online or by a toll-free telephone number.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value, except for those at contract value (Note 5) in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements authoritative literature established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 – Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. The methodologies used for 2025 were first adopted January 1, 2016, for valuation and disclosure purposes.

Mutual funds – Mutual funds held are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The follow table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,713,478	$ 0	$ 0	$ 12,713,478

2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 9,914,763	$ 0	$ 0	$ 9,914,763

The Plan's invested assets in mutual funds experienced unrealized gains during 2025 totaling $1,148,084.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTEMENT CONTRACTS

The Plan held a fund under contract qualifying as a general unallocated stable value product. This contract meets the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The following represents the contract values of the fund held by the Plan at December 31, 2025 and 2024.

	2023	2022
General unallocated account	$ 194,438	$ 161,968

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTEMENT CONTRACTS (Continued)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability to the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

NOTE 6 – PLAN TERMINATION

Although it has not indicated intent to do so, the Plan sponsor has the right to terminate the Plan. In the event of Plan termination, participant's accounts will be distributed in accordance with the Employee Retirement Income Security Act of 1974.

NOTE 7 – INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies as a tax-exempt plan under the applicable provisions of the Internal Revenue Code. The plan has been amended since receiving the exempt determination, however, the plan administrator believes the plan continues to operate and qualify in accordance with Internal Revenue Code requirements for tax-exempt status.

NOTE 7 – INCOME TAX STATUS (Continued)

The Plan does not believe there are currently any tax positions which have a reasonable possibility of change from taxing authorities. Accrued interest and penalties with uncertain tax positions, if any, are recognized as part of administrative expenses. There were no taxes or accrued interest or penalties related to the tax positions of the Plan as of December 31, 2025. The years subject to examination by the authorities are 2025, 2024, and 2023.

NOTE 8 – ALLOCATION NET ASSETS

Net assets available for benefits at December 31, 2025 and 2024, include $754,986 and $686,177, respectively, allocated to the accounts of participants who as of or prior to that date had terminated employment with the Plan sponsor and were awaiting distribution of their account balances.

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons. The Plan's investments include holdings managed by Transamerica, who also serves as trustee and custodian of the Plan's assets. A majority of the administrative functions are performed by the officers and employees of the Sponsor, who may also be participants in the Plan, at no cost to the Plan. Additionally, the Plan Sponsor pays for certain administrative expenses of the Plan. These transactions qualify as party-in-interest transactions but are exempt from the prohibited transaction rules and regulations.

NOTE 10 – RISKS AND UNCERTANITIES

The Plan invests in various investment securities made available through the trustee as established by the plan administrator. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements and form 5500 are in agreement.

NOTE 12 – AMENDMENTS & SUBSEQUENT EVENTS

The Plan executed a new 401(K) Profit Sharing Non-Standardized Plan Adoption Agreement qualifying as a restatement of the previous plan document dated March 31, 2023. The original effective date of the Plan did not change from June 1, 1985. The effective date of the restated agreement is July 25, 2026.

NOTE 12 – AMENDMENTS & SUBSEQUENT EVENTS (Continued)

The new adoption agreement made changes to the Plan by implementing an auto enrollment feature to the Plan. In conjunction with this modification, an auto deferral rate increase of 1% per year was also added to the Plan. Also included as part of the adoption was the inclusion of an addendum to address various provisions to comply with the SECURE/CARES/CAA Acts.

Subsequent events were evaluated through October 14, 2026, which is the date the statements were available to be issued.
