To the Plan Administrator of
the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

1. DESCRIPTION OF PLAN

The following description of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust ("the Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Cortese Chrysler Jeep Dodge, Inc. (the Company). Cortese Ford Lincoln and Cortese Imports Inc. are companies under common ownership whose employees are also eligible to participate in The Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

Pentegra Services, Inc. is the Plan administrator. Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York are the trustees of the Plan's assets. Empower Retirement (Empower) is the Plan's recordkeeper.

Eligibility

Generally, all employees who have completed eleven months of service and have obtained the age of 21, as defined in the Plan document, are eligible to participate in the plan. Employees enter the Plan on the first day of the Plan Year quarter following the date they satisfy the eligibility requirements.

Contributions

Each participant may elect to contribute up to 100% of his or her eligible compensation subject to the limitations set by the Internal Revenue Code ($23,500 in 2025 and $23,000 in 2024) as a contribution to the Plan. Participants who are age 50 or older before the end of the plan year are allowed to make an additional "catch-up" contribution. The catch-up contribution limit was $7,500 in both 2025 and 2024. Effective in 2025, participants who attain ages 60 through 63 during the year are eligible for an increased catch-up contribution limit of $11,250. In addition, each participant may contribute rollover contributions received in a lump sum from another qualified defined contribution or defined benefit retirement plan.

Effective January 1, 2025, the Plan includes an automatic enrollment provision whereby new hires are automatically enrolled in the Plan, unless they affirmatively elect not to participate, at a default deferral rate of 6% of eligible compensation, with contributions treated as pre-tax deferrals.

The Company provides an annual matching contribution of 50% of employee deferrals, up to a maximum of 6% of the eligible participant's compensation. The Company matching contributions are allocated to participants' accounts on an annual basis. The Plan also allows for discretionary profit-sharing contributions, as determined by the Company, on an annual basis. No profit-sharing contributions were made in 2025 and 2024.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts
Participants direct the investment of their accounts into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, employer matching contributions, and actual earnings and losses thereon. Investment income and loss and expenses are allocated to the participant's account based on the ratio of the account balance of the individual participant to the aggregate of account balances of all participants in the fund within the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits
Upon termination due to disability, death or retirement, or separation from service with the Company, a participant may elect to receive a lump sum payment, installment payments, or to have their account rolled over to another qualifying investment. For in-service payment of benefits after a participant has attained 59 ½ years of age, a participant may elect to receive any portion or all of his or her account as a lump-sum distribution.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted under certain circumstances.

Vesting
All participants are immediately vested in their contributions plus actual earnings and losses thereon. Vesting in employer matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after one year, 40% vested after two years, and 100% vested after three years of credited service.

Administrative Expenses
Certain administrative expenses of the Plan are paid by the Company. Distribution and loan fees are charged directly to the participants for the transactions and are paid out of the proceeds of the distribution or loan. Other administrative expenses paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

Notes Receivable from Participants
Participants may borrow from their individual accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at prevailing rates. Principal and interest are paid through payroll deductions.

Forfeitures
Forfeitures of non-vested account balances may be used to pay administrative expenses or reduce nonelective contributions. At December 31, 2025 and 2024 there were $2,091 and $2,052 forfeited funds on hand, respectively. During the Plan year ended December 31, 2024, the Company used $1,217 of forfeitures to reduce employer contributions and used $1,536 to pay for expenses of the Plan. No forfeitures were used to reduce company contributions or administrative expenses during the plan year ended December 31, 2025.

Plan Termination
Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments
Investments held by a defined-contribution plan are required to be reported at fair value or net asset value (NAV) as a practical expedient for fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on assets bought and sold as well as held during the year.

Benefit Payments
Benefit payments are recorded when paid.

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties
The Plan's assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect the amounts reported in the accompanying financial statements.

3. FINANCIAL CERTIFICATION

In accordance with Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified as complete and accurate by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, the trustees, as of and for the years ended December 31, 2025 and 2024, respectively:

4. FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 (ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan have the ability to access.

- Level 2 Inputs to the valuation methodology include:

  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

4. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Fixed annuity: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The fixed annuity is benefit responsive for participant-initiated transactions. However, there is a provision that prevents the immediate and full payout of the contract value for plan-initiated transactions, therefore it is not deemed to be fully benefit responsive.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 14,298,399	$ -	$ -	$ 14,298,399
Fixed annuity	-	956,559	-	956,559
Total investments	$ 14,298,399	$ 956,559	$ -	$ 15,254,958

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,155,062	$ -	$ -	$ 12,155,062
Fixed annuity	-	895,294	-	895,294
Total investments	$ 12,155,062	$ 895,294	$ -	$ 13,050,356

5. TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated November 14, 2022, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

6. PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York are the trustees of the Plan's assets. Empower Retirement is the Plan's record-keeper. Consequently, transactions involving Empower Trust Company, LLC, Empower Retirement, Empower Life & Annuity Insurance Company of New York and the Plan qualify as party-in-interest.

Notes receivable from participants also qualify as party-in-interest transactions.

7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.
