LEVEL5 HOSPITALITY 401(k) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Level5 Hospitality 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Level5 Hospitality 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to

be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Level5 Hospitality 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan that was established on January 1, 2024, by Level5 Hospitality (the "Company") to provide benefits to eligible employees, as defined in the Plan document. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

Certain investment related expenses are charged directly by the investment funds and are thereby factored into each investment fund as a reduction in investment return. Administration fees for participant requested transactions, including participant loan administration and benefit payment processing may be charged directly to participants. Other costs incurred for administering the Plan are paid by the Company.

C. Eligibility

Company employees, except for residents of Puerto Rico, are eligible to participate in the Plan after having completed six months of service and attaining age 21.

D. Contributions

Participants may elect to make pre-tax contributions of up to 90% of eligible compensation. Participants who elect to have the Company contribute a portion of their pre-tax compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants may make a separate election to make Roth after-tax contributions to the Plan. Participants age 50 or older are permitted to make additional catch-up contributions of up to $7,500 for 2025. Participant contributions are subject to maximum annual additions permitted under provisions of the Plan and the Code.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with participant investment directions and Plan provisions. The Plan allows for a discretionary matching contribution.

E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions, if any, and an allocation of the participant's share of Plan income or losses and expenses. Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Vesting and Forfeitures

Participants become vested in employer contributions, and the related earnings, based on years of service. Participants are 0% vested during the first year. Beginning in the second year, vesting increases by 20% for each additional year of service, reaching 100% after six years or more. Participants are always fully vested in their own contributions and related earnings.

Forfeitures of nonvested employer contributions may be used to reduce future employer contributions or pay plan expenses. There were no forfeitures during the year ended December 31, 2025.

G. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, disability retirement or attainment of age 59½, a participant or beneficiary may maintain his or her account in the Plan or choose to receive benefits in a lump sum, partial withdrawals or installments equal to the value of the participant's vested account balance. Hardship distributions are permitted under certain limited circumstances as defined in the Plan, subject to the approval of the Plan administrator.

H. Notes Receivable from Participants

Participant loans are permitted under the Plan. Loans are granted for a minimum of $1,000 and may not exceed the lesser of $50,000 or 50% of the participant's vested account balance. A loan is secured by a participant's vested account, bears interest at a reasonable rate determined by the administrator, and will be fixed for the term of the loan. The term of the loan cannot exceed five years, unless the loan proceeds are used to purchase a primary residence for the participant, in which case the repayment term cannot exceed ten years. In the event of termination of employment, loan balance and accrued interest shall be deducted from the amount of the distribution unless other repayment terms are specified by the Plan document. As of December 31, 2025, the rates of interest on outstanding loans ranged from 7.75% to 8.50% with various maturities through 2027.

I. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Investment Valuation and Income Recognition (Continued)

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in equity markets, interest rates, or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 3 - INCOME TAX STATUS

The Company adopted a pre-approved plan that has received an opinion letter from the Internal Revenue Service stating that the form of the plan qualifies under applicable provisions of the Code. The Company believes that the Plan qualifies under and has been operated in accordance with the applicable requirements of the Code and related state statutes, and that the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Payments of direct and indirect administrative and investment management fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2025, and 2024 and net (appreciation) of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC, the trustee of the Plan.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the closing market prices for shares held by the Plan at year end. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine fair value could result in a different fair value measurement at the reporting date.

Plan investments included in the fair value hierarchy consist of mutual funds which are valued at closing market prices, deemed to be actively traded and are thereby valued based on Level 1 inputs.

The common/collective trust is a direct filing entity and measured at net asset value per share (NAV) as a practical expedient in accordance with ASC 820. Such investments are not required to be recognized in the fair value hierarchy. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2026, the date on which the financial statements were available to be issued. There are no material subsequent events which have not been disclosed in the Plan's financial statements that require recognition or additional disclosure.
