INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Novacoast, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Novacoast, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Novacoast, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Novacoast, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Novacoast, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Novacoast, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Novacoast, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

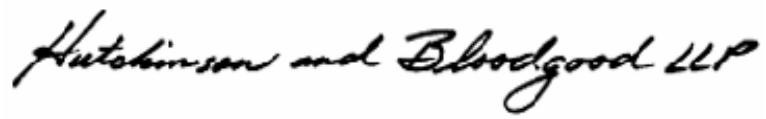

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. PLAN DESCRIPTION

The following description of the Novacoast, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all non-union, non-leased, United States (U.S.) resident employees of Novacoast, Inc. (the "Company") who have attained the age of 21, have completed one year of service, and perform services in offices located in the U.S. The age and service requirements are waived for Federal contract employees hired by the Company after September 1, 2016. The Plan was amended on June 30, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan: Pursuant to services agreements, Reliance Trust Company, the trustee of the Plan, and Automatic Data Processing, Inc., the recordkeeper of the Plan, execute most of the day-to-day administrative activities of the Plan.

Contributions: Each year, participants may contribute up to 90% of pre-tax annual compensation and 100% of pre-tax bonus compensation, as defined in the Plan, subject to the annual limitation imposed by the Internal Revenue Code (IRC), which was $23,500 for 2025. Under IRC regulations, participants who have obtained age 50 before the end of the plan year are eligible to make additional catch-up contributions of up to $7,500. Participants may change their contribution rates or suspend them at any time. Participants may also contribute amounts representing distributions from other eligible retirement plans.

Participants may direct contributions to a selection of registered investment companies and common/collective trusts offered under the Plan's investment contract or a brokerage account offered under the services agreement with the trustee. Participants may change their investment choices daily.

The Company can make discretionary and/or matching contributions to the Plan. The Company's matching percentage and maximum amount are determined annually, prior to the filing of the Company's tax return, and may be changed at any time. Discretionary profit-sharing contributions for the year ended December 31, 2025 were $352,495.

Participant Accounts: A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and is charged with certain administrative expenses. Contributions are allocated to investments in accordance with participant allocation elections.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Net appreciation or depreciation from investments in registered investment companies and common/collective trusts are credited or charged to participant accounts based upon the increase or decrease in the market value per unit of investments held. Dividend income is credited to participant accounts based on units held. The benefits to which a participant is entitled are the benefits that can be provided from a participant's account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary and/or matching contributions plus actual earnings thereon is based on years of service. A participant becomes vested in the Employer's contributions in accordance with the following schedule:

Years of Service	Vested Percentage
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Years of service include all years the participant has worked for the Employer, regardless of the participant's date of enrollment in the Plan or whether there were breaks in years of service.

Notes Receivable from Participants: Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loan term is five years or less unless the loan is for the purchase of a principal residence for which the loan term may be up to 30 years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate which is determined at the date of issuance. Interest rates for the loans are between 4.25% and 9.50%. Loan maturities range from 2026 to 2034. Principal and interest are paid through payroll deduction or by payment to the Company. A loan becomes immediately due and payable upon a participant's termination from employment or death.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a fixed period. At December 31, 2025, all participants who elected to withdraw from the Plan and requested a distribution of their account had received a distribution from the Plan.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Forfeitures: Forfeitures are available to reduce Company contributions and fees to the Plan. For the year ended December 31, 2025, there were forfeitures of $6,831 and total accumulated forfeitures of $52,081 were utilized to reduce the Company's contributions. Unallocated forfeitures were $7,007 and $51,870 at December 31, 2025 and 2024, respectively.

Administrative Expenses: Administrative expenses, other than loan processing fees, check fees and investment management fees for participant brokerage accounts are paid by the Company on behalf of the Plan. Plan administrative expenses paid by the Company for 2025 plan year were approximately $23,500. In addition, certain plan administrative functions are performed by employees of the Company at no charge to the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator and management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments in registered investment companies are traded on a national securities exchange and are stated at fair value on the basis of the closing quoted price on the last trading day of the year. The Plan's investments in common/collective trusts are stated at the net asset value based on the fair value of the assets held in the trust on the last trading day of the year. Purchases and sales of securities are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Dividend income and the net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for plan benefits.

Fair Value Measurements: The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments or which all significant inputs are observable, either directly or indirectly;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on an accrual basis. Delinquent participant loans are recorded as distributions to participants.

Payment of Benefits: Benefits are recorded as expenses when paid.

Subsequent Events: Management has evaluated subsequent events through October 13, 2026, the date that the financial statements were available to be issued.

NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The trustee of the Plan certified certain information and the certified information was not audited in accordance with the plan administrator's instructions and as permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The trustee certified investments held as of December 31, 2025 and 2024 totaling $30,048,469 and $24,562,320, respectively, and net investment income for the year ended December 31, 2025, totaling $3,931,700. In addition, the trustee certified notes receivable from participants as of December 31, 2025 and 2024 totaling $265,974 and $197,129, respectively, and related interest income on notes receivable from participants for the year ended December 31, 2025, totaling $21,496.

NOTE 5. PLAN TERMINATION

Although the intention of the Company is to continue the Plan indefinitely, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 6. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date. As a result, the Plan has not provided for Federal or applicable state income taxes.

Uncertain Tax Positions: Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, the plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2022.

Net increase in net assets available for benefits per Form 5500	$	5,727,786

The following is a reconciliation of changes in net assets available for benefits as reported on the financial statements to the Form 5500 for the year ended December 31, 2024:

Net assets available for benefits per financial statements	$	24,798,287
Add: Corrective distributions payable		138,260
Net assets available for benefits per Form 5500	$	24,936,547

NOTE 8. CONCENTRATIONS

As of December 31, 2025, the Plan held three investments that account for approximately 47% of net assets available for benefits.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. PARTY-IN-INTEREST TRANSACTIONS

Automatic Data Processing, Inc. provided services as a recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the recordkeeper for administrative services were $4,380 for the year ended December 31, 2025.
