October 10, 2026

Katz, Sapper & Miller, LLP
Fort Wayne, Indiana

This representation letter is provided in connection with your audits of the financial statements of BRC Rubber Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this representation letter, the following representations made to you during your audits.

Financial Statements

1. We acknowledge and have fulfilled our responsibilities, as set out in the terms of the audit engagement agreement dated March 31, 2026, including our responsibility for the preparation and fair presentation of the financial statements.

2. The financial statements are fairly presented in accordance with accounting principles generally accepted in the United States of America, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

3. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

4. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

    a. The circumstances permit an ERISA Section 103(a)(3)(C) audit.

    b. Qualified institutions have prepared and certified the investment information as described in 29 CFR 2520.103-8.

    c. The certifications meet the 29 CFR 2520.103-5 requirements.

    d. The certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud, and our responsibility to monitor the performance of the Plan's third-party service providers and review related reports.

7. The methods, significant assumptions, and data used in making accounting estimates, including those measured at fair value, and their related disclosures are appropriate to achieve recognition, measurement, and disclosure that is reasonable in accordance with accounting principles generally accepted in the United States of America. Moreover, the measurement process used by management in determining accounting estimates was appropriate and consistent, the assumptions appropriately reflect management's intent and ability to carry out specific courses of action, and no subsequent event has occurred that would require adjustment to the accounting estimates or disclosures included in the financial statements.

8. We acknowledge our responsibility for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

9. Related-party relationships and transactions, and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America and ERISA Section 3(14) and regulations thereunder.

10. All events subsequent to the date of the financial statements and for which accounting principles generally accepted in the United States of America require adjustment or disclosure have been adjusted or disclosed.

11. We are in agreement with the adjusting journal entries, if any, you have recommended, and they have been posted to the Plan's accounts. In addition, we are not aware of any journal entries made by any of our third-party service providers, including the Plan's recordkeeper and certifying qualified institutions, adjusting the activity processed on behalf of the Plan and thus impacting the underlying reports used in preparing the Plan's financial statements. For this purpose, journal entries are defined as any adjustment made to the originally processed participant level transaction activity.

12. The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

13. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.

14. Material concentrations have been properly disclosed in accordance with accounting principles generally accepted in the United States of America.

15. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

16. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with accounting principles generally accepted in the United States of America.

17. The supplemental schedule or financial statements disclose the following:

    a. All non-exempt party-in-interest transactions, as defined in ERISA Section 3(14) and regulations thereunder.

    b. Investments or loans in default or considered to be uncollectible.

    c. Reportable transactions, as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

18. We have evaluated whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year from the date the financial statements are available to be issued, and no such conditions or events were identified that in the aggregate raise such substantial doubt.

Information Provided

1. We have provided you with:

    a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters. Among other things, relevant information includes all meeting minutes of the Plan, or summaries of actions of recent meetings for which minutes were not prepared. In addition, relevant information includes all communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.

    b. A substantially complete draft of Form 5500.

    c. Additional information that you have requested from us for the purpose of the audits.

    d. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

    e. Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

2. All material transactions have been recorded in the accounting records and are reflected in the financial statements and supplemental schedule.

3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

4. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

    a. Management,

    b. Employees who have significant roles in internal control, or

    c. Others where the fraud could have a material effect on the financial statements.

5. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

6. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

7. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments whose effects should be considered when preparing the financial statements in accordance with accounting principles generally accepted in the United States of America, and we have not consulted a lawyer concerning litigation, claims, or assessments.

8. We have disclosed to you the names of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.

9. The Plan has satisfactory title to all owned assets, which are recorded at fair value, or at contract value for investment contracts, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

10. We have no:

    a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

    b. Intentions to terminate the Plan.

11. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

12. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

13. The Plan is based on a pre-approved defined contribution plan document which obtained its latest opinion letter dated October 6, 2020, in which the Internal Revenue Service stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The pre-approved defined contribution plan document and the Plan have been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

14. We recognize that the audit procedures performed by you did not encompass procedures necessary to determine the tax-qualified status of the Plan, nor the possible tax consequences to the Plan Sponsor or Plan participants.

15. All required amendments to and filings of the Plan or trust documents with the appropriate agencies have been made.

16. We intend to formally amend, as applicable, the Plan Agreement to incorporate certain provisions implemented under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act), the SECURE 2.0 Act of 2022, and the Coronavirus Aid, Relief and Economic Security Act of 2020 (CARES Act) related to the Plan's distribution, hardship and in-service withdrawal, loan, and other provisions, prior to the applicable due date as set forth under each Act.

17. The Plan, and the trust established under the Plan, is qualified under the appropriate section of the IRC and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and the trust or insurance contract in a manner that did not jeopardize this tax status. We have provided the Plan's service providers with all of the required employee census and payroll information needed to complete the Plan's annual compliance testing, including the determination of the Plan's highly-compensated employees and key employees, as applicable. We have reviewed and determined that the Plan has passed and met all of the required compliance testing requirements that the Plan is subject to, or have taken the necessary corrective actions to ensure the Plan has met these regulations, including the allocation of any required top-heavy contribution and/or the distribution of any excess deferrals or contributions.

18. We have not taken, and do not expect to take, any uncertain tax positions that would require recognition of a liability or disclosure in the financial statements.

19. The Plan is not currently under investigation by the DOL or examination by the IRS for any tax periods in process.

20. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions (including loan repayments, if applicable) to trusts containing assets for the Plan.

21. The Plan has complied with the fidelity bonding requirements of ERISA.

22. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

23. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2), and we are unaware of any non-exempt prohibited transactions resulting from the Plan's expenses.

24. We acknowledge our responsibility for presenting the schedule of assets (held at end of year), in accordance with accounting principles generally accepted in the United States of America and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedule are fairly presented in accordance with accounting principles generally accepted in the United States of America and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

25. We have obtained the SOC 1 reports of FuturePlan Administrative Services, LLC, Charles Schwab Trust Bank, ADP's retirement plan recordkeeping and trust services, and ADP's Autopay Payroll Services System, the Plan Administrators service providers. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls during the periods in which each service organization provided services to the Plan.

26. We have instructed you, and understand your engagement does not include the preparation of the Plan's Form 5500. We understand the AICPA's Audit and Accounting Guide, *Audits of Employee Benefit Plans,* requires that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500, we must provide a substantially completed draft Form 5500 (including any related schedules) to you for your review in order to identify any material inconsistencies, if any, between the information contained in the draft Form 5500 and related schedules, and the audited financial statements (including the required supplemental schedule) or any material misstatement of fact.

27. The version of the Plan's 2025 audited financial statements that we will file with the DOL using the EFAST2 system will be identical to the copy containing your manually-signed report provided to us.

28. We have complied with all required participant notice requirements including the Summary Annual Report (SAR) which has been or will be completed and communicated timely in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, as applicable.

29. You have assisted in drafting the financial statements and supplemental schedule, and we have reviewed, approved, and accepted responsibility for the financial statements and supplemental schedule. Also, regarding the assistance in drafting the financial statements and supplemental schedule and any other applicable nonattest services performed by you, we have:

    a. Assumed all management responsibilities.
