**The Next Level**

October 14, 2026

Cherry Bekaert LLP
2100 PNC Tower

Louisville, Kentucky 40202

This representation letter is provided in connection with your audit of the financial statements of Dant Clayton Corporation 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. 26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

27) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

28) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

*Pooled Separate Accounts ("PSAs"):* Valued at the net asset value ("NAV") of units held by the Plan at year-end provided by the issuer of the account. NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying investment assets held through subaccounts of an insurance company. This practical expedient

is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. PSAs are comprised, primarily, of shares of mutual funds at December 31, 2025 and 2024, respectively. The PSAs seek to mirror the investment objectives and strategies of the underlying mutual fund for which the PSA is named. Certain PSAs are target date funds which seek capital appreciation and current income consistent with asset allocation that become more conservative over time to the specified retirement date. The investments are redeemable at the adjusted NAV on a daily basis under agreements with the insurance company. There are currently no redemption restrictions or unfunded commitments on these investments.

*Guaranteed Interest Accounts*: Valued at fair value which is the value paid when funds are withdrawn prior to their maturity. The fair value of the guaranteed interest accounts is based on the applicable interest rate. If the
applicable interest rate is greater than the interest rate on the account, the fair value is the contract value reduced by a percentage. This percentage is equal to the difference between the applicable interest rate and the interest rate on the account, multiplied by the number of years (including fractional parts of a year) until the maturity date. If the applicable interest rate is equal to or less than the interest rate on the account, the fair value is equal to the contract value.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

29) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board *(FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement.* In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

30) All required amendments to and filings of Plan documents with the appropriate agencies have been made.

31) The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

32) Except for the late remittances disclosed to you, the Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

33) The Plan has complied with the fidelity bonding requirements of ERISA.

34) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

35) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

36) We have obtained the service auditor's reports from our service organizations. We have reviewed the reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the Plan year under audit. Also, the service auditors have not reported to us any:

    a) Fraud,

    b) Noncompliance with laws and regulations, or

c) Uncorrected misstatements affecting the Plan financial statements as a result of the third-party service providers.

37) We agree to take responsibility for all documents provided by Cherry Bekaert LLP ("Cherry Bekaert") and will retain copies based on our needs and document retention policies. We confirm Cherry Bekaert is not responsible for hosting our records or maintaining custody of our records or data and Cherry Bekaert is not providing business continuity or disaster recovery services. We are responsible for maintaining internal controls over our books and records including business continuity and disaster recovery alternatives.

38) In regard to the assistance in the preparation of the Plan's financial statements, notes to the financial statements, and supplemental schedules services provided by you, we have:

b) Designated an individual with suitable skill, knowledge, or experience to oversee the services.
