Independent Auditor's Report

To the Participants and Plan Administrator of Job Squad, Inc. Health & Welfare Plan

Opinion

We have audited the financial statements of Job Squad, Inc. Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31,2025 and 2024 and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Job Squad, Inc. Health & Welfare Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Job Squad, Inc. Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Job Squad, Inc. Health & Welfare Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Job Squad, Inc. Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Job Squad, Inc. Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Job Squad, Inc. Health & Welfare Plan

Notes to the Financial Statements

December 31, 2025 and 2024

1. Description of Plan

The following description of the Job Squad, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a health and welfare plan covering eligible employees, as defined, of Job Squad, Inc. (the Employer or Company). The Plan and Trust were established January 1, 2024 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Administrator, along with various advisors, is responsible for oversight of the Plan.

Benefits

The Plan provides dental and vision coverage for eligible participants and their beneficiaries on a self-funded basis. Other benefits such as medical, prescription, accident, life insurance, hospital indemnity, critical illness, short-term and long-term disability, and employee assistance program coverage are funded through various contracts with insurance companies. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan.

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management takes contributions to the Plan on their behalf. The participants' coverage will end at midnight of the last day of the month in which eligibility ceases. The Plan also provides continuation of benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company makes contributions for participating employees covered under the Plan. For employees covered under contracts issued by federal, state, municipal or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributes to the Plan based upon

an hourly funding formula.

Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents.

Retirement Plan Contributions

Participants can opt out of some Plan benefits and have their contribution allocated to Job Squad, Inc. 401(k) Retirement Plan. After subtracting premiums and fees incurred by the Plan, the Plan forwards the excess contributions to the Company's retirement plan. The retirement plan payable represents excess contributions received from the Company that have not been forwarded to the Company's retirement plan by the end of the year.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits for claims in excess of $100,000 per year per subscriber. The amount of stop-loss reimbursements netted against health and other benefit claims paid for the year ended December 31, 2025 totaled approximately $1,026,000.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions Receivable

Employer and Employee contributions due but not paid at year-end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2025 and 2024.

Payment of benefits

Benefits are recorded when paid.

Expenses

The Plan pays administrative expenses that consist of administrative fees, accounting fees, and other miscellaneous expenses. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. Certain other expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements.

Concentration of Credit risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. Plan management does not believe the Plan is exposed to any significant credit risk on cash.

Claims Incurred but not Reported

The obligation for benefit claims incurred, but not reported is an estimate for self-funded benefits incurred on or prior to December 31, 2025 and 2024, but reported and paid by the Plan after year-end. The estimate was calculated using available claims experience data and projected future claims.

Insurance Premium Payables

Insurance premiums payable are based upon the actual premiums due for the year but paid by the Plan after year-end.

Subsequent Events

Subsequent events were evaluated through October 14, 2026, the date the financial statements were available to be issued.

3. Related-Party and Party In Interest Transactions

As noted in Note 1, the Plan has several arrangements with service providers. These transactions are party in interest transactions under ERISA.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscretionary manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. Tax Status

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from income taxes, and is currently subject to income tax on its net investment income. The Trustee believes that the Trust does not have any net taxable income for the tax year ended December 31, 2025.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

		2025		2024

Net assets available for benefits per Form 5500	$	196,549	$	42,242

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the year ended December 31, 2025 to Form 5500:

		2025

Add: Benefit obligations for prior year end		502,093
Accrued expenses		(6,372)
Net change in net assets available for benefits per Form 5500	$	154,307

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
