INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Apartment Services, Inc. 401(k) Savings and Retirement Plan
Hunt Valley, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Apartment Services, Inc. 401(k) Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31 2025 (in liquidation) and 2024 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Apartment Services, Inc. 401(k) Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Apartment Services, Inc. 401(k) Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note F to the financial statements, the Plan Sponsor made the decision to merge the Plan into the (k)larity Plan as of February 28, 2026. The Plan transferred its net assets into the (k)larity Plan and has ceased to operate as of that date.

Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Apartment Services, Inc. 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Apartment Services, Inc. 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Apartment Services, Inc. 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) December 31, 2025 – schedule H, part IV, item 4i, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. NOTE A – DESCRIPTION OF THE PLAN

The following description of the Apartment Services, Inc. 401(k) Savings and Retirement Plan, (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Apartment Services, Inc. (the Sponsor) who have at least three months of service and are age twenty-one or older. Employees are eligible to receive discretionary matching contributions and profit-sharing contributions after three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan adopted provisions of the CARES Act and SECURE Act during 2020. The Plan document will be formally amended for the provisions of the CARES Act and SECURE Act by December 31, 2029 in accordance with the legislation.

2. Contributions

Each year, participants may contribute up to the maximum allowed by the applicable laws. The contribution limit for 2025 under the Internal Revenue Code (IRC) was $23,500 for participants under age 50 plus a $7,500 catch up contribution for those aged 50 or older and $11,250 those aged 60 to 63. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Beginning April 1, 2024, participants may make Roth contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation for the initial year, with an additional 1% each subsequent year until the deferral rate reaches 10%. Automatically enrolled participants have their contributions invested in a designated fund until changed by the participant.

The Sponsor may elect to make discretionary matching contributions and/or profit sharing contributions. The discretionary matching and profit sharing contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. For the year ended December 31, 2025, the Sponsor's discretionary matching contributions were 25% of participants' elective deferrals to a maximum of 6% of eligible wages. No profit sharing contribution was made for the year ended December 31, 2025.

NOTE A – DESCRIPTION OF THE PLAN – Continued

3. Participant Accounts

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of the Sponsor's profit sharing contributions and Plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is vested 20% after their first year of service, and an additional 20% each year thereafter. A participant is fully vested after five years of credited service.

5. Notes Receivable from Participants

Beginning February 1, 2024, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance, as defined by law. The loans are secured by the balance in the participant's account and bear interest at rates of 7.75% to 9.50%, which are commensurate with local prevailing rates as determined by the plan administrator.

6. Payment of Benefits

On termination of service due to death, disability, retirement or termination of service due to other reasons, a participant or the participant's estate or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account. Hardship withdrawals are permitted by the Plan.

7. Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $267 and $494 respectively. These accounts will be used to reduce future matching contributions. During the year ended December 31, 2025, $29,157 of forfeited non-vested accounts were used to reduce employer contributions.

8. Unallocated Accounts

At December 31, 2025 and 2024, the unallocated accounts totaled $9 and $8,317, respectively. During the year ended December 31, 2025, fees totaling $8,623 were paid from the ADP plan admin accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

5. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed 2025 excess contributions to the applicable participants prior to March 15, 2026, as required by the IRS.

6. Contributions

Contributions from plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

7. Payment of Benefits

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

8. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Certain fees related to the administration of participant transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

9. Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 2, 2026, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and dividends for the year ended December 31, 2025, was obtained by management and agreed or derived from information certified as complete and accurate by ADP Retirement Services, LLC, the Plan's trustee as of and for the year ended December 31, 2025 and by Reliance Trust Company, the Plan's Trustee as of December 31, 2024.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE D – FAIR VALUE MEASUREMENTS – Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
Description	Level 1	Level 2	Level 3	Total

NOTE D – FAIR VALUE MEASUREMENTS – Continued

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investment's for which fair value is based on NAV per share as of December 31, 2025, respectively. There are no participation redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

Investments	Fair Value 12/31/25	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Vanguard Retirement Savings Trust IV	$ 507,012	$ -	Daily	1 Day

Investments	Fair Value 12/31/24	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Vanguard Retirement Savings Trust IV	$ 497,637	$ -	Daily	1 Day

NOTE E – RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by ADP, Inc. (ADP), the trustee and recordkeeper for the Plan and therefore, the transactions between the Plan, ADP and Greenspring Advisors, LLC (Greenspring) qualify as party in interest transactions. Administrative and investment advisory fees paid to Greenspring totaled $55,610 and fees paid to ADP totaled $30,858 for the year ended December 31, 2025. Gorfine, Schiller & Gardyn, P.A., the Plan auditors, were paid $8,623 by the Plan. These transactions qualify as party in interest transactions.

NOTE F – PLAN TERMINATION

The Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In October 2025, the Sponsor made the decision to terminate the Plan effective February 2026 and merge it into the (k)larity Plan. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions. Management has determined that there is no significant difference between the fair value of net assets available for benefits and liquidation value.

NOTE G – TAX STATUS

The Internal Revenue Service issued a standard prototype profit sharing opinion letter to ADP dated October 6, 2020, stating that its prototype plan document was designed in accordance with applicable Internal Revenue Code requirements as of that date. Although the Sponsor has not applied for a determination letter for the Plan and although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE G – TAX STATUS – Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
