Peek Pavement Marking, LLC 401(k) Plan
(Formerly Fortson-Peek Company, Inc. 401(k) Plan)
Columbus, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Peek Pavement Marking, LLC 401(k) Plan (the "Plan") (formerly Fortson-Peek Company, Inc. 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1: Description of Plan

The following brief description of the Peek Pavement Marking, LLC 401(k) Plan ("the Plan") (formerly the Fortson-Peek Company, Inc. 401(k) Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan sponsored by Fortson-Peek Company, Inc. (the "former Plan Sponsor") until August of 2025 when Frontline Road Safety Operations, LLC (the "Plan Sponsor") acquired the former Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and covers all eligible employees of the Plan Sponsor. The Plan was originally adopted on November 1, 1972 and has since been amended and restated. During 2025, the Plan was amended to allow hardship distributions and to change the name of the Plan to the Peek Pavement Marking, LLC 401(k) Plan.

The Leadership Team, appointed by the Plan Sponsor, has responsibility for the administration of the Plan. Reliance Trust Company served as trustee through December 31, 2024; however, the Plan changed to ADP Retirement Trust Services, LLC ("ADP Trust") as trustee effective January 1, 2025. The Plan's trustee is responsible for the management, operation and administration of the Plan's trust fund. ADP Retirement Services ("ADP") serves as the Plan custodian and recordkeeper. A fee is charged for trustee, recordkeeping, and custodial services rendered.

Eligibility - Employees must have completed three months of qualified service based on time elapsed. Participants are automatically enrolled into the Plan at a 1% deferral rate on the first of the month coincident with or next following the meeting of the participation requirement.

Contributions - Participants may contribute, on a pre-tax or post-tax (Roth) basis, a specified dollar amount of their compensation, up to the Internal Revenue Code ("IRC") limitations, as defined in the Plan. Also, participants may transfer to the Plan account balances from previously existing qualified plans. The Plan Sponsor will make a safe harbor matching contribution equal to 100% of the participants' salary deferrals up to 3% of compensation plus 50% of the participants' salary deferrals between 3% and 5% of compensation as well as a true-up matching contribution. The Plan Sponsor may also make a discretionary contribution to the Plan as determined annually by the Leadership Team. The Plan Sponsor elected not to make discretionary profit sharing contributions for the years ended December 31, 2025 and 2024.

NOTE 1: Description of Plan (continued)

Participant Accounts - Each participant's account is credited with the participant's contributions, an allocation of the Plan Sponsor's matching and discretionary contributions, when applicable, and Plan earnings and losses. Each account is also charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined by the Plan.

Vesting - Participants are immediately vested in their contributions, plus actual earnings thereon. Participants are also immediately vested in the Plan Sponsor's discretionary and matching contributions plus actual earnings thereon.

Unallocated accounts - Unallocated accounts consist of advance deposits made by the Plan Sponsor and forfeitures, which represent the non-vested portion of a participant's account balance that is forfeited upon termination. They may be used to reduce the Plan Sponsor's contributions and pay Plan expenses in accordance with Plan specifications.

Investment Options - A participant may direct participant and employer contributions in any of the investment options established by the Leadership Team. Participants may change their investment options daily.

Payment of Benefits - Upon termination of employment due to death, disability, retirement, or other reasons, participants will be entitled to receive distribution of their balances in a lump-sum amount or in installments. The Plan also allows for in-service withdrawals of a participant's vested interest upon reaching the age of 59 ½. Effective October 1, 2025, the Plan was amended to allow hardship distributions on a participant's deferral balance based on the terms of the Plan.

Plan Termination - Although there is no present intention to terminate the Plan, the Plan Sponsor may terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, the trustee shall dispose of the Plan assets by distribution to participants and their beneficiaries.

NOTE 2: Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

NOTE 2: Summary of Significant Accounting Policies (continued)

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a description of the valuation and methodologies used to determine each investment's respective fair value.

Net appreciation of the fair value of investments consists of the unrealized appreciation of investments held during the year, as well as the realized gain or loss on sale of investments which represents the difference between net sales proceeds and cost or previous fair value of the investments sold. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefits are recorded when paid.

Plan Expenses - Significant costs of administering the Plan are absorbed by the Plan Sponsor and are not reflected in these financial statements. These costs include legal, administrative, accounting and trustee fees. Certain investment management fees and administrative expenses, including audit fees, are incurred and paid by the Plan. Other investment related expenses are included in net appreciation of fair value of investments.

Tax Status - The Plan obtained its latest determination letter dated October 6, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America, ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS or state or local taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions within the standard statute of limitation periods; however, there are currently no audits for any tax periods in progress.

NOTE 2: Summary of Significant Accounting Policies (continued)

Reclassification - Certain items in the 2024 financial statements have been reclassified in order to be in conformity with the 2025 statement presentation.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: Fair Value Measurement

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy according to GAAP are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3: Fair Value Measurement (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued at net asset value of shares held by the Plan at year end.

Common/Collective Trusts ("CCT"): A detailed description of the valuation methodologies of the CCT can be found in the footnotes of the Invesco Stable Asset - ADPZ audited financial statements.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2025	
	Level 1	**Total**
Mutual funds	**$ 5,861,666**	**$ 5,861,666**
Total assets in the fair value hierarchy	**5,861,666**	**5,861,666**
Investments measured at net asset value (a)	**0**	**1,474,957**
Total investments at fair value	**$ 5,861,666**	**$ 7,336,623**

	December 31, 2024	
	Level 1	Total
Mutual funds	$ 6,825,040	$ 6,825,040
Total assets in the fair value hierarchy	6,825,040	6,825,040
Investments measured at net asset value (a)	0	1,165,826
Total investments at fair value	$ 6,825,040	$ 7,990,866

NOTE 3: Fair Value Measurement (continued)

(a) In accordance with GAAP, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments in the separate accounts for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments.

	2025	2024
Fair value	**$ 1,474,957**	$ 1,165,826
Unfunded commitments	**n/a**	n/a
Redemption frequency (if currently eligible)	**Daily**	Daily
Redemption notice period	**n/a**	n/a

The method described above may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: Information Prepared and Certified by Trustees (Unaudited)

As explained in Note 1, the Plan's funds were maintained by ADP Trust as the trustee as of and for the year ended December 31, 2025 and were maintained by Reliance Trust Company, former trustee, as of and for the year ended December 31, 2024. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees:

	2025	2024
Investments at fair value:	**$ 7,336,623**	$ 7,990,866
Investment income	**$ 1,196,664**	$ 893,087

NOTE 5: Party-in-Interest Transactions

Certain Plan transactions are affiliated with ADP who serves as third-party administrator as defined by the Plan; therefore, these transactions qualify as party-in-interest. Certain fees incurred by the Plan for services provided are included in net appreciation in fair value of investments rather than a direct payment.

NOTE 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 7: Subsequent Events

The Plan's Leadership Team has evaluated all subsequent events that may qualify for disclosure through October 13, 2026, which is the date the financial statements were available to be issued. Subsequent to year-end, the Plan Sponsor acquired both Performance Sealing & Striping, LLC ("PSS") and Mid State Construction & Striping, Inc. ("Mid State"). PSS maintained a 401(k) plan in which participants continued to participate, however merging of plans has not yet taken place. Mid State did not maintain a retirement plan and the employees of Mid State were auto-enrolled into the Plan upon acquisition. There were no other transactions requiring disclosure under professional guidance.
