INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the Pioneer Telephone Cooperative, Inc. Non-Qualified Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pioneer Telephone Cooperative, Inc. Non-Qualified Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 2 to the financial statements, the Plan sponsor approved the termination and liquidation of the Plan during 2025. The Plan's termination was effective November 30, 2025. As of December 31, 2025, not all participant account balances had been distributed; however, the Plan was fully liquidated as of June 30, 2026. As a result of the approved termination and imminent liquidation, the Plan changed its basis of accounting from the accrual basis used in prior years to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards (GAAS). For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NON-QUALIFIED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. GENERAL DESCRIPTION OF THE PLAN

The following description of the Pioneer Telephone Cooperative, Inc. (the "Company"), Non-Qualified Savings Plan (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan, effective November 11, 1985, is a savings plan covering eligible employees of the Company, the Plan sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees are eligible to participate in the Plan.

All costs of plan administration are paid by the Company. The Plan does not provide for participant direction of account balances.

B. Contributions

The Company does not make any employer contributions to the Plan. Effective January 1, 2017, the Plan no longer allows employee contributions. There were no employee contributions for the years ending December 31, 2025 and 2024.

C. Vesting

Participants are immediately and fully vested in their contributions plus allocated earnings.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Employee contributions are accrued in the year in which the contributions are determined to be payable.

During 2025, the Plan's Board of Trustees approved the termination and liquidation of the Plan at its September 11, 2025 meeting. Management determined that liquidation was effective as of November 30, 2025. Accordingly, the Plan's financial statements as of and for the year ended December 31, 2025, have been prepared using the liquidation basis of accounting in accordance with Accounting Standards Codification ("ASC") 205-30, Presentation of Financial Statements—Liquidation Basis of Accounting, and ASC 962-40, Plan Accounting—Defined Contribution Pension Plans—Plan Termination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets in liquidation during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investment in the insurance company guaranteed interest account is reported at contract value as it has been deemed fully benefit responsive. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus interest at the contract rate, less benefits paid to participants.

Interest income is recorded when earned.

D. Payment of Benefits

Benefits are recorded when paid.

E. Date of Management's Review

Subsequent events were evaluated through the date the financial statements were available to be issued. In connection with the Plan termination, the Plan ceased ongoing plan operations and proceeded with the settlement and distribution of Plan assets in accordance with the terms of the Plan and applicable regulatory requirements.

3. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were held in an insurance company guaranteed fixed interest account issued by AuguStar Life Insurance Company, formerly known as Ohio National Life Insurance Company. AuguStar is identified as a party-in-interest to the Plan because it provides investment or contract services to the Plan. At December 31, 2025, the Plan held $2,109 in this contract. Management has evaluated the Plan’s transactions with AuguStar for reporting under ERISA and the Department of Labor’s rules and regulations.

4. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian – AuguStar Life Insurance Company, formerly known as Ohio National Life Insurance Company, for the years ended December 31:

2025:

Insurance company guaranteed fixed interest account	$	2,109
Investment income	$	11,376

2024:

Insurance company guaranteed fixed interest account	$	493,189
Investment income	$	15,051

The average yields based on actual earnings and crediting interest rates were approximately 3% for 2025 and 2024. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is reset annually and may not be less than 3%.

5. PLAN TERMINATION AND LIQUIDATION

On September 11, 2025, the Company's Board approved the Plan termination and liquidation plan. Management determined that liquidation became imminent on that date because the plan for liquidation had been approved by those with authority to make it effective and the likelihood was remote that execution of the plan would be blocked or that the Plan would return from liquidation. The Plan's effective termination date was November 30, 2025. The Plan applied the liquidation basis of accounting as of and for the year ended December 31, 2025 (see Note 2).

In connection with the Plan's termination, participants were provided distribution options in accordance with the Plan's provisions. Substantially all participant account balances were distributed to participants or beneficiaries, as applicable, on or before December 31, 2025. As of December 31, 2025, $20,736 of Plan assets remained and is expected to be distributed to participants or beneficiaries, used to pay allowable Plan expenses, or otherwise disposed of in accordance with the Plan's provisions during 2026.

The Plan's investment/contract account maintained at AuguStar Life Insurance Company was formally closed in February 2026. Upon closure, all residual funds and related earnings in the account were transferred and consolidated into an InterBank cash account, which was fully liquidated by June 30, 2026. Any remaining Plan assets will be used or distributed in accordance with the Plan's provisions, including payment of allowable termination-related expenses such as legal fees, final audit and accounting fees, and applicable trustee and recordkeeper fees and is expected to be paid in 2026.

5. PLAN TERMINATION AND LIQUIDATION - CONTINUED

As of December 31, 2025, the Plan had $20,736 of remaining assets. Management expects approximately $11,450 of those assets to be used to pay allowable Plan liquidation expenses, including final accounting and audit fees, with the remaining assets expected to be distributed to participants or beneficiaries or otherwise disposed of in accordance with the Plan's provisions during 2026.

Estimated costs to complete liquidation

The Plan has accrued approximately $11,450 for estimated accounting, audit, and other allowable Plan termination costs expected to be paid during 2026. These costs were estimated by management based on known remaining liquidation activities and are included as a liability in the statement of net assets in liquidation.

Basis of presentation and comparability

As discussed in Note 2, the Plan's liquidation became imminent during 2025; therefore, the December 31, 2025 financial statements have been prepared using the liquidation basis of accounting in accordance with ASC 205-30 and ASC 962-40. The December 31, 2024 financial statements were prepared using the ongoing basis of accounting. Accordingly, the 2025 and 2024 financial statements were prepared using different bases of accounting and are not directly comparable.

6. TAX STATUS

The U.S. Treasury Department has not determined that the Plan constitutes a qualified plan under IRC § 401(a). Management believes the Plan has been operated in accordance with the applicable provisions of the Plan document and the Internal Revenue Code provisions relevant to the Plan's non-qualified deferred compensation arrangement. The taxation of allocated earnings is deferred pursuant to IRC § 72.

In connection with the termination of the Plan and the distribution of participant account balances, participants may recognize taxable income in accordance with applicable provisions of the Internal Revenue Code, including IRC §§ 72 and 402, as applicable.
