Independent Auditor's Report

Plan Administrator of
Blackbaud, Inc. Employees' Benefit Plan
Charleston, South Carolina

Opinion

We have audited the financial statements of Blackbaud, Inc. Employees' Benefit Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Blackbaud, Inc. Employees' Benefit Plan as of December 31, 2025 and 2024, and the changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blackbaud, Inc. Employees' Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Blackbaud, Inc. Employees' Benefit Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Blackbaud, Inc. Employees' Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Blackbaud, Inc. Employees' Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of Plan

General

The following description of the Blackbaud, Inc. Employees' Benefit Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan provides healthcare benefits and other benefits for eligible employees and their dependents of Blackbaud, Inc. (the "Sponsor" or "Employer") and its wholly owned subsidiaries who have: (a) made application to become a participant and (b) authorized the plan Sponsor to withhold a portion of the cost of benefits from their wages. Management believes that the Plan is an "Employees' Welfare Benefits Plan" as described in Title I, III, of the Employee Retirement Income Security Act of 1974 ("ERISA") as amended. The Plan is subject to the provisions of ERISA.

Administration of the Plan

The Plan is funded in part by contributions made through payroll deductions by participating employees and those participants who have been separated from service pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). The employees' contributions are determined annually, in advance, by the Plan Sponsor. Employer contributions, representing the balance of funds necessary for the Plan's operations, are contributed as needed from the general assets of the Sponsor.

The Sponsor's human resources department oversees the enrollment of eligible employees and maintains records of plan participants. Routine administrative functions and benefit claims administration are provided by third-party administrators. Funds used for benefit payment expenses in respect of the Plan were transmitted by the trustees of the Blackbaud, Inc. Employees' Benefit Trust to the administrators' funds account on a reimbursement basis.

The Plan's record-keeping, adjudication and disbursement of medical expense claims up to the self-funded $300,000 threshold is delegated to the administrators, which provide the Sponsor a monthly accounting of the Plan's financial activity, including copies of check registers, a summary of expenses paid, a listing of persons for whom benefits are paid, and the amounts of such payments.

Benefits

The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short and long-term disability benefits, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through COBRA.

The Plan fully insures the life insurance benefits, accidental death and disability benefits, and long-term disability benefits. The Sponsor purchases annual insurance contracts for these insured benefits. All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Group Life Insurance

Death benefits (group term life insurance and accidental death and dismemberment insurance and long-term disability insurance) are provided pursuant to a policy of insurance issued by a regulated insurance company of the Sponsor's choice. Premiums for such insurance are determined annually by the insurer based on the age, sex, and volume of insurance in-force on a date selected by the insurer.

Amounts of group life, long-term disability, accidental death, and dismemberment insurance are allocated to each plan participant according to a non-discriminatory schedule (as that term is defined in Internal Revenue Code ("IRC") 79) based on conditions pertaining to such participants' employment in the service of the Sponsor.

It is management's opinion that benefits paid to named beneficiaries of plan participants, on account of death, are excludible from such beneficiaries' income pursuant to the provisions of IRC 101(a).

Stop Loss Coverage

The Plan maintains excess risk insurance in an effort to limit its exposure for self-insured benefits including individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims. For the year ended December 31, 2025, benefits paid for health claims exceeding $300,000 for any individual participant per coverage period, are covered by the excess risk insurance and are reimbursable to the Plan. The Plan recorded reimbursements for excess risk insurance of approximately $2,380,000 which is reported as a reduction of benefit payments in the accompanying financial statement for the year ended December 31, 2025.

Prescription Drug Rebate Program

The Plan utilizes a pharmacy benefit manager which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs. Rebates due from the pharmacy benefit manager are recorded when the rebate measures are achieved based on information provided by the benefit manager. Refunds due as of the financial statement date have been reported as a receivable, with a corresponding credit to benefit payments. The Plan recorded pharmacy rebates totaling approximately $1,856,000 that are reported as a reduction of benefit payments in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions. Areas requiring significant estimates include the health claims incurred but not reported.

Contributions

Contributions from Plan participants and employer contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation.

Payment of Benefits

Claim payments are recorded when paid by the third-party processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as claims payable. Short-term disability payments are processed through the Company's payroll system and paid from the general assets of the Company. These payments are recorded as claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Administrative Expenses

The Plan's administrative expenses consist primarily of fees paid to third-party claims administrators, the actuary and other service providers. Administrative expenses are paid by the Sponsor, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

Note 3. Health Claims Payable and Incurred but not Reported

Benefit obligations consist of claims for health benefits that have been reported, but remain unpaid, and an estimate of claims for benefits that may have been incurred but remain unreported as of the end of the year. Plan obligations as of December 31, 2025 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. The estimate is based upon the monetary value of claims reported during the year, the Plan's historical experience of lag time between date of eligible service and the related claim payment, as well as an estimate of healthcare cost increases based on industry experience.

Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these judgments and assumptions in the near term would be material to the financial statements.

Note 4. Exempt Party-in-Interest Transactions

The Plan does not consider employer contributions to the Plan to be party-in-interest transactions. The Sponsor provides certain accounting and administrative functions to the Plan for which no fees are charged. Additionally, the Sponsor pays certain administrative expenses of the Plan.

As described in Note 1, the Plan has arrangements with various service providers. These transactions are considered exempt party-in-interest transactions under ERISA.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6. Tax Status

The provisions of IRC 419A(g)(1), relative to unrelated business income of the Plan, and IRC 419A(c)(1), relative to qualified asset funding limitations are applicable for the Plan years ended December 31, 2025 and 2024. The Plan's resident assets at December 31, 2025 and 2024 did not exceed the qualified asset funding limitations prescribed and, therefore, no unrelated business income as defined in IRC 512(a)(3) or tax obligation was incurred. In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.
