Independent Auditor's Report

To the Board of Trustees of
Lee Wesley & Associates Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the accompanying financial statements of Lee Wesley & Associates Savings and Retirement Plan (the Plan), an Indiana employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Note 1: PLAN DESCRIPTION

The following description of Lee Wesley & Associates Savings and Retirement Plan (the Plan) is provided for general information purposes only. More complete information regarding the provisions may be found in the Summary Plan Description.

General - The Plan is a defined contribution retirement savings plan, established January 1, 1997. The Plan is sponsored by Lee Wesley and Associates, LLC (the Employer) for the benefit of its full-time employees and those of its affiliate Employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may elect to contribute to the Plan the maximum amount of annual compensation prescribed under the Internal Revenue Code. The Employer may elect to make a discretionary matching contribution and a profit-sharing contribution. For the years ended December 31, 2025 and December 31, 2024, the Employer has not elected to make a matching or profit-sharing contribution. Effective February 1, 2024, the Plan was amended to add an automatic enrollment feature under which eligible employees who do not make an affirmative election are enrolled at a deferral rate of 1% of compensation.

Participant Accounts - Each participant's account is credited with the participant's contributions, allocations of the Employer's contributions and Plan earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

The Plan follows Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 326, *Financial Instruments – Credit Losses*. The standard requires recognition of an allowance that reflects a current estimate of credit losses expected to be incurred over the life of the asset. As of December 31, 2025 and December 31, 2024, there were no allowances for uncollectible receivables for either year end.

Vesting - Participants are immediately vested in their deferral and rollover contributions and earnings. Participants are also immediately vested in employer non-elective contributions and the related earnings. Employer matching contributions and the related earnings vest 25% after two years of service, increasing 25% each year to 100% after five years of service.

Plan Benefits - The benefits to which a participant is entitled are the benefits that can be provided from the participant's individual accounts. Benefits are payable upon retirement or upon total and permanent disability, employment termination, or death. Hardship withdrawals are permitted under the Plan from all participant accounts.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. However, the $50,000 amount in the preceding sentence is reduced by the excess of the highest outstanding loan balance the participant had under the Plan during the previous one-year period over the outstanding balance on the date of the loan. Interest income from participant loans was $996 and $830 for the years ended December 31, 2025 and December 31, 2024, respectively. Participant loans are valued at the amortized cost of the loans as the loans are secured by each respective participant's account balances.

Note 1: PLAN DESCRIPTION (continued)

Plan Termination - Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their accounts.

Corrective Distributions Payable - Amounts payable for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions in accordance with IRS rules and regulations.

Forfeited Accounts - At December 31, 2025 and December 31, 2024, remaining forfeited non-vested accounts totaled $26,000 and $25,155, respectively. These accounts can be used to reduce future employer matching contributions or for the payment of Plan expenses. During December 31, 2025 and December 31, 2024, $-0- were used to pay plan expenses and to reduce employer contributions.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies followed by the Plan are listed below:

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties - The Plan provides for certain investment options. Investment securities are exposed to various risks, such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses may be paid by the Employer or the Plan, at the Employer's discretion.

Note 3: INVESTMENTS

Investments held by the Plan were as follows:

	Year Ended December 31, 2025	Year Ended December 31, 2024
Investments:		
Common collective trust fund	$ 27,094	$ 26,297
Mutual funds	180,973	122,663
	$ 208,067	$ 148,960

The Plan's investments, (including investments bought, sold, and held during the year) appreciated by $20,770 and $9,839 for the years ended December 31, 2025 and December 31, 2024, respectively.

Interest and dividends reported by the Custodian for the years ended December 31, 2025 and December 31, 2024 were $6,074 and $4,384, respectively.

Note 4: FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation of other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments, apply to investments held directly by the Plan.

Mutual funds: The fair values of the mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

Notes to Financial Statements

December 31, 2025 and December 31, 2024

Note 4: FAIR VALUE MEASUREMENTS (continued)

Common collective trust fund: Valued based on calculating a unit value on the net assets of the underlying portfolio of securities, as reported by the manager of the fund. The net asset value is used as the practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan's assets in fair value as of December 31, 2025 and December 31, 2024:

	Fair Value Measurements at Reporting Date			
	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual funds	$ 180,973	$ -	$ -	$ 180,973
Total assets in the fair value hierarchy	$ 180,973	$ -	$ -	180,973
Investments measured at net asset value*:				
Common collective trust fund				27,094
Total investments				$ 208,067

	Fair Value Measurements at Reporting Date			
	Level 1	Level 2	Level 3	Total
December 31, 2024				
Mutual funds	$ 122,663	$ -	$ -	$ 122,663
Total assets in the fair value hierarchy	$ 122,663	$ -	$ -	122,663
Investments measured at net asset value*:				
Common collective trust fund				26,297
Total investments				$ 148,960

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

For the years ended December 31, 2025 and December 31, 2024, there were no significant transfers between levels.

Note 4: FAIR VALUE MEASUREMENTS (continued)

Investments measured using the net asset value per share practical expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of the years ended December 31, 2025 and December 31, 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Invesco Trust Company Invesco Stable Asset Fund ADPZ Class	$ 27,094	$ -	Daily	Twelve Months

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Invesco Trust Company Invesco Stable Asset Fund ADPZ Class	$ 26,297	$ -	Daily	Twelve Months

The Invesco Stable Asset Fund (the Fund) is a collective trust fund of Invesco Trust Company (the Trustee), established exclusively for the collective investment of assets of eligible pension and profit sharing trusts. The Fund's primary investment objectives are to seek the preservation of principal and to provide interest income, consistent with maintaining required liquidity. The Fund invests 100% of its assets in Class C units of the Invesco Stable Value Trust, which invests primarily in synthetic guaranteed investment contracts. The Plan invests in the Fund's ADPZ units.

The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Distributions of net investment income are declared daily, paid monthly, and reinvested in additional units at the month-end NAV.

The Fund issues and redeems units on each business day at the NAV per unit, which is determined at contract value. The Plan, as a participating trust, is required to give the Trustee 12 months' irrevocable written notice of its intent to redeem all or a portion of its participation in the Fund.

Note 5: TAX STATUS

In a letter dated October 6, 2020, the Internal Revenue Service has determined and informed that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject for a period of three years from the date the Form 5500 was filed.

Note 6: PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest is defined under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. All professional fees for the administration and audit of the Plan are paid by the Plan or the Employer. Fees paid by the Plan during the years ended December 31, 2025 and December 31, 2024, for services rendered by parties-in-interest, as defined by ERISA, were based on contractual and reasonable rates for their services.

The Plan invested in a common collective trust fund managed by Invesco Trust Company as of December 31, 2025 and December 31, 2024, and as such, the investment qualifies as a party-in-interest investment.

Additionally, the Plan held notes receivable from participants totaling $12,427 and $9,748 at December 31, 2025 and December 31, 2024, respectively, which qualify as party-in-interest transactions.

Note 7: INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC (ADPRTS) has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025, Note 3, and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025. Reliance Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024, Note 3, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
