CERTIFIED PUBLIC ACCOUNTANTS – AUDIT, LLP

Independent Auditor's Report

To the Plan Administrator and Participants
Zupan Stores Savings & Investment Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Zupan Stores Savings & Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Zupan Stores Savings & Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Zupan Stores Savings & Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zupan Stores Savings & Investment Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Zupan Stores Savings & Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zupan Stores Savings & Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ZUPAN STORES SAVINGS & INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

1. Description of Plan

The following description of the Zupan Stores Savings & Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution and 401(k) plan established January 1, 1991 by Zupan Enterprises Oregon Inc. (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Company administers the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

b. Eligibility

Employees of the Company are eligible to participate in the Plan after completing 1 year (1,000 hours) of eligibility service and reaching the age of 21 except for residents of Puerto Rico, employees covered by a collective bargaining agreement, and non-resident aliens.

c. Participant Contributions

Participants may contribute a percentage, not less than 1 percent and up to 90 percent, of eligible compensation, limited by requirements of the IRC. Upon reaching the age of 50, eligible employees may make additional catch-up contributions as allowed by the IRC. In 2025, the Plan was amended to allow a higher catch-up contribution limit for participants aged 60-63 as allowed by the IRC.

Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans into the Plan. In-Plan Roth rollover contributions are not permitted. Participants direct the investment of their contributions and their share of the Company's matching contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 1% of eligible compensation with annual increases of 1% up to a maximum of 6%, and their contributions are invested in a default investment fund selected by the Company until changed by the participant.

d. Employer Contributions

The Company matches 50% of the employees' elective deferral up to the first 6% of eligible compensation. The Company may also make non-elective contributions to the Plan at the discretion of the Company's board of directors, subject to the limits of the IRC. There were no non-elective contributions made during 2025 or 2024.

e. Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, the Company's contributions, and an allocation of the Plan's earnings and expenses. Participants can direct their account into a variety of investments offered by the Plan. The benefit to which a participant is currently entitled is the benefit that can be provided from the participant's vested account.

f. Vesting

Participants are fully vested at all times in the portion of their accounts attributable to their own contributions and earnings thereon. Participants become 20% vested in the portion of their accounts attributable to Company matching and non-elective discretionary contributions and earnings thereon after 2 years of service and become an additional 20% vested for each year of service thereafter until they are fully vested after 6 years of service.

g. Payment of Benefits

Upon reaching retirement age, termination of service, disability or death, a participant or beneficiary may be paid a partial distribution, installments, or lump-sum equal to the participant's vested account balance. Account balances less than $5,000 but greater than $1,000, may be distributed in the form of a direct rollover to an individual retirement account designated by the Plan administrator. Account balances of less than $1,000 are distributed in a single lump-sum cash payment to the participant or beneficiary. In 2025, the limit was increased to $7,000.

h. Hardship Withdrawals

Upon certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, a portion of their elective deferrals as a result of an immediate and heavy financial need, subject to a minimum withdrawal of $500. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of natural disaster clean-up on the participant's principal residence or to prevent eviction or foreclosure from the participant's principal residence.

i. Notes Receivable from Participants

Participants may borrow the lesser of $50,000 or 50% of their vested account balance, subject to a $500 minimum and certain other restrictions. Loans are secured by the vested account balance of the participant. Loans are repayable through payroll deductions over periods ranging up to 5 years, unless the loan is used to acquire a principal residence, in which case the loan term may be for a period of up to 30 years and bear interest at Prime plus 2%. The interest rate on outstanding loans at December 31, 2025 ranged from 5.25% to 10.50% and mature through 2048.

j. Forfeitures

The forfeited accounts of non-vested terminated participants may be used to pay the administrative expenses of the Plan or to reduce future Company contributions. For the years ended December 31, 2025 and 2024 there were approximately $11,000 and $21,000 respectively, in forfeitures utilized to reduce employer matching contributions. Forfeitures

available to reduce future contributions or to pay administrative expenses were $1,000 and $10 at December 31, 2025 and 2024, respectively.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

b. Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

d. Contribution Receivables

Contribution receivables are contributions earned during the year but not received until the subsequent period due to the timing of the deposit and can be from either the Company or the participants. Contribution receivables are recorded at amortized cost and due to its nature, the Plan does not establish an allowance for credit losses for contribution receivables.

e. Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are fully secured by the participants' vested accounts and as such the Plan did not establish any allowance for credit losses. Delinquent notes receivable from participants may be treated as a distribution based on the terms of the Plan document.

f. Payment of Benefits

Benefits are recorded when paid.

g. Expenses

Administrative costs, including trustee, recordkeeping, legal and accounting fees, are paid by the Company. Direct expenses of approximately $7,000 and $6,000 were paid by the Plan during 2025 and 2024, respectively, representing transactional fees incurred and allocated to specific participants. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

3. Investments

Plan investment assets are held by ADP Retirement Trust Services and Reliance Trust Company for 2025 and 2024, respectively. Participants can direct their accounts among various mutual funds and a money market fund.

4. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for fair value measurement, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund and mutual funds: Valued at fair value based on quoted market prices at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025:

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 424,012	$ -	$ -	$ 424,012
Mutual funds	13,357,340	-	-	13,357,340
Total investments	$ 13,781,352	$ -	$ -	$ 13,781,352

The following table sets forth by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024:

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 353,548	$ -	$ -	$ 353,548
Mutual funds	11,041,710	-	-	11,041,710
Total investments	$ 11,395,258	$ -	$ -	$ 11,395,258

5. Risks and Uncertainties

The Plan assets are invested in a variety of investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participant account balances.

6. Information Certified by the Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedule was provided and certified by ADP Retirement Trust Services and Reliance Trust Company, the trustees of the Plan as of and for the years ended December 31, 2025 and 2024, respectively, as complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Investment income
- Interest on participant notes receivable
- Schedule of assets (held at end of year)

7. Excess Contributions Payable

Excess contributions payable recognized in 2025 amounting to $9,106 pertains to distributions made in March 2026 to refund contributions and the earnings thereon to two highly

compensated employees that serve as corrections for the Plan to pass the actual deferral percentage test.

8. Corrective Contributions

During 2025, one participant's deferral contribution rate was not applied to their retroactive compensation due to a payroll system error resulting in a missed deferral opportunity. To correct the error, the Company is planning to make qualified nonelective contributions subsequent to year end equal to 50% of the missed pre-tax deferral contribution amounting to $30 and 100% of the missed matching contribution amounting to $30. This is included in employer receivables and employer contributions.

9. Party-In-interest Transactions

The Plan sponsor, Zupan Enterprises Oregon Inc., is a party-in-interest to the Plan. The transactions between the Plan and the Plan sponsor included funding of contributions to the Plan and payment of certain administrative expenses of the Plan, which are exempt transactions.

The Plan issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

10. Tax Status

The Plan utilizes the Automatic Data Processing Prototype 401(k) and Profit Sharing Plan. The plan sponsor obtained a letter dated October 6, 2020 in which the Internal Revenue Service ("IRS") stated that the prototype plan, as then designed, was accepted under Section 401(a) of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

11. Plan Termination

Although it has not expressed any intention to do so, the Company may terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

12. Subsequent Events

The Plan has evaluated subsequent events with respect to the Plan through October 13, 2026, the date the financial statements were available for issuance and concluded that there are no material subsequent events that required recognition or additional disclosures in these financial statements.
