Independent Auditor's Report

To the Plan Administrator
Empire Industries, Inc. 401(k) Profit Sharing Plan
Manchester, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Empire Industries, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025, and for the year ended December 31, 2025, from ADP Retirement Trust Services, LLC, the Plan's trustee effective January 1, 2025, and as of December 31, 2024, from Reliance Trust Company, the Plan's former trustee. These certifications state that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. EMPIRE INDUSTRIES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024
AND FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 - DESCRIPTION OF THE PLAN:

The following description of Empire Industries, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan was adopted January 1, 1978 as a 401(k) plan. The Plan is a defined contribution retirement plan covering eligible employees of Empire Industries, Inc. (the "Company"), subject to the Plan's eligibility requirements and exclusions. In general, employees must attain age 18 and complete six consecutive months of employment during which they complete 1,000 Hours of Service. If an employee does not complete 1,000 Hours of Service during the initial six-month period, the service requirement may alternatively be satisfied by completing a Year of Service, as defined in the Plan. Eligible employees generally enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following satisfaction of the eligibility requirements.

Effective January 1, 2025, eligible long-term part-time employees may also become eligible to make elective deferrals upon completing two consecutive years of service with at least 500 Hours of Service in each year, subject to the applicable Plan provisions. The Plan excludes certain leased, part-time, temporary, seasonal, and other employees as provided in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan management is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, as well as monitoring investment performance and reports.

Contributions:

Each year, participants may contribute up to 90 percent of eligible annual compensation in the form of pre-tax deferral and/or after tax (Roth) deferral contributions, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Pursuant to the SECURE 2.0 Act, effective January 1, 2025, participants who attain ages 60 through 63 during the Plan year are eligible for an increased catch-up contribution limit, subject to applicable IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated managed allocation fund until changed by the participant.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED):

Contributions (continued):

The Company makes a safe harbor matching contribution equal to the sum of 100 percent of the amount of the participant's elective deferrals that do not exceed 3 percent of eligible compensation, plus 50 percent of the amount of participant's elective deferrals that exceed 3 percent of eligible compensation but do not exceed 5 percent of eligible compensation. Annual discretionary employer profit-sharing amounts may be contributed at the option of the Company. For the year ended December 31, 2025, the Company elected to make an employer profit-sharing contribution in the amount of $919,301. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts:

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's discretionary profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately 100 percent vested in their contributions and employer contributions, plus earnings thereon.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits:

Upon termination of service due to death, disability, or retirement, or the attainment of age 59½, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account, or periodic payments. If the benefit in the Plan exceeds $5,000, the employee must consent to the distribution before it may be made. Amounts of $5,000 or less do not require participant consent. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED):

Payment of Benefits (continued):

Participants may apply for a hardship withdrawal, as defined, to meet excessive medical or educational expenses, expenses incurred to either purchase a principal residence or prevent eviction or foreclosure on a participant's principal residence, payment of funeral expenses or any other immediate and heavy financial need. The application for the hardship withdrawal must be approved by the Plan administrator.

Forfeited Accounts:

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $10 at each of the years then ended. These accounts may be used to reduce Plan expenses or in some instances reduce future employer contributions. During 2025, no employer contributions were reduced by funds from the forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared using the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, third-party administrator, and trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit is recorded.

Excess Contributions Payable:

Amounts payable to participants for the contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan has passed all compliance testing and there were no excess contributions payable as of December 31, 2025 or 2024.

Payment of Benefits:

Benefits paid to participants are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events:

Management has evaluated subsequent events through October 12, 2026, the date which the financial statements were available for issue.

NOTE 3 - FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in mutual funds have been designated level 1 instruments.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED):

Common collective (stable value) trust fund: The Plan's investment in the Reliance MetLife Stable Value Fund, a common collective trust, is valued using the net asset value ("NAV") provided by the trustee as a practical expedient to estimate fair value. The fund invests primarily in guaranteed investment contracts and other stable value investments and seeks to maintain, but cannot guarantee, a stable value per unit. Under the fund's terms, participant-directed transactions generally may be made at contract value. Certain Plan-initiated withdrawals or other transactions may be subject to restrictions or market value adjustments, depending on the circumstances. The fund's underlying investment contracts are fully benefit-responsive for qualifying participant-directed transactions.

As of December 31, 2025 and 2024, there were no level 2 or 3 investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2025	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:				
Mutual Funds	$ 21,256,197	$ -0-	$ -0-	$ 21,256,197
Other investments at net asset value:				
Common collective trust fund[(a)]				4,176
Total investments, at fair value				$ 21,260,373

2024	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:				
Mutual Funds	$ 17,010,080	$ -0-	$ -0-	$ 17,010,080
Other investments at net asset value:				
Common collective trust fund[(a)]				112,124
Total investments, at fair value				$ 17,122,204

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED):

[(a)] In accordance with Subtopic 820-10, the Reliance MetLife Stable Value Fund, a common collective (stable value) trust fund, was measured at net asset value per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amount presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitment	Redemption frequency (if currently eligible)	Redemption notice period
Common collective trust	$ 4,176	None	Daily	None
December 31, 2024				
Common collective trust	$ 112,124	None	Daily	None

NOTE 4 - SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025, and total investment income and interest income from notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC, the trustee of the Plan effective January 1, 2025. Comparative information related to investments and notes receivable from participants held at December 31, 2024, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the former trustee of the Plan.

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by ADP Retirement Trust Services, LLC, which became the trustee of the Plan effective January 1, 2025, succeeding Reliance Trust Company. Accordingly, transactions involving ADP Retirement Trust Services, LLC qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are charged directly to participant accounts quarterly. The Plan allows participants to take loans against their account balances, which are considered exempt party-in-interest transactions. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS:

The IRS has determined and informed the Company by letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the Statements of Net Assets Available for Benefits.
