Independent Auditor's Report

The Administrative Committee
Joyce Koons Honda Buick GMC 401(k) Plan and Trust
Manassas, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Joyce Koons Honda Buick GMC 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Joyce Koons Honda Buick GMC 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Joyce Koons Honda Buick GMC 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Joyce Koons Honda Buick GMC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Joyce Koons Honda Buick GMC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Joyce Koons Honda Buick GMC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters - Supplementary Schedule Required by ERISA (Continued)

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. PLAN DESCRIPTION

The following description of Joyce Koons Honda Buick GMC 401(k) Plan and Trust (the Plan) provides only general information. Additional information regarding the Plan's provisions is contained in the plan document.

General

The Plan, adopted in 1984, is a defined contribution 401(k) plan for the benefit of the employees of Koons of Manassas, Inc. d/b/a Joyce Koons Honda Buick GMC (the Company). Employees age eighteen or older are eligible to participate in the Plan at the first of the month following three months of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to contribute to the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Their deferral percentage automatically increases by 1% each year until it reaches a maximum of 10% of compensation. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The plan sponsor may make discretionary matching contributions at the election of the plan sponsor's board of directors. The plan sponsor's discretionary matching contributions will not exceed $700 per participant and are allocated based on the participant's eligible compensation during the plan year. The plan sponsor may also make discretionary profit-sharing contributions at the election of the plan sponsor's board of directors. Participants must have completed 1,000 hours of service and be employed on the last day of the plan year to receive discretionary profit-sharing contributions. Employer matching and profit-sharing contributions are subject to certain limitations under the IRC. The plan sponsor made discretionary matching contributions totaling $70,491 for the year ended December 31, 2025. The plan sponsor did not make any discretionary profit-sharing contributions for the year ended December 31, 2025.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings. Allocations are based on participants' earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. PLAN DESCRIPTION (CONTINUED)

Vesting

Each participant is immediately vested in his or her voluntary contributions, plus earnings thereon. Vesting in the remainder of the participant's account balance is determined by years of service. Employers' matching contributions and profit-sharing contributions are subject to a vesting schedule.

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant becomes fully vested upon reaching normal retirement age, age 65, or in the case of death or disability.

Notes Receivable from Participants

Participants may borrow from their vested account balances up to a maximum equal to the lesser of $50,000 or 50% of their total vested account balances. There is also a minimum loan amount of $1,000. Loan terms range from one to five years. If the loan is for the purchase of a principal residence, the plan administrator may permit a longer repayment term. Each loan is secured by a pledge of up to 50% of the participant's vested account balance and bears interest at prime plus one percentage point at the time funds are borrowed. Principal and interest are paid ratably through weekly payroll deductions. Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2025, interest rates on outstanding notes ranged from 4.25% to 9.50%.

Benefit Payments

On termination of service due to death, disability, retirement, or on account of financial hardship, as defined in the IRC, a participant's benefits are payable in the form of a lump sum, installment payments, or a life annuity equal in value to the vested balance in his or her account.

If a participant leaves the Plan and forfeits all or part of his or her accrued benefit and is reemployed within five years, the accrued benefit is restored when the participant is reemployed. If the participant receives a distribution of his or her vested benefit upon termination, the distribution must be repaid for restoration to occur. The restoration is derived first from forfeitures and then from income in the year of restoration.

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used to pay plan expenses. If there are still forfeitures remaining after the expenses are paid, they are used to reduce future Company's contributions. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled $3,219 and $4,827 respectively. During 2025, $17,095 of these accounts were used to reduce the employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses

Certain administrative expenses are paid by the Plan and are allocated proportionately to participant account balances. The Company absorbs other costs related to managing the Plan.

Basis of Accounting

The Plan maintains its books and presents its financial statements under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. Units of the common/collective trusts investments are valued based on net asset value per share provided by the manager of the fund. Net appreciation (depreciation) includes the Plan's gains and losses in investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest is accrued when earned.

Benefit Payments

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, ADP Retirement Trust Services, LLC, the trustee of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedule are complete and accurate.

	2025	2024
Investments, at Fair Value	**$ 11,393,187**	$ 9,338,507

Dividends	**689,429**	*
Net Investment Return	**$ 1,594,025**	

* Prior year information not required.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Registered Investment Companies: The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

Common/Collective Trusts: The fair value of common/collective trust funds is based on net asset value (NAV) on the last business day of the plan year provided by the entity holding the trust funds. The NAV of the common collective trusts is used as a practical expedient to estimate fair value and is determined by the trustee based on the fair value of underlying assets in the trusts, less the liabilities. Investments in all common/collective trust funds can be redeemed immediately at the current net asset value. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2025 and 2024.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Fair Value	Level 1	Level 2	Level 3
December 31, 2025				
Mutual Funds	**$ 11,263,300**	**$ 11,263,300**	**$ -**	**$ -**
Total	**11,263,300**	**$ 11,263,300**	**$ -**	**$ -**
Investments Measured at Net Asset Value*	**129,887**			
Investments at Fair Value	**$ 11,393,187**			
December 31, 2024				
Mutual Funds	$ 9,228,535	$ 9,228,535	$ -	$ -
Total	9,228,535	$ 9,228,535	$ -	$ -
Investments Measured at Net Asset Value*	109,972			
Investments at Fair Value	$ 9,338,507			

* In accordance with ASU 2015-07, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

	Fair Value 2025	Fair Value 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/Collective Trust	**$ 129,887**	$ 109,972	$ -	Daily	None

The preceding methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. CONCENTRATIONS

Investments of the Plan representing 15% or more of net assets available for benefits as of December 31, 2025 and 2024, are as follows:

	2025		2024	
American Funds 2035 Target Date Rtmt Fund	**$ 2,034,455**	**18%**	$ 1,824,163	19%

6. PLAN TERMINATION

While the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts. Also, upon such termination, the commitment of the Company to make contributions shall terminate.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of differences in additions and deductions for the years ended December 31, 2025 and 2024, per the financial statements to the Form 5500:

	2025	2024
Net Assets Available for Benefits - Financial Statements	**$ 11,539,494**	$ 9,441,446

Total Deductions - Financial Statements	**$ 524,439**	
Deemed Loan Distributions, Prior Year	**6,762**	
Deemed Loan Distributions, Current Year	**3,480**	
Total Expenses - Form 5500	**$ 534,681**	

9. RELATED PARTY TRANSACTIONS

The Plan's investments are managed by ADP Retirement Trust Services, LLC. ADP Retirement Trust Services, LLC, is the trustee of the Plan and therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. Administrative fees paid from the Plan to ADP Retirement Trust Services, LLC, totaled $10,982 during the year ended December 31, 2025.

10. TAX STATUS

The Plan has adopted a volume submitter plan (VSP) which received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the VSP is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan sponsor and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified and the related trust is tax-exempt.

Uncertain Tax Positions

The Plan meets the requirements of the IRC and ERISA to qualify as exempt from federal income taxes.

10. TAX STATUS (CONTINUED)

Uncertain Tax Positions (Continued)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements.

Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA.

The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended December 31, 2025.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the year ended December 31, 2025.

11. CONTINGENCIES

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020; the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) was signed into law December 29, 2019; and the SECURE 2.0 Act of 2022 (SECURE 2.0) was signed into law on December 29, 2022.

Among other changes, these laws provided coronavirus-related relief for participant loans and distributions, suspended and later delayed the commencement date for required minimum distributions, and modified various contribution, distribution, and administrative provisions applicable to the Plan. The Plan has operated in accordance with the applicable provisions of the CARES Act, the SECURE Act, and SECURE 2.0, and will be formally amended for the provisions that apply to the Plan in accordance with applicable law and IRS guidance. Under Notice 2024-2, the IRS extended the deadline for retirement plans to adopt the amendments required by the SECURE Act, the CARES Act, and SECURE 2.0 until December 31, 2026.

12. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 5, 2026, the date on which the financial statements were available to be issued.
