Click's 401(k) Plan
362 Oaks Trail, Ste 122

Dear Robin:

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Click's 401(k) Plan (the Plan) as of and for the year ended December 31, 2025 and have issued our report thereon dated October 12, 2026. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated August 10, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in

the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

Matters related to our planned audit scope and timing were communicated to you in our engagement letter dated August 10, 2026. During the performance of our audit, there were no significant changes to our audit scope, the nature and timing of the procedures we anticipated performing and the completion of our audit.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Auditing standards generally accepted in the United States of America require that we communicate at least annually with you regarding all relationships between our firm and the Plan and those in financial reporting oversight roles within the Plan that may reasonably be thought to bear on our independence. We are not aware of any relationship between our firm and the Plan that may reasonably be thought to bear on our independence. During 2025, we assisted in the preparation of the Plan's financial statements and footnotes.

We do not believe this service impacted our independence. We did not provide any other non-audit-related services, which might impact or bear on our independence. Furthermore, we confirm to you that during the year ended December 31, 2025 and through the date of this letter, we have been and remain independent with respect to the Plan.

Significant Risks Identified

We have identified the following significant risks that were identified to you during the planning stage of our audit—no changes have been made to these risks:

a. Contributions, specifically whether such contributions have been properly recognized in accordance with generally accepted accounting principles, whether contributions and plan compensation has been calculated correctly, and whether contributions are timely remitted in accordance with DOL rules and regulations.

b. Lack of segregation of duties, specifically with regard to a management override of the Company's system of internal controls

Qualitative Aspects of Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. During the year ended December 31, 2025, management did not make any significant estimates or judgments throughout the normal course of the Plan's operations.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan financial statements relate to fair value estimates of mutual fund investments.

In addition, during the year ended December 31, 2025, there were several new accounting pronouncements issued by the various organizations that promulgate accounting standards. However, none of these newly issued standards will materially impact your financial reporting process and no new accounting standards were formally adopted by the Plan.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We encountered no significant unusual transactions during our audit.

Identified or Suspected Fraud

We have not identified or have obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties during our audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. This includes the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Our audit procedures noted no known uncorrected misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representation Requested from Management

During our audit, we requested certain representations from management in writing. A copy of these representations, commonly referred to as a 'management representation letter,' was previously provided to you. We would be pleased to discuss with you any of the specific representations made by management during our audit.

Consultation with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all of the relevant facts. To our knowledge, there were no such consultations with other accountants concerning auditing or accounting matters.

Significant Issues Discussed, or Subject to Correspondence, with Management

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year, including matters discussed prior to retention as auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.
