INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Participants of
Meridian Health Services Group Benefit Plan
Muncie, Indiana

Opinion

We have audited the accompanying financial statements of the Meridian Health Services Group Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (cash basis) of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

MERIDIAN HEALTH SERVICES
GROUP BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The Meridian Health Services Group Benefit Plan (the "Plan") became effective October 1, 1990. A Trust Agreement (the "Trust") was made and entered into January 1, 2007, and together, the Plan and Trust constitute an employee benefit plan. The Trust fund is used primarily as a conduit for holding Plan assets, payment of health claims, administrative expenses, and insurance premiums. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General – The Plan is a self-funded welfare benefit plan established for the employees of Meridian Health Services (the "Plan Sponsor", "Company" or "Employer"). Full-time employees and part-time employees working 30 or more hours per week become eligible for benefits on the first day of the month immediately following the date the employee began service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan provides medical and prescription drug benefits to eligible participants and their dependents. The Plan Sponsor has the right to modify the benefits provided to participants at any time.

Contributions and Funding - The Plan is contributory, funded by both participant and Company contributions. Participant contributions include active employees and separated COBRA participants. Active employees contribute through an Internal Revenue Code ("IRC") Section 125 Cafeteria Plan at a pre-determined rate each payroll. The Plan Sponsor has committed to make payments to the Plan as needed to pay benefits and expenses related to the Plan. All contributions to the Plan are placed in the Trust.

Benefits - The Plan offers three options for health care coverage: a traditional plan, a bronze plan, and a high-deductible plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the cash basis method of accounting. Under this method revenues are recognized and recorded when received rather than when earned, and expenses are recorded when paid rather than when an obligation is incurred.

Use of Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

MERIDIAN HEALTH SERVICES
GROUP BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Obligations – Plan obligations for health claims incurred but not reported ("IBNR") are estimated by Unified Group Services, Inc., the Plan's claims processor. The IBNR was determined by using a six-month claims run-out approach based on gross medical and prescription claims paid. Such estimated amounts are reported at current value and are not recorded in the Plan's financial statements.

Administrative Expenses – Administrative expenses are paid by the Company or Plan participants, as defined in the Plan document and primarily include administrative fees, utilization review fees and professional service fees.

3. BENEFIT OBLIGATIONS

The estimated obligation for IBNR at December 31, 2025 and 2024, was calculated to be $1,577,838 and $4,189,160, respectively. The (decreases) increases during the years ended December 31, 2025 and 2024, attributable to IBNR totaled $(2,611,322) and $2,633,619, respectively. The Plan's excess of estimated benefit obligations over net assets available for benefits at December 31, 2025 and 2024, will be funded by future premium increases and or Company contributions.

4. INSURANCE CONTRACT

The Plan maintains a reinsurance contract for specific stop-loss coverage with HM Life Insurance Company. The Plan is reimbursed if health claims for an individual exceed $150,000 in a plan year. Reinsurance received for the years ended December 31, 2025 and 2024, totaled $3,105,247 and $3,070,565, respectively, and are included in claims paid, net of reimbursements in the accompanying statements of changes in net assets available for benefits (cash basis).

5. INCOME TAX STATUS

The Internal Revenue Service ("IRS") issued a determination letter dated March 7, 2024, determining that the Plan is exempt from federal income tax under Section 501(c)(9) of the IRC. The determination letter approved the Plan's request for retroactive reinstatement of its tax-exempt status under Revenue Procedure 2014-11, with an effective date of exemption of May 15, 2019. The Plan Sponsor believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MERIDIAN HEALTH SERVICES
GROUP BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

6. Related Party and Parties-in-Interest Transactions

Certain administrative services are provided by the Plan Sponsor at no cost to the Plan and certain administrative costs incurred by the Plan and Trust are paid by the Plan Sponsor.

The Plan pays administrative fees to Unified Group Services, Inc., which qualify as party-in-interest transactions.

7. Concentration of Cash

From time to time, the Plan may have deposits at a financial institution that exceed the FDIC insured limit. At December 31, 2025 and 2024, the Plan's funds on deposit exceeded insured limits by $50,148 and $50,354, respectively.

8. Risks and Uncertainties

The estimated value of benefit obligations is reported based on certain assumptions pertaining to health care inflation rates and employee demographics, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

9. Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the rights of covered participants are limited to expenses accrued through the date of termination.

10. Subsequent Events

The Plan has evaluated subsequent events through September 24, 2026, which is the date the financial statements were available to be issued.

Effective January 1, 2026, the Plan was amended and restated due to a change in service organizations from Unified Group Services, Inc. to Allied Benefit System, LLC.

There were no additional subsequent events that require disclosure.
