INDEPENDENT AUDITORS' REPORT

To the Trustees of
IPS Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of IPS Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the IPS Group, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Financial Statements section of our report. We are required to be independent of IPS Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

PKF San Diego, LLP is a member of PKF Global, the network of member firms of PKF International Limited, and Allinial Global, each of which is a separate and independent legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IPS Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IPS Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IPS Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Line 4(i) - Schedule of Assets (Held at Year End) and (2) Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following description of the IPS Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a type of defined contribution plan established by IPS Group, Inc. (the “Company” or “Employer”) on April 25, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA”).

Through December 31, 2024, the Plan was administered, and assets were held by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, (the “Former Custodians”). Under trust agreements with the Former Custodians, the Former Custodians held the assets of the Plan, including all contributions and earnings thereon. Effective January 1, 2025, ADP Retirement Trust Services became the Custodian (see Note 3); ADP Retirement Trust Services administers the Plan and holds the Plan assets. In conjunction with this change, the group annuity contract, participant loans, and all cash from the sale of investments were transferred to ADP Retirement Trust Services.

On January 2, 2025, following the transfer of all assets to ADP Retirement Trust Services, the Plan agreement was amended and restated as the Plan adopted the ADP prototype 401(k) plan.

Eligibility

The Plan covers non-union employees who completed one month of service and are at least 18 years old. An employee becomes eligible to participate in the Plan on the first day of the month coinciding with or the next month following the date the employee satisfies the eligibility requirements.

Contributions

The 401(k) salary deferral option allows participants to defer a portion of their salaries for income tax purposes through contributions to the Plan. Participants may elect to defer up to the maximum amount of $23,500 that is permitted under the Internal Revenue Code (the "Code"). Participants who have attained age 50 to 59 or 64 and older before the end of the calendar year are eligible to make catch-up contributions of $7,500 (for a total of $31,000) for the year ended December 31, 2025. Participants who have attained age 60 to 63 before the end of the calendar year are eligible to make catch-up contributions of $11,250 (for a total of $34,750 in 2025). Participants direct the investment of contributions into various investment options offered by the Plan.

A participant may, with the consent of the Plan administrator, make a rollover contribution to the Plan. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which a participant participated prior to employment with the Company. During the year ended December 31, 2025, approximately $25,000 in rollover contributions were transferred to the Plan.

NOTE 1 – PLAN DESCRIPTION (CONTINUED)

Contributions (Continued)

For the year ended December 31, 2025, the Employer elected to match 100% of participant deferrals up to 3% of participant contributions to the Plan totaling $311,596, which was received in July 2026. As of December 31, 2024, there were Employer discretionary matching contributions receivable totaling $280,892 which were received in April 2025. The Employer may also make discretionary contributions to the Plan. For the year ended December 31, 2025, there were no Employer discretionary contributions made.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Employer's contributions, Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested immediately in their contributions, Employer discretionary matching contributions, and actual earnings thereon. The Employer discretionary contributions to a participant shall vest subject to the following vesting schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants become fully vested upon termination for reason of retirement, death, or disability, or if the Plan is terminated. Non-vested benefits are forfeited by participants upon termination for reasons other than normal retirement, death, or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans may have a term of one to five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate posted in the Wall Street Journal plus 1%. Principal and interest are paid ratably through semi-monthly and monthly payroll deductions. These loans bear interest from 7.25% to 9.50% and 4.25% to 9.50% as of December 31, 2025 and 2024, respectively.

NOTE 1 – PLAN DESCRIPTION (CONTINUED)

Payment of Benefits

Participants may request an in-service distribution prior to the event of termination of employment by attaining age 59½, financial hardship or incur a disability. The distribution may be taken through a lump-sum payment. Upon termination of service for any reason, a participant is entitled to the vested value of their accounts in a lump sum payment or have the funds transferred to an IRA or other retirement plan.

SECURE 2.0 Act of 2022

The Plan has implemented certain requirements of the SECURE 2.0 Act of 2022 ("SECURE 2.0"). Participants who have attained age 60 to 63 before the end of a calendar year are eligible to make additional catch-up contributions in place of their normal catch-up limit. Future provisions will be adopted at later dates, as necessary, to comply with the requirements of SECURE 2.0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value and contract value. See Note 3 for discussion of fair value measurements. Investments in the Putnam Stable Value Fund and the benefit responsive group annuity contract are reported at contract value which represents contributions made plus earnings less withdrawals and administrative expenses. See Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends (if declared) are recorded on the ex-dividend date. In the statement of changes in net assets available for benefits, the Plan presents the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses on those investments bought and sold during the year and the unrealized appreciation or depreciation on those investments held at year end.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Distributions to participants are recorded when paid. As of December 31, 2025 and 2024, there were no distributions payable related to terminated Plan participants.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement* ("FASB ASC 820"), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to the unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy under FASB ASC 820 as of December 31, 2025:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible as well as considers counterparty credit risk in its assessment of fair value. Although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the valuation methodologies used at December 31, 2025.

Mutual Funds

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Collective Trust Fund

The fair value of the MFS Mid Cap Value Fund is based on the Net Asset Value ("NAV") of units held by the Plan as of year-end provided by the administrator of the fund. The NAV is based on the value of the underlying assets of the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV's unit price is quoted on a private market that is not active.

The Plan changed custodians effective January 1, 2025. On December 30, 2024, all mutual funds were sold and converted to cash. On January 2, 2025, the Custodians transferred the cash to ADP Retirement Trust Services where mutual funds were purchased in conjunction with the Plan's investment mapping.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2025			
	Total	Level 1	Level 2	Level 3
Mutual funds	$ 4,683,659	$ 4,683,659	$ -	$ -
Total investments in the fair value hierarchy	$ 4,683,659	$ 4,683,659	$ -	$ -
Investment at Net Asset Value [(a)]	66,332			
Total investments at fair value	$ 4,749,991			

[(a)] *In accordance with accounting guidance, certain investments measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amount measured at NAV presented in this table is intended to permit reconciliation of the fair value hierarchy to the investments at fair value presented in the statements of net assets available for benefits.*

The following tables provide information regarding redemption of investments where the NAV has been used to measure fair value at:

	December 31, 2025		
	Fair Value	Redemption Frequency	Redemption Notice Period
Collective trust fund	$ 66,332	Daily	None

There were no unfunded commitments at December 31, 2025.

NOTE 4 – CONTRACT VALUE MEASUREMENTS

Stable Value Fund

The Putnam Stable Value Fund (the “Fund”) invests in guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions; security-backed investment contracts, including separate account products of insurance companies; and in money-market, cash, cash equivalents and short-term bonds. The objective of the Putnam Stable Value Fund is to deliver intermediate bond like returns with money market liquidity. There are no unfunded commitments, withdrawal restrictions, redemption notice requirements or other redemption restrictions. The Fund may be redeemed daily. The Fund is benefit responsive, and thus, is reported at contract value. The fair value of the Fund as of December 31, 2025 was $329,076.

Group Annuity Contract

The Plan had a group annuity contract with Empower Annuity Insurance Company of America as of December 31, 2024, that invested contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund was a general account product.

NOTE 4 – CONTRACT VALUE MEASUREMENTS (CONTINUED)

Group Annuity Contract (Continued)

The methodology for calculating the interest crediting rate was based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The contract met the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value represented contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the Key Guaranteed Portfolio Fund approximate fair value.

Participants may have ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest was based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates were reviewed on a quarterly basis for resetting.

As of January 1, 2025, the group annuity contract balance was transferred to ADP Retirement Trust Services.

NOTE 5 – INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as permitted under such election, the Custodian, ADP Retirement Trust Services, LLC, has certified to the completeness and accuracy of all investments in the accompanying statement of net assets available for benefits as of December 31, 2025; net appreciation (depreciation) in fair value of investments and dividend and interest income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025; and investments reflected on the supplemental schedule of assets (held at end of year) as of December 31, 2025.

The Former Custodians, Empower Trust Company, LLC and Empower Annuity Insurance Company of America, certified to the completeness and accuracy of all the assets in the accompanying statement of net assets available for benefits as of December 31, 2024.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the participants' account balances fully vest, and they would be distributed.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ADP Retirement Trust Services, LLC is a party-in-interest in accordance with the definition provided by ERISA.

NOTE 8 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – INCOME TAX STATUS

The Plan has adopted a prototype plan and relies on the prototype plan's opinion letter from the IRS. The Plan has not applied for a determination letter from the IRS specific for the Plan. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. As of the date of this report, the Plan administrator does not believe there will be any contingencies or liabilities to the Plan as result of the audit.

The Plan administrator believes the Plan is no longer subject to income tax examinations prior to 2022.

NOTE 11 – PROHIBITED TRANSACTIONS

NOTE 12 – SUBSEQUENT EVENTS

On October 25, 2025, IPS Group, Inc. acquired 100% of the outstanding equity interests of Populus Technologies, Inc. (“Populus”), a provider of transportation data and mobility management software. Subsequently, employees of Populus were added to the IPS Group, Inc. 401(k) Plan in February 2026.

On October 1, 2026, IPS Group, Inc. was acquired by Nayax Ltd. As of the date the financial statements were available to be issued, no impact on the Plan has been identified as a result of the acquisition.

The Plan Administrator has evaluated subsequent events, as defined by Financial Accounting Standards Board (‘’FASB’’) Accounting Standards Codification (‘’ASC’’) 855, Subsequent Events, through the date that the financial statements were available to be issued on October 5, 2026.
