INDEPENDENT AUDITOR'S REPORT AND ACCOUNTANT'S REPORT

To the Plan Administrator of
Hands of Healing Residential Treatment Center, Inc. 401(k) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of the Hands of Healing Residential Treatment Center, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the 2025 financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The information in the accompanying 2025 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Doeren Mayhew" is the brand name under which Doeren Mayhew Assurance, PC and Doeren Mayhew Advisors, LLC and its subsidiary entities provide professional services. Doeren Mayhew Assurance, PC and Doeren Mayhew Advisors, LLC (and its subsidiary entities) practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. Doeren Mayhew Assurance, PC is a licensed independent CPA firm that provides attest services to its clients, and Doeren Mayhew Advisors, LLC and its subsidiary entities provide tax and business consulting services to their clients. Doeren Mayhew Advisors, LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the 2025 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2025 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2025 financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2025 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2025 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the 2025 financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation Report on the 2024 Financial Statements

Plan management is responsible for the accompanying financial statement of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2024, and the related notes to the financial statement in accordance with GAAP. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial statement.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025

Note 1 - Description of the Plan

General

The Hands of Healing Residential Treatment Center, Inc. 401(k) Plan (the Plan) is a defined contribution plan established for the benefit of eligible employees of Hands of Healing Residential Treatment Center, Inc. (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following information is as of December 31, 2025, unless otherwise noted, and is provided for general information purposes only. Participants should refer to the Plan Adoption Agreement for a more complete description of Plan's provisions.

Administration of the Plan

The Plan Sponsor and named Plan Administrator is Hands of Healing Residential Treatment Center, Inc. The Plan Administrator is responsible for oversight of the Plan. For the year ended December 31, 2025, the Trustee of the Plan was ADP Retirement Trust Services, LLC. For the year ended December 31, 2024, the Trustee was Reliance Trust Company. Among other duties, the Trustee receives contributions, holds and invests assets in accordance with the directions of the participants, and makes disbursements as directed by the Plan Administrator. The recordkeeper of the Plan is ADP Retirement Services, a division of ADP, Inc.

Eligibility

The Plan covers all eligible employees of the Employer, except for nonresident aliens, Puerto Rican employees, and foster parents. Employees are eligible to participate in the Plan upon attainment of age 21 and after completion of 12 consecutive months of service with 1,000 hours of service. The Plan has monthly entry dates.

Participant Contributions

Participants may elect to have the Employer contribute a portion of their compensation to the Plan as elective pre-tax deferrals. These deferrals may not be less than 1% or greater than 90% of an employee's eligible compensation for the year. The Plan also allows participants to make after-tax Roth contributions. Individuals who reach the age of 50 prior to the end of the calendar year are eligible to make additional catch-up contributions.

Upon meeting the Plan eligibility requirements, participants are automatically enrolled with a contribution rate of 1% of eligible compensation, beginning with the first day of the following month. The Plan does not have a deferral escalation feature.

Participants may also elect to roll over distributions from a former employer's qualified retirement plan and traditional IRAs.

Participant contributions made to the Plan must meet certain limitations imposed by the Internal Revenue Code (the Code). Participants direct the investment allocation of all contributions.

Employer Contributions

The Employer makes a fixed matching contribution equal to a uniform percentage of the participant's contribution, including catch-up contributions. For the year ended December 31, 2025, the Employer match contribution is 100% of a participant's contribution up to the first 3% of eligible compensation.

Continued

Additional discretionary profit-sharing contributions may be made by the Employer. No discretionary profit-sharing contributions were made for the year ended December 31, 2025.

Employer contributions made to the Plan must meet certain limitations imposed by the Code. Participants direct the investment allocation of all contributions.

Payment of Benefits

On termination of service, participants with account balances greater than $7,000 may elect to receive a lump-sum distribution of their account balance. Alternatively, they may elect installment payments, partial withdrawal, or a rollover of their account balance to another qualified account. The distributable amount is equal to the value of the participant's vested interest in his or her account. Those participants whose account balances exceed $7,000 may also elect to defer the distribution of their Plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of Employer contributions. Special rules apply to distributions due to death, disability and retirement. Participants should refer to the Plan Adoption Agreement for details.

On termination of service, participant accounts less than $7,000 are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent.

The Plan allows for in-service distributions of $500 or more upon attainment of age 59 1/2 from vested account balances. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age of $500 or more due to financial hardship from vested account balances.

Notes Receivable from Participants

Loans are only permitted whereby the participants may borrow from their accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance less the participant's highest outstanding loan balance during the preceding 12 months. The loans are secured by the balance in the participant's account. Participants may are allowed to only have one loan outstanding at a time. The maximum term of a loan is five years, unless for the purchase of a primary residence, in which case the term may be thirty years.. The interest rate is equal to 2% above prime rate and fixed at the time of borrowing. Principal and interest are generally paid ratably through payroll deductions.

Forfeitures

Forfeitures attributable to terminated participants' non-vested accounts are allocated to a forfeiture account and are used to either pay for certain Plan expenses or reduce Employer contributions. For the year ended December 31, 2025, forfeitures of $5,504 were used to reduce Employer contributions. Forfeitures available for use as of December 31, 2025 and 2024 were $20 and $20, respectively.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and are 20% vested in Employer match or discretionary profit-sharing contributions after one year with an additional 20% for each year thereafter until the participant is 100% vested. A participant is also 100% vested in the Employer contributions plus earnings upon attainment of age 65 or upon termination prior to age 65 due to death or disability. Participants whose services terminates prior to age 55 for reasons other than retirement, death, or disability are eligible to receive accumulated Employer contributions, if any, and interest thereon based on years of continuous service.

Continued

Participant Accounts

Each participant's account is credited with the participant's contributions and applicable Employer contributions. Participant accounts are invested as directed by participants in any one or more of several investment alternatives. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions. The investment fund income, gain or losses are allocated daily to the applicable participants' accounts in that fund based on the previously reported account balances, adjusted for current period contributions and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis and present the net assets available for benefit and changes in those net assets in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of the financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the participant contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when distributed.

Continued

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees and expenses relating to the day-to-day Plan operations are paid by the Plan. Certain investment related expenses are included in the net appreciation in fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 14, 2026, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520-103-8 of the Department of Labor's Rules and Regulations for Reporting under ERISA. As permitted under such election, the following information has been certified by either ADP Retirement Trust Services, LLC or Reliance Trust Company as to its completeness and accuracy and was not subject to any auditing procedures performed by the Plan's independent auditor:

- All investment balances reflected in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024,
- All investment income reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025,
- Notes receivable from participants as of December 31, 2025 and 2024, and the related interest income on notes receivable from participants for the year ended December 31, 2025.
- All investment related information included in the supplemental schedule H, Line 4(i) - schedule of assets (held at end of year) as of December 31, 2025.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable, and inputs that are derived principally from or corroborated by observable make data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024:

Registered Investment Companies (RICs) are valued at the daily closing price as reported by the fund. These RICs are registered with the Securities and Exchange Commission and are required to publish their daily net asset value (NAV) and to transact at that price. The RICs held by the Plan are deemed to be actively traded.

Common Collective Trust (CIT) is not publicly traded and is measured at fair value based on the fair value of the underlying assets of the respective trust, using NAV as the practical expedient. The CIT is considered a stable value fund and the investments underlying the CIT primarily include U.S. Treasuries, corporate bonds, mortgage backed securities and asset backed securities.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	As of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 610,254	$ -	$ -	$ 610,254
Investment measured at net asset value [(a)]				3,518
Investment at fair value				$ 613,772

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31, 2024:

	As of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 268,785			$ 268,785
Investment measured at net asset value [(a)]				1,570
Investment at fair value				$ 270,355

(a) In accordance with Subtopic 820-10, the common collective trust was measured using net asset value per share as a practical expedient and accordingly has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

Continued

Additional disclosures for entities that use NAV as a practical expedient to measure fair value are as follows as of December 31:

	As of December 31,				
	2025 Fair Value	2024 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	$ 3,518	$ 1,570	None	Daily	Daily

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all their Employer contributions.

Note 6 - Tax Status

The Plan is utilizing a non-standardized pre-approved plan document sponsored by ADP, LLC (the non-standardized plan). The non-standardized plan has been filed with the IRS and has received a favorable opinion letter dated October 6, 2020. The Plan Sponsor has elected not to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. Although the Plan has been amended since receipt of the favorable opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified under Section 401(a) and that the related trust is tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2025 and 2024, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

The Plan adopted mandatory provisions of the SECURE Act 2.0. Written amendments to the Plan document to reflect these operational changes will be executed at a later date in accordance with deadlines pursuant to applicable laws and IRS guidance.

Note 7 - Related Party and Party-in-Interest Transactions

For the year ended December 31, 2025, the Plan paid direct compensation to the recordkeeper of $5,405 related to recordkeeping and administration.

Note 8 - Risks and Uncertainties

The Plan provides for various investments that, in general, are exposed to risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
