Independent Auditors' Report

To the Plan Administrators
Seres Engineering 401(k) Plan
Charleston, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of the Seres Engineering 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF PLAN

The following description of the Seres Engineering 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General The Plan was established effective April 1, 2010 and is subject to the provisions of Internal Revenue Code (the Code) section 401(k) and the Employee Retirement Income Security Act of 1974 (ERISA). In general, all employees of Seres Engineering & Services, LLC (the Sponsor) are eligible to participate in the Plan. Certain employees, such as nonresident aliens and Puerto Rico residents, are excluded from participation.

Contributions Eligible employees (Participants) may elect to make contributions up to the maximum amount allowed by the Code, including catch-up contributions. Participants may also contribute amounts distributed from other qualified plans (rollover contributions). The Plan Sponsor is required to make a safe harbor matching contribution of 100% of each participant's salary deferrals up to the first 4% of the participant's eligible compensation. Contributions are subject to certain limitations.

Participant Accounts Each Participant's account is credited with the Participant's contribution, allocations of the Sponsor's contribution, and plan earnings and charged with an allocation of administrative expenses. Allocations are based on Participant earnings or account balances. Participant benefits are limited to the Participant's vested account balance.

Vesting Participants are immediately vested in their contributions and sponsor safe harbor matching contributions plus actual earnings thereon. Participants become 100% vested in any Sponsor profit sharing contribution portion of their accounts plus actual earnings thereon after three years of credited service.

Notes Receivable from Participants Participants may borrow from their accounts up to the lesser of $50,000 or one-half of their vested account balance. Participants may only have one outstanding note at any given time. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined appropriate by the plan administrator. The notes have a maximum term of five years, unless the note is used for the purchase or construction of a primary residence. Principal and interest are paid ratably through automatic payroll deductions.

Investment Options Plan contributions are invested, at the direction of the participant, in any of the funding vehicles offered by the Plan.

Benefit Payments On termination of service due to death, disability or retirement, a Participant may elect to receive a lump-sum amount equal to the value of the Participant's vested interest in his or her account or partial payment options as provided by the Plan. Hardship withdrawals, as defined in the Plan, are permitted from participant deferral contributions. In-service distributions are permitted for participants age 59.5 or older.

A. DESCRIPTION OF PLAN (Continued)

Forfeitures At December 31, 2025 and 2024 forfeited non-vested accounts totaled $3,160 and $3,051, respectively. These accounts will be used to offset future Sponsor contributions.

Operating Expenses Certain expenses of maintaining the Plan are paid by the Sponsor. Investment related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

B. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The Plan financial statements and supplemental schedules are presented using the accrual method of accounting.

Investment contracts held by a defined contribution plan are generally reported at fair value. However, an exception exists for reporting fully benefit-responsive investments which are reported at contract value because the amount a Participant would normally receive in a transfer or distribution is contract value. Contract value represents contributions made under the contracts plus earnings, less Participant withdrawals and administrative expenses.

Investment Valuation and Income Recognition Investments are reported at fair value, except for any fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. Loans in default are recorded as benefit payments in accordance with the terms of the Plan document.

Use of Estimates The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits Benefits are recorded when paid.

C. FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value. ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Level 1 Fair Value Measurements The fair values of registered investment companies are based on the closing price reported on the active market where the individual securities are traded. The fair values of common investment trusts are based on net asset value (NAV), which are determinable, published, and serve as the basis for current transactions.

There have been no changes in the methodologies used to determine fair value during the years ended December 31, 2025 and 2024.

The following table sets forth the Plan's investments held at fair value as of December 31, 2025, all of which are classified as Level 1 within the fair value hierarchy:

Registered investment companies	$ 5,201,496
Common investment trusts	993,449
Total investments, at fair value	$ 6,194,945

The following table sets forth the Plan's investments held at fair value as of December 31, 2024, all of which are classified as Level 1 within the fair value hierarchy:

Registered investment companies	$ 4,093,773
Common investment trusts	840,161
Total investments, at fair value	$ 4,933,934

Valuation approaches are reviewed on an ongoing basis and revised as necessary based on changing market conditions. Changes in any of the inputs could result in a significantly higher or lower fair value measurement.

D. UNAUDITED INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE

ADP Retirement Trust Services, LLC serves as trustee for the Plan and Plan investments as of and for the year ended December 31, 2025. Reliance Trust Company served as trustee as of December 31, 2024. The accompanying financial statements and supplemental schedule include the following unaudited information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee for each respective year:

	2025	2024
Investments	$ 6,194,945	$ 4,933,934
Notes receivable from participants	48,004	74,812
Interest and dividends	358,133	
Interest on notes receivable from participants	9,374	
Net appreciation in fair value of investments	460,374	

Additionally, information contained in Note C and the Supplemental Schedule of Assets (Held at End of Year) was obtained from data prepared and certified to be complete and accurate by the Plan's trustee.

E. RELATED PARTY TRANSACTIONS AND TRANSFERS

Certain Plan investments are managed by ADP Retirement Trust Services, LLC, a Plan trustee, or by entities related to ADP Retirement Trust Services, LLC. Accordingly, these transactions qualify as party-in-interest transactions and are exempt from prohibited transactions rules.

F. PLAN TERMINATION

Although the Sponsor has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

G. TAX STATUS

The Plan has not obtained a determination letter from the Internal Revenue Service (the IRS) stating that the Plan was in compliance with the applicable requirements of the IRC. The Plan is relying on the IRS approval of the standardized prototype plan that it is utilizing. The IRS has determined and informed the trustee by letter dated October 6, 2020 that the prototype plan document was designed in accordance with applicable sections of the IRC. Therefore, the plan administrator believes the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

I. RECONCILIATIONS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per financial statements	$ 6,271,529	$ 5,008,746
Contributions receivable per financial statements	(28,580)	-
Rounding variances	1	-
Net assets available for benefits per Form 5500	$ 6,242,950	$ 5,008,746

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the net income per Form 5500 for the year ended December 31, 2025:

Net increase per the financial statements	$ 1,262,783
Current year receivables per financial statements	(28,580)
Rounding variances	1
Net increase per Form 5500	$ 1,234,204

J. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2026, the date which the financial statements were available to be issued.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.
