The Plan Administrator
Capstone Mechanical, LLC 401(k) Plan:

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the Capstone Mechanical, LLC 401(k) Plan (the "Plan") as of and for the year ended December 31, 2025, and have issued our report thereon dated October 14, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 12, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of

determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding a material weakness noted during our audit in a separate letter to you dated October 14, 2026.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no such misstatements noted.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no such misstatements noted as a result of audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached management representation letter.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Administrator, management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audits of the financial statements of Capstone Mechanical, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency ("a qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of October 14, 2026:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 12, 2026, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP.

- The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

- We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.

- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

- The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are described in Note 3 of the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*.

- All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

- Transactions with parties-in-interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
- All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed, if applicable.
- The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
- We have no intentions to terminate the Plan.
- Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements.
- We acknowledge that administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.
- We acknowledge we will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filling or issuance.
- We have obtained a SOC 1 report from our service organization, Principal Life Insurance Company. We have reviewed such report, including complementary user entity controls. We have implemented the relevant user controls, and they were in operation for the years ended December 31, 2025 and 2024.
- We have properly reported and disclosed amendments to the plan instrument, if any.
- With respect to nonattest services provided, we have performed the following:
    - Made all management decisions and performed all management functions;
    - Assigned Janise Ochoa, who has suitable knowledge, skill or experience to oversee the services;
    - Evaluated the adequacy of the services performed;
    - Evaluated and accepted responsibility for the result of the service performed; and
    - Established and maintained controls, including a process to monitor the system of internal control.
- We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- Material concentrations have been properly disclosed in accordance with U.S. GAAP.
- We believe the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- We are responsible for maintaining complete and accurate employee records, including documentation supporting employee deferral rate elections and any subsequent changes. We are also responsible for ensuring that employee requests for deferral rate changes are properly authorized, documented, and processed in accordance with plan provisions, whether submitted through the Principal website or other approved methods.
- There have been no cybersecurity breaches or other cyber events whose effects should be considered for disclosure in the financial statements, as a basis for recording a loss contingency, or otherwise considered when preparing the financial statements.

Information Provided

- We have provided you with:
    - Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investment contracts, as applicable, and amendments to such documents entered into during the year;
    - The most current plan instrument for the audit period, including all amendments;
    - A draft of the Form 5500 that is substantially complete;
    - Additional information that you have requested from us for the purpose of the audit; and
    - Unrestricted access to persons within the Plan and others from whom you determined it necessary to obtain audit evidence.
- All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- Financial instruments with off-balance sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- The Plan or trust has satisfactory title to all owned assets. The collective investment trusts are reported at net asset value as a practical expedient to fair value and the investment contract with an insurance company is reported at contract value. All liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have provided to you our evaluation of the Plan's ability to continue as a going concern, including significant conditions and events present, and we believe that our use of the going concern basis of accounting is appropriate.
- We have no knowledge of any fraud, or suspected fraud, that affects the Plan and involves:
    - Management;
    - Employees who have significant roles in internal control; or
    - Others where the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims, or assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
- There are no other matters (e.g. breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
- We have disclosed to you the identity of all the Plan's related parties and parties-in-interest and all the related party and party-in-interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- All required amendments and filings with the appropriate agencies have been made.

- The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified Plan (and trust). The Plan Sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- Except as disclosed in the notes to the financial statements, the Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
- The Plan has complied with the fidelity bonding requirements of ERISA.
- There are no:
    - Non-exempt party-in-interest transactions (as defined in ERISA Section 3(14) and regulations under the section) that were not disclosed in the supplemental schedules or financial statements, if applicable.
    - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules, if applicable.
    - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules, if applicable.

The Plan Administrator and Management
Capstone Mechanical, LLC 401(k) Plan:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Capstone Mechanical, LLC 401(k) Plan (the "Plan") as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

We consider the following deficiency, which was previously communicated to you and still exists at December 31, 2025, in the Plan's internal control to be a material weakness:

Controls over Annual Financial Reporting

We drafted the annual financial statements and related note disclosures of the Plan at the Plan's request. However, we cannot be considered part of the Plan's internal controls. Consequently, the inability of the Plan to prepare its own financial statements and related note disclosures is considered a control deficiency. The fact that we prepare the financial statements, including note disclosures, may give users more confidence that the financial statements are correct; however, it does not eliminate the control deficiency. Management has made a conscious decision, due to costs or other considerations, to accept the degree of risk posed by this control deficiency over financial reporting.

This communication is intended solely for the information and use of Plan management and the Plan Administrator and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Capstone Mechanical, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Capstone Mechanical, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Capstone Mechanical, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of Plan

The following description of the Capstone Mechanical, LLC (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a 401(k) salary reduction profit sharing plan covering all full-time employees of Capstone Mechanical, LLC (the "Company"), who are at least eighteen years of age and have thirty days of service. The Plan was amended to reduce the eligibility requirement for full-time employees from ninety days of service to thirty days of service effective January 1, 2024. Also, effective January 1, 2024, the Plan was amended to allow long-term part-time employees who complete at least 500 hours up to 999 hours of service during each of the three consecutive years starting in fiscal year 2023 to be eligible to participate in the Plan and make salary deferrals. Effective January 1, 2025, long-term part-time employees who complete at least 500 hours up to 999 hours of service during each of the two consecutive years starting in fiscal year 2023 are eligible to participate in the Plan and make salary deferrals. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

(b) Contributions

Contributions to the Plan may consist of funds contributed by the Company, employees, and rollover contributions. Participants may contribute up to the maximum statutory amount of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions. Effective January 1, 2025, participants aged 60 to 63 are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Long-term part-time employees are excluded from Company contributions. Under safe harbor provisions adopted by the Plan, the Company is required to make matching contributions equal to 100% of a participant's deferral contribution up to 3% of eligible compensation plus 50% of any participant deferral contributions between 3% and 5% of eligible compensation. In addition, the Company may choose to make a discretionary contribution to the Plan for a particular plan year. No discretionary contributions were made in 2025 or 2024. Contributions are subject to certain limitations.

(1) Description of Plan (continued)

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, the employer matching contribution, where applicable, and an allocation of (a) the Company's discretionary contribution, where applicable, and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant annual earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

(d) Vesting

Participants are vested immediately in their contributions, Company safe harbor provision contributions, where applicable, plus actual earnings thereon. Company discretionary contributions, where applicable, are 20% vested to the participant after two full years of service, 20% for each additional year of service and 100% vested after six years. Participants become 100% vested in all accounts upon death, disability, or retirement at or after age 65. Upon termination of the Plan, non-vested balances are forfeited.

(e) Notes Receivable from Participants

Participants may borrow from the vested portion of their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates from 4.25% to 9.50%, which is commensurate with the local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

(f) Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments.

(g) Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in

(1) Description of Plan (continued)

(g) Administrative Expenses (continued)

administrative expenses. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements for changes in net assets available for benefits. Investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

(h) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(i) Forfeited Accounts

Net assets available for benefits at December 31, 2025 and 2024 include certain forfeited non-vested accounts. The Plan may use forfeited non-vested account balances to cover administrative expenses or reduce contributions of the Company. As of December 31, 2025 and 2024, there were no amounts in the forfeited non-vested accounts. Forfeitures used to pay administrative expenses or reduce Company contributions for 2025 and 2024 were $-0- and $1,395, respectively.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Investments

The Plan provides for self-directed investment programs for individual participants. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(2) Summary of Significant Accounting Policies (continued)

(b) Investments (continued)

The collective investment trusts invest in a variety of underlying collective funds and are valued using the net asset value ("NAV") of the units as a practical expedient to estimate fair value. The investment contract with an insurance company is an unallocated contract that includes fully benefit-responsive investments.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to direct investments in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Capstone Mechanical, LLC 401(k) Plan

Notes to Financial Statements
(Continued)

(2) Summary of Significant Accounting Policies (continued)

(f) Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(3) Collective Investment Trusts and Investment Contract with an Insurance Company

The following methods and assumptions were used to report the values of the collective investment trusts and investment contract with an insurance company:

The collective investment trusts invest exclusively in underlying collective funds that trade on an established market. The collective investment trusts are valued daily at the NAV of the units of the trust. Redemption of investments within the collective investment trusts can occur without restrictions. Plan sponsor directed withdrawals over certain limits require five business days advance written notice.

The investment contract with an insurance company is an unallocated contract and represents the stable value investment option under the group annuity contract (the Fixed Income Guaranteed Option) (“PFIGO”) under the contract with Principal Life Insurance Company. Contract value represents contributions made under the contract plus interest at the contract rate, less benefit payments and administrative expenses. The primary objective of the Fund is to preserve principal while generating returns in excess of money market funds and one-year U.S Treasury bills. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the Fund. Although Plan participants generally may withdraw assets from the Fund without restrictions, Principal Life Insurance Company may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance.

Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption with Principal Life Insurance Company, Principal Life Insurance Company reserves the right to require 30 days’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments related to the collective investment trusts as of December 31, 2025 and 2024.

(4) Information Certified by the Custodian

The financial information included in the Plan financial statements, except for employer and participants' contributions receivable, contributions, benefits paid to participants, and administrative expenses, have been derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, custodian of the Plan, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure, under ERISA.

(5) Tax Status

The Plan is using a standardized prototype profit-sharing plan document. In a letter dated June 30, 2020, the Internal Revenue Service ("IRS") indicated the standardized form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). The opinion of the IRS on the acceptability of the form of the Plan is not a ruling or determination as to whether the Plan qualifies under Code section 401(a). The Plan has been amended since receiving this acceptability letter. However, the Plan administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(6) Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer accounts.

(7) Party-In Interest Transactions

Certain Plan investments are an investment contract – unallocated account with Principal Life Insurance Company. Principal Trust Company is the custodian as defined by the Plan. Principal Life Insurance Company and Principal Trust Company are members of the Principal Financial Group; therefore, these transactions qualify as party-in-interest transactions.

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party-in-interest transactions.

(8) Delinquent Participant Contributions

During 2024, participant contributions were withheld from participants' wages but, through oversight, were not remitted to the Plan within the timeframe required by the Department of Labor Plan asset rules. This constitutes a loan from the Plan to the Company. The Company remitted the contributions totaling $31,769 to the Plan from March to May 2024.

(9) Subsequent Events

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through October 14, 2026, the date at which the financial statements were available to be issued and determined there are no items to disclose.
