INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Trustees
Suttle & Stalnaker 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of Suttle & Stalnaker 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2025, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Suttle & Stalnaker 401(k) Profit Sharing Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Empower Trust Company, LLC, a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Suttle & Stalnaker 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Suttle & Stalnaker 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Suttle & Stalnaker 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Suttle & Stalnaker 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Form 5500 Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2024 Financial Statement

Management is responsible for the accompanying statement of net assets available for plan benefits of Suttle & Stalnaker 401(k) Profit Sharing Plan as of December 31, 2024, and for the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. NOTE 1 DESCRIPTION OF PLAN

The following description of the Suttle & Stalnaker 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Suttle & Stalnaker, PLLC ("Company" or "Employer"). Excluded employees include union employees, leased employees, nonresident aliens, interns and seasonal employees. Employees are eligible to defer into the Plan and receive employer safe harbor contributions upon reaching the age of 21 and are immediately entered into the Plan upon the date of meeting the eligibility requirements. Employees are eligible for discretionary profit-sharing contributions upon reaching age 21 and one year of service (based on 1,000 hours) with entry on the first day of the calendar month, coincident with or next following the date the eligibility requirements are met. The Plan is subject to the provisions of ERISA. The Plan Trustees, as appointed by the Company, are responsible for oversight of the Plan. They determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Each year, participants may contribute a percentage of pre-tax and after-tax (Roth) compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan adopted the SECURE 2.0 Act provision allowing enhanced catch-up contributions for participants ages 60 through 63. Eligible participants may make catch-up contributions equal to the greater of $10,000 or 150% of the standard age-50 catch-up limit, subject to IRS limitations and annual inflation adjustments. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe harbor non-elective contribution of 3 percent of Plan compensation, as defined in the Plan agreement, and a discretionary profit-sharing contribution. To receive the profit-sharing contributions eligible employees generally must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year, subject to certain exceptions provided by the Plan. During the year ended December 31, 2025, the Company made a profit-sharing contribution totaling $210,000. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor non-elective and discretionary profit-sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may not borrow funds from their retirement accounts.

Vesting

Participants are vested immediately in their contributions and employer safe harbor non-elective contributions plus actual earnings thereon. Prior to March 18, 2025, vesting in the Company's discretionary profit-sharing contribution portion of their accounts was based on years of continuous service as shown in the table below. Effective March 18, 2025, the Plan was amended to provide for immediate vesting in discretionary profit-sharing contributions. Participants automatically become fully vested upon reaching normal retirement age (65 years old) or in the event of disability or death.

(Prior to March 18, 2025)
Discretionary Profit-Sharing Contributions

Years	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of employment due to death, disability, retirement, or other reasons, a participant or beneficiary may elect to receive the vested account balance in a lump sum, in substantially equal installments, or in partial withdrawals of at least $10,000, subject to the Plan's terms and applicable minimum distribution requirements. Participant account balances of less than $7,000 that meet the provisions for a mandatory distribution will be directly rolled over into an individual retirement account in the participant's name with a qualified institution designated by the Plan (for distributions between $1,000 and $7,000) or paid in cash (if the balance is $1,000 or less), if the participant does not elect a distribution method. The Plan also permits certain hardship and in-service withdrawals, including withdrawals after attainment of age 59½ and withdrawals from rollover accounts, subject to applicable requirements and minimum distribution amounts.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $0. Forfeitures are used to reduce future Company contributions. During 2025, no forfeitures were used to offset Company contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. Employer safe harbor non-elective contributions and discretionary profit-sharing contributions are recorded and accrued based on compensation paid during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the general administration of the Plan, advisory services, and benefit payments paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust

Valued at the net asset value per unit reported by the trustee. The net asset value is based on the fair value of the trust's underlying investments, which may include guaranteed investment contracts, bank investment contracts, synthetic investment contracts, fixed-income securities, and separate-account contracts.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 23,422,928	$ -	$ -	$ 23,422,928
Investments measured at net asset value*				
Collective Investment Trust				403,376
Total investments, at fair value	$ 23,422,928	$ -	$ -	$ 23,826,304

	Assets at Fair Value as of December 31, 2024 (Compiled)			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 19,025,040	$ -	$ -	$ 19,025,040
Investments measured at net asset value*				
Collective Investment Trust				377,438
Total investments, at fair value	$ 19,025,040	$ -	$ -	$ 19,402,478

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	2025 Fair Value	(Compiled) 2024 Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective Investment Trust Stable Value Fund (a)	$ 403,376	$ 377,438	N/A	Daily	30 days

a) The fund seeks to preserve principal and provide current income through a diversified portfolio of high-quality fixed-income investments and investment contracts. The fund emphasizes liquidity, stability, and capital preservation while maintaining a stable net asset value for participants.

NOTE 4 CERTIFICATION BY THE CUSTODIAN

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to certain investments held as of December 31, 2025, and interest and dividends and net appreciation in fair value of investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, a qualified institution.

NOTE 5 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are held by Empower Trust Company, LLC. Empower is the custodian and recordkeeper for the Plan, and therefore, these transactions qualify as party in interest transactions. The Plan made direct payments for third party administration, recordkeeping, and investment advisory services to certain service providers totaling $69,436 for 2025. Of this amount, $37,508 was paid from the Plan's ERISA expense account using revenue-sharing credits and other fee reimbursements. All other fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments, as they generally are covered by revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Plan maintains an ERISA expense account with Empower Trust Company to hold revenue sharing credits and other fee reimbursements received from certain investment funds. These amounts may be used to offset Plan administrative expenses, including recordkeeping, audit, legal, and other permissible Plan expenses. During the year ended December 31, 2025, administrative expenses of $37,508 were paid from the ERISA expense account. At December 31, 2025 and 2024, the account balance was $5,547 and $7,442, respectively.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 TAX STATUS OF THE PLAN

The Plan adopted a non-standardized pre-approved profit-sharing plan with a cash or deferred arrangement. The Internal Revenue Service issued an opinion letter to the pre-approved plan provider, Metro Benefits Inc., dated June 30, 2020, stating that the form of the plan is acceptable under Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 TAX STATUS OF THE PLAN (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions, generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated events and transactions subsequent to December 31, 2025 through October 12, 2026, the date these financial statements were available to be issued. Based on the definitions and requirements of accounting principles generally accepted in the United States of America, management has not identified any events that occurred subsequent to December 31, 2025 and through October 12, 2026, that require recognition or additional disclosure in the Plan financial statements.
