INDEPENDENT AUDITOR'S REPORT

To the Participants in and Administrator of
Jefferson Dental Clinics 401(k) Profit Sharing Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Jefferson Dental Clinics 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Jefferson Dental Clinics 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jefferson Dental Clinics 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jefferson Dental Clinics 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jefferson Dental Clinics 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jefferson Dental Clinics 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JEFFERSON DENTAL CLINICS 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2025 and 2024

NOTE A – DESCRIPTION OF PLAN

The following description of the Jefferson Dental Clinics 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan became effective January 1, 2005, with approval of the Board of Directors of JDC Healthcare, PLLC dba Jefferson Dental Clinics ("Company"). The Plan is a defined contribution plan covering all eligible employees of the Company that have completed at least three months of service during eligibility computation period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions – Each year, participants may contribute up to 90% of pretax annual compensation (as defined in the Plan) up to the limits defined by law. Participants also may designate all or a portion of their deferral contributions as after tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into the investment options offered by the Plan. The Plan currently offers selected mutual funds, a money market fund, and self-directed brokerage accounts as investment options for participants. The Company, on a discretionary basis, may make matching and profit-sharing contributions to the Plan. For 2025, the Company elected to not make a discretionary matching or profit-sharing contribution. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses, as defined. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their own contributions plus actual earnings thereon. Employer discretionary matching and profit-sharing contributions are based on the following vesting schedule:

Years	Employer Contributions
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits – On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum, partial amount, or installment payments equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of a rolled over to an individual retirement account. In addition, the Plan allows for hardship distributions if certain criteria are met.

Notes Receivable from Participant – Subject to certain limitations in the plan document, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rates are set equal to the prevailing market rate for similar commercial loans charge by local financial institutions, as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Loan terms range up to 5 years or greater for the purchase of a primary residence.

NOTE A – DESCRIPTION OF PLAN (continued)

Forfeited Accounts – Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan. Forfeited non-vested accounts totaled $115,758 and $113,373 at December 31, 2025 and 2024, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See "Note G Fair Value Measurements" for discussion of Fair Value Measurements. In accordance with the policy of stating investments at fair value, the Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or (losses) and the unrealized appreciation (depreciation) on those investments. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Purchase and sales of securities are recorded on a trade-date basis.

Excess Contributions Payable – Amounts payable to participants, totaling $276,025 and $497,047, as of December 31, 2025 and 2024, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability and are included in benefits paid to participants.

Payment of Benefits – Benefits are recorded when paid.

Administration Expenses – Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distribution and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of whole or partial plan termination; participants would become fully vested as to the amount credited to their accounts after deductions for estimated liquidation and distribution expenses.

NOTE D – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term would materially affect participants' account balances as well as the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE E – TAX STATUS

The Plan uses a Non-Standardized, Pre-Approved, Profit Sharing Plan, provided FMR, LLC, and has received an opinion letter dated June 30, 2020, from the IRS, which states that the non-standardized pre-approved plan's form satisfies the applicable provisions of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor ("DOL") and IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress.

NOTE F – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29-CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity Management Trust Company, the Custodian of the Plan, has certified as being complete and accurate the investments and notes receivable from participants on the statements of net assets available for benefits as of December 31, 2025 and 2024, the investment and interest activity reflected in the statement of changes in net assets available for benefits, and the investment information included in the supplemental schedules of the financial statements as of and for the year ended December 31, 2025. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate.

NOTE G – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) *820 Fair Value Measurements and Disclosures* (ASC 820), provides the framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Fair Value Measurements
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE G – FAIR VALUE MEASUREMENTS (continued)

Level 2 Fair Value Measurements
Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts – Accounts primarily consists of mutual funds and common stocks that are valued on the basis of daily readily determinable market prices.

Money Market Fund – Valued at amortized cost, which approximates fair value. The amortized cost is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity. Securities held by the money market fund are generally high quality and liquid; however, they are reflected as a Level 2 because the inputs used to determine fair value are not quoted prices in an active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025		
	Level 1	Level 2	Total
Mutual funds	$ 9,301,344	$ -	$ 9,301,344
Self-directed brokerage accounts	217,095	-	217,095
Money market funds	-	468,389	468,389
Total investments at fair value	$ 9,518,439	$ 468,389	$ 9,986,828

	Assets at Fair Value as of December 31, 2024		
	Level 1	Level 2	Total
Mutual funds	$ 7,761,062	$ -	$ 7,761,062
Self-directed brokerage accounts	185,825	-	185,825
Money market funds	-	468,552	468,552
Total investments at fair value	$ 7,946,887	$ 468,552	$ 8,415,439

NOTE H – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company, which is the Custodian, as defined by the Plan. These transactions are considered exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each respective fund. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE I – PARTICIPANT CONTRIBUTIONS TRANSFERRED LATE TO THE PLAN

For the year ended December 31, 2025 and 2024, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances, identified on the Schedule of Delinquent Participant Contributions for 2025 and 2024, totaled $16,078 and $5,001. For 2024, the Plan Sponsor remitted these contributions with lost earnings on January 15, 2025. For 2025, the untimely remittances have not been corrected as yet.

NOTE J – RECLASSIFICATION

Certain reclassifications have been made to the prior year's comparative information to conform to the presentation of the current financial statements. The reclassifications have no affect on the net assets available for benefits.

This representation letter is provided in connection with your audit of the financial statements of Jefferson Dental Clinics 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related disclosures (collectively, the "financial statements").

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investments of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. 29) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

a) *Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

b) *Self-directed brokerage accounts* – Accounts primarily consists of mutual funds and common stocks that are valued on the basis of daily readily determinable market prices.

c) *Money Market Fund* – Valued at amortized cost, which approximates fair value. The amortized cost is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity. Securities held by the money market fund are generally high quality and liquid; however, they are reflected as a Level 2 because the inputs used to determine fair value are not quoted prices in an active market.

30) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board *(FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

31) All required amendments to and filings of Plan documents with the appropriate agencies have been made.

32) The Plan is based on the Pre-approved, Non-standardized, Profit Sharing Plan, provided by FMR, LLC the record keeper of the Plan, which received an opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020 stating that the Pre-approved Non-standardized Plan was designed in accordance with the provisions of the Internal Revenue Code (“IRC”). The Plan has not yet filed for its own opinion letter from the IRS. However, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

33) The Plan is qualified under the appropriate section of the IRC and we intend to continue them as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status.
