Independent Auditors' Report

To the Board of Directors of
Unique People Services, Inc. as Sponsor of the
Unique People Services 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Unique People Services 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Unique People Services 401(k) Profit Sharing Plan (the "Plan") provides only general information. Readers should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

GENERAL

The Plan is a defined contribution 401(k) plan covering all full or part-time employees of Unique People Services, Inc. (the "Employer" or "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments. The effective date of the Plan was January 1, 2001 and it was amended on January 15, 2014 and May 26, 2022.

ELIGIBILITY

All employees who have completed twelve months and 1,000 hours of service, are age 18 or older and are not subject to a collective bargaining agreement are eligible to participate in the Plan. Participation in the Plan begins on the first day of each calendar month of the Plan year coincident with or immediately following the satisfaction of the eligibility requirements. Effective January 15, 2014, employees were allowed to participate and contribute their own money to the Plan upon hire.

CONTRIBUTIONS

Each year, participants may elect to contribute a percentage of their pre-tax annual compensation limited to the amounts prescribed by the Internal Revenue Code (the "Code"). Participants who make elective deferrals and who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Sponsor's profit-sharing contributions to the Plan are made at its discretion. Effective on July 1, 2018, the Sponsor's profit-sharing contributions were 5% of the participants' pre-tax annual compensation. However, participants must have completed twelve months and 1,000 hours of service, are age 18 or older, and are not subject to a collective bargaining agreement in order to be eligible to receive profit-sharing contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's profit-sharing contributions, Plan earnings and administrative expenses. Allocations are based on participant earnings, deferrals or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service and is as follows:

Effective May 26, 2022

Years of Service for Vesting	Percentage
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years and more	100%

All employees hired before January 15, 2014 were grandfathered to the vesting schedule prior to that date, which was as follows:

Years of Service for Vesting	Percentage
Less than 1 year	20%
1 year, but less than 2 years	40%
2 years, but less than 3 years	80%
3 years or more	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the present value of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with the prime rate of interest charged by the Employer's commercial bank plus 1.0%. Loan repayments are made ratably through payroll deductions over a period not to exceed five years, except for the purchase of a principal residence which may be repaid within a reasonable time determined at the time the loan is made. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant. Effective January 15, 2014, participants are allowed a maximum of only two concurrent outstanding loans at any point in time.

Loan balances of $87,516 and $68,089 during 2025 and 2024, respectively, were defaulted on and reported as deemed distributions in the accompanying financial statements.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

Participants may make withdrawals from their accounts at age 59½ or prior to that age in the case of hardship, provided all other resources are already utilized, including loans from the participants' accounts. Upon termination of service due to death, disability or retirement, a participant or participant's beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

FORFEITED ACCOUNTS

As of December 31, 2025 and 2024, unapplied forfeited accounts totaled $26,266 and $82,114, respectively. These accounts are generally used to reduce future Employer contributions. In 2025 and 2024, employer contributions were reduced by $58,259 and $63,642 from forfeited nonvested accounts, respectively. During the years ended December 31, 2025 and 2024, the forfeiture account increased by $55,848 and $6,162, respectively.

ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan are paid directly by the Sponsor. Administrative expenses recorded by the Plan represent custodian fees and other recordkeeping fees paid directly from the Plan to the Plan's custodian. Loan fees are deducted directly from the participant's account.

REGULATORY COMPLIANCE AFFECTING RETIREMENT PLANS

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 for participants over 72 after January 1, 2020. Plans were required to be formally amended for certain other changes if adopted on or before the last day of the 2023 plan year.

The SECURE Act 2.0 (SECURE 2.0) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030. The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024.

In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

REGULATORY COMPLIANCE AFFECTING RETIREMENT PLANS (CONTINUED)

participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year.

Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits payments to participants are recorded upon distribution.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information for 2025 and 2024 was certified as complete and accurate by Empower Annuity Insurance Company of America ("Empower"), formerly Massachusetts Mutual Life Insurance Company ("Mass Mutual"), the Plan's custodian and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

The Plan's assets certified by the Plan custodian consisted of the following as of December 31:

	2025	2024
Fair Value		
Separate accounts	$ 9,085,637	$ 7,296,039
Contract Value		
Guaranteed investment account	$ 965,958	$ 763,878
Notes Receivable from Participants	$ 456,278	$ 455,209

Investment income consists of the following for the years ended December 31:

	2025	2024
Net appreciation of separate accounts	$ 1,189,956	$ 870,196
Interest income on fixed accounts	27,213	21,066
Total Investment Income	$ 1,217,169	$ 891,262
Interest income on notes receivable from participants	$ 44,997	$ 32,039

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Separate Accounts

Separate accounts are valued using net asset value ("NAV") of shares held at year end as determined by the issuer of the fund as a practical expedient.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments in Entities that Use NAV as a Practical Expedient:
The following tables summarize the investments in separate accounts measured at fair value using NAV per share as a practical expedient:

	As of December 31, 2025			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Separate Accounts (1)	$ 9,085,637	None	Daily	None

	As of December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Separate Accounts (1)	$ 7,296,039	None	Daily	None

(1) **Separate Accounts:** The primary objectives of these accounts are to approximate the risk and return characteristics of the S&P 500 index. This index is commonly used to represent the large cap segment of the U.S. equity market. To achieve its objective, the accounts employ a replication technique which generally seeks to hold each index constituent in its proportional index weight. The accounts may make limited use of futures and/or options for the purpose of maintaining equity exposure.

NOTE 5 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY – INFORMATION PREPARED AND CERTIFIED BY THE INVESTMENT CUSTODIAN AS COMPLETE AND ACCURATE

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower, formerly Mass Mutual, totaling $965,958 and $763,878 in 2025 and 2024, respectively. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTE 5 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY – INFORMATION PREPARED AND CERTIFIED BY THE INVESTMENT CUSTODIAN AS COMPLETE AND ACCURATE (CONTINUED)

The crediting rate is based on a formula established by the contract issuer, but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity-wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments as of December 31, 2025 and 2024 are shares of separate accounts and a guaranteed investment account managed by Empower who is also the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Generally, Plan administrative fees were paid by the Sponsor. The Plan allows participants to take loans against their account balances, which are considered exempt party-in-interest transactions.

Administrative expenses paid for by the Plan amounted to $27,151 and $12,404 for the years ended December 31, 2025 and 2024, respectively.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Sponsor contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

NOTE 8 – TAX STATUS

The Sponsor has obtained an Internal Revenue Service opinion for the non-standardized pre-approved profit sharing plan with cash or deferred arrangement ("CODA") issued to Associated Pension Consultants, Inc., dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – REFUND OF EXCESS CONTRIBUTIONS LIABILITY

At December 31, 2025, certain participant contributions were deemed to be excess contributions under the Code. Such contributions and the related investment earnings thereon were refunded to Plan participants in the amount of $6,374. In addition, the Plan failed the 2025 ADP/ACP non-discrimination test, requiring corrective distributions of $9,470. The total liability for excess contributions and corrective distributions of $15,844 was recorded in the Plan's financial statements as of December 31, 2025.

NOTE 11 – DELINQUENT PARTICIPANT CONTRIBUTIONS

In accordance with the DOL's Regulation 2510.3102, an employer is required to segregate participants' contributions from its general assets as soon as practical, but in no event later than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages for a pension benefit plan such as the 401(k) Plan. In 2025, the Sponsor failed to timely remit three payments totaling $97,258 for participant contributions withheld during the year ended December 31, 2025. During 2026, the Plan Sponsor remitted any lost earnings to the affected participants.

Contributions for certain payroll periods in 2024 totaling $62,028, were not remitted by the Sponsor to the recordkeeper within the time period prescribed by Department of Labor regulations. As of December 31, 2025, these delinquent contributions have been fully corrected and any lost earnings have been remitted in accordance with applicable Department of Labor requirements, including the Voluntary Fiduciary Correction Program, as applicable.

NOTE 12 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 13, 2026, the date the financial statements were available to be issued.
