  - All minutes of the meetings of the Plan's 401(k) Committee or summaries of actions of recent meetings for which minutes have not yet been prepared.
- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- The plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have provided to you our analysis of the plan's ability to continue as a going concern, including significant conditions and events present, and if necessary, our analysis of management's plans, and our ability to achieve those plans.
- We have no knowledge of any fraud or suspected fraud that affects the plan and involves:
  - Management;
  - Employees who have significant roles in internal control; or
  - Others when the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
- There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
- We have disclosed to you the identity of the plan's related parties and parties in interest and all the related party and party in interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
- The plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

- All required filings with the appropriate agencies have been made.
- All required amendments to and filings of plan documents with the appropriate agencies have been made.
- The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor(s) has operated the plan and trust or insurance contract in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
- The plan has complied with the fidelity bonding requirements of ERISA.
- We are responsible for presenting Schedule H, line 4i--Schedule of Assets (Held at End of Year)--Modified Cash Basis in accordance with the modified cash basis of accounting and in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Schedule H, line 4i--Schedule of Assets (Held at End of Year)--Modified Cash Basis, including its form and content, are fairly presented in accordance with the modified cash basis of accounting and in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
- There are no:
  - Nonexempt party in interest transactions (as defined in ERISA Section 3[l] and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.
  - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
  - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.
- The Plan's adoption agreement was inadvertently executed with a discretionary matching contribution election rather than the intended safe harbor matching contribution election. Our intent was for the Plan to qualify and operate as a safe harbor 401(k) plan, and participants were informed of and operated under the safe harbor matching provisions. The Plan has been administered consistent with those provisions, including use of a matching formula and vesting requirements that satisfy the applicable safe harbor contribution requirements. We are working with the Plan's compliance advisor to retroactively amend the Plan document to conform to its original intent and operational practices. Based on the facts and circumstances, we do not believe this matter has resulted in a material compliance deficiency or a material effect on the accompanying financial statements.

- The Plan's adoption agreement was inadvertently drafted to exclude certain specifically identified categories of bonus compensation rather than all bonus compensation, which was inconsistent with our original intent. Our intent was for all bonus compensation to be excluded from compensation for Plan purposes, and the Plan has been administered consistent with that intent. We are working with the Plan's compliance advisor to evaluate the existing Plan provisions, determine whether any corrective action is necessary, and amend the Plan document, if appropriate, to clarify the treatment of bonus compensation and conform the Plan document to its intended operation. Based on the facts and circumstances currently known to us, we do not believe this matter has resulted in a material compliance deficiency or a material effect on the accompanying financial statements.
- For the year ended December 31, 2025, the safe harbor matching formula was 100% of the first 4% of each participants' compensation contributed to the Plan.
