Independent Auditor's Report

To the Plan Sponsor of the
C & C Concrete 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of C & C Concrete 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the C & C Concrete 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

To the Plan Sponsor of the
C & C Concrete 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of C & C Concrete 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the C & C Concrete 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

To the Plan Sponsor of the
C & C Concrete 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C & C Concrete 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about C & C Concrete 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 Description of Plan

The following description of C & C Concrete 401(k) Plan (the "Plan") provides only general information. Concrete Holdings & Services, LLC (the "Company" or "Employer") is the Plan sponsor. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 2019, is a defined contribution 401(k) plan covering eligible employees of the Company and participating related employers who have attained the age of 21 and six months of service. Once the participant satisfies the requirements, they are eligible to enter the plan on the first day of each calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan oversight is performed by an officer of the Company. ADP, Inc. (the "Custodian") receives and invests the contributions and plan earnings as directed by the participants.

As of December 31, 2025 and 2024, the Plan had approximately 131 and 148 participants with account balances, respectively.

There were no amendments to the Plan during the year ended December 31, 2025.

Contributions to the Plan

The Plan allows participants to make tax-deferred contributions (compensation deferrals) up to the maximum limits imposed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions up to the applicable statutory limit, subject to the Plan's terms and applicable compensation deferral limitations. Those who are ages 60 through 63 by the end of the Plan Year may be eligible for enhanced catch-up contributions, as permitted by applicable law. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated default investment options until changed by the participant. For the year ended December 31, 2025, the Company's match is based on 10% of participant's elective deferrals, up to 4% of eligible compensation.

Participant contributions are remitted to the Plan by the Company in accordance with Department of Labor requirements. There were no delinquent participant contributions during the year ended December 31, 2025 requiring disclosure under Department of Labor regulations.

Rollovers

The Plan permits participant rollover contributions into the Plan. For the year ended December 31, 2025, there were no participant rollovers.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 Description of Plan (Continued)

Forfeited Accounts

Forfeitures of non-vested participant account balances can be used to pay administrative expenses of the Plan and/or reduce future employer contributions. During 2025, forfeitures of $984 were used to pay administrative expenses. At December 31, 2025 and 2024, there were no unallocated forfeitures.

Distribution of Benefits

Participants or their beneficiaries are eligible to receive distributions from their account upon normal retirement (age of 65), permanent and total disability, death, or financial hardship, as defined. Employees who terminate employment prior to the occurrence of one of those events have 60 days from the date of their account distribution to invest the funds in a qualified tax deferred investment without taxation or penalty.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of participant accounts is based on the following schedule:

Years of Service	Vested Percentage
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

Participants become fully vested upon attainment of normal retirement age, death, disability, or Plan termination.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a dwelling unit that will serve as the participant's principal residence. The maximum loan term for a principal residence loan is 10 years. The notes are secured by the balance in the participant's account and bear interest at rates of 5.25% to 10.50%, which is commensurate with prevailing market rates established in accordance with Plan provisions. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are considered parties-in-interest transactions.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Note 2 Summary of Significant Accounting Policies (Continued)

Use of Estimates
The preparation of the financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses, as well as related disclosures. Because these estimates are inherently subjective and based on currently available information, actual results could differ materially from these estimates.

Key estimates applicable to the Plan include, but are not limited to, fair value measurements of investments, particularly those without readily determinable market value.

Plan management regularly evaluates these estimates and makes adjustments as necessary to reflect current conditions. Changes in these estimates are recognized in the period in which they become known.

Investment Valuation
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments in collective investment trusts are valued at the net asset value ("NAV") of units held by the Plan at year end. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities.

Other income consists primarily of interest credited on the Plan's collective investment trust, net of related charges, transfers, and other adjustments recorded by the Custodian.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Deemed distributions represent participant loans treated as distributed for tax purposes upon default in accordance with the Plan’s provisions and applicable tax regulations. Plan management evaluated expected credit losses on participant notes and determined that no allowance was considered necessary as of December 31, 2025 or 2024. At December 31, 2025 and 2024, notes receivable from participants had a balance of $140,902 and $104,306, respectively.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

Note 2 Summary of Significant Accounting Policies (Continued)

Payment of Benefits
Benefits are recorded when paid.

Note 3 Information Prepared and Certified by Custodian

Certain information in the accompanying financial statements and supplemental schedule related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by ADP, Inc., Inc, a qualified institution.

Note 4 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire plan balance.

Note 5 Tax Status

The Plan has adopted a pre-approved plan document for which the plan document provider received a favorable opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC). Although the Plan has been amended since the issuance of the opinion letter, the Plan Administrator believes that the Plan is designed and operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan Administrator believes that the Plan remains qualified and the related trust remains tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated uncertain tax positions through October 5, 2026, the date the financial statements were available to be issued and determined none require recognition.

Note 6 Fair Value Measurements

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

(This space has been intentionally left blank.)

Note 6 Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: * quoted prices for similar assets or liabilities in active markets; * quoted prices for identical or similar assets or liabilities in inactive markets; * inputs other than quoted prices that are observable for the asset or liability; * inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used during the years ended December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price reported on the active market on which the individual securities are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded ("Level 1").

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(This space has been intentionally left blank.)

Note 6 Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,433,767	$ -	$ -	$ 2,433,767
Total assets at fair value	$ 2,433,767	$ -	$ -	$ 2,433,767

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,997,676	$ -	$ -	$ 1,997,676
Total assets at fair value	$ 1,997,676	$ -	$ -	$ 1,997,676

The Plan holds investments in a collective investment trust that is measured using the NAV practical expedient and is not included in the hierarchy table.

Investment measured at NAV:	2025	2024
Invesco Stable Asset Fund	$ 26,752	$ 21,286

The Invesco Stable Asset Fund seeks to preserve principal while providing a competitive rate of return. Participant transactions (purchases and redemptions) may generally occur daily at NAV. There are no unfunded commitments related to this investment.

Note 7 Risks and Uncertainties

The Plan's investments are exposed to various risks, including interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in these risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 Party-in-Interest Transactions

Certain plan investments are managed by ADP, Inc. Because ADP serves as Custodian, these transactions qualify as party-in-interest transactions under ERISA.

ADP provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement ("MSA") between the Company and ADP. ADP receives revenue from mutual fund service providers for services ADP provides to the funds. This revenue is used to offset certain amounts owed to the Custodian for its administrative services to the Plan.

Note 8 Party-in-Interest Transactions (Continued)

If the revenue received by ADP from such mutual fund service providers exceeds the amount owed under the MSA, the Custodian remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay the Plan's administrative expenses or allocated to the accounts of the participants. During 2025, there were no excess amounts. Administrative expenses not covered by revenue-sharing arrangements may be paid directly by the Plan or by the Plan Sponsor.

Notes receivable from participants and certain investments and service arrangements described above constitute party-in-interest transactions under ERISA.

Note 9 Subsequent Events

Plan management evaluated subsequent events up to October 05, 2026, the date these financial statements were available for issuance. Effective May 1, 2026, the Plan transferred substantially all of its assets and related participant accounts from ADP Retirement Services to Transamerica Retirement Solutions, LLC, the Plan's new recordkeeper and custodian. This transfer did not result in any change to participants' vested account balances and had no impact on the Plan's net assets available for benefits. Management evaluated this event through the date the financial statements were available to be issued and determined that disclosure of the transfer was appropriate. No other subsequent events have occurred that require recognition or disclosure in the financial statements.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.
