Independent Auditor's Report

The Administrative Committee
Belmond USA, Inc. 401(k) Plan
Charleston, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the ***Belmond USA, Inc. 401(k) Plan*** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information on the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the 2025 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the certified investment information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of the Belmond USA, Inc. 401(k) Plan (the Plan) provides only general information. The Plan was formerly known as the Orient-Express Hotels, Inc. 401(k) Plan. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan that was adopted by Belmond USA, Inc. (the Company) and its Affiliates, Venice Simplon Orient-Express, Inc. (VSO) and El Encanto Hotel and Garden Villas (El Encanto), collectively, "Affiliates", for the benefit of their employees. In July 2025, the Company sold El Encanto (see Note 8). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee oversees the governance of the Plan, including determining the appropriateness of the investment offerings and monitoring investment performance.

Plan Amendments

During 2025 and 2024, the Plan adopted certain voluntary provisions permitted under the Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act.

Eligibility and participation

An employee of the Company or its Affiliates is eligible to participate in the Plan if he or she has completed at least three months of continuous employment, has attained age 20½, is not a non-resident alien or leased employee, and is not covered by a collective bargaining agreement, unless such agreement specifically provides for the application of the Plan to such employee.

Plan entry dates are the first day of January, April, July, and October of each year.

Contributions

Each year participants may contribute up to 100% of pre-tax annual compensation not to exceed the annual maximum deferral prescribed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make "catch-up" contributions. Participants who have attained the ages of 60 - 63 before the end of the Plan year are also eligible to make additional "super catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Company and its Affiliates have adopted safe harbor matching provisions. Under these provisions, the Company and its Affiliates contribute safe harbor matching contributions equal to 100% of contributions made by a participant that do not exceed 3% of the participant's compensation, plus 50% of the contributions made by a participant that exceed 3% of the participant's compensation but that do not exceed 5% of the participant's compensation. The Company and its Affiliates made safe harbor matching contributions of approximately $340,000 and $400,000 during the years ended December 31, 2025 and 2024, respectively.

Investment options

Upon enrollment in the Plan, participants may direct their contributions and the Company's and its Affiliates' contributions in a variety of investment options as more fully described in the Plan's literature.

Note 1. Description of Plan (Continued)

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's and its Affiliates' safe harbor matching contributions, Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's and its Affiliates' safe harbor matching contributions plus actual earnings thereon. A participant who dies, becomes permanently disabled, or attains normal retirement age while employed will also become 100% vested. Participants are 100% vested in rollover and transfer contributions.

Forfeitures

At December 31, 2025 and 2024, forfeited balances of terminated participants' non-vested accounts, and earnings thereon, were insignificant to the Plan. Forfeited balances may be used to reduce the Company's and its Affiliates' matching contributions or pay plan administrative expenses as directed by the Plan administrator. During the year ended December 31, 2025 and 2024, no forfeitures were used to reduce the Company's and its Affiliates' matching contributions or to pay administrative expenses.

Participant notes receivable

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms may not exceed five years unless the loan is used to acquire a primary residence. The loans are secured by the balance in the participant's account and accrue interest at 3.25% to 9.50% which represents a rate similar to the rate charged for a loan made under similar circumstances by persons in the business of lending money. Principal and interest are paid ratably through payroll deductions. No participant may have more than one loan outstanding at any one time.

Withdrawals

Prior to termination of employment, a participant may withdraw any part or all of the vested balance of his or her account (excluding earnings) if the participant has attained age 59½ or has become disabled. If the participant has not attained age 59½ or become disabled, the participant may take a hardship withdrawal from his or her account to the extent needed to satisfy an immediate and heavy financial need caused by medical expenses, the purchase of a primary residence, the cost of post-secondary school tuition, funeral expenses, or impeding eviction or mortgage foreclosure. Hardship withdrawals are subject to approval by the Plan administrator.

Payment of benefits

On termination of service, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution, roll the vested balance into an individual retirement account (IRA) or other qualified plan, or leave the balance in the Plan. On termination of service due to death, the value of the deceased participant's account shall be distributed to the participant's beneficiary.

Note 1. Description of Plan (Continued)

Payment of benefits (continued)

The Plan's provisions allow the Plan administrator to require terminated participants to take a distribution if their account balance is less than $7,000. Under these provisions, when mandatory distributions are made, accounts with vested balances less than $1,000 will receive a lump-sum cash payment when the participant fails to elect other options. If his or her vested account balance exceeds $1,000 but is less than $7,000, a participant may elect to receive a single lump sum or roll over the vested balance into an IRA or other qualified plan. However, if no election is made by the participant, the Plan will automatically roll over the vested balance into an IRA with an affiliate of the Plan's custodian.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ materially from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2025 and 2024. If a participant ceases to make note receivable repayments and the Plan administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Participant contributions and the Company's and its Affiliates' safe harbor matching contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition (continued)

Management fees and operating expenses charged to the Plan for investments in shares of registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment returns for such investments.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

Personnel within the Company and its Affiliates perform many administrative duties of the Plan, including maintenance of personnel files and reconciliation of payroll records, at no charge to the Plan. A portion of the administrative expense incurred in connection with administration of the Plan and related trust is paid by the Company and its Affiliates. Any costs not paid by the Plan may be paid by the Company and its Affiliates. Other administrative costs are charged to the individual participant's accounts.

Note 3. Information Prepared and Certified by Trustee

Certain information in the accompanying financial statements and supplemental schedule, related to investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and dividends for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC, a qualified institution.

Note 4. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

- *Shares of registered investment companies* (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Shares of registered investment companies	**$ 20,980,035**	**$ -**	**$ -**	**$ 20,980,035**
Total assets at fair value	**$ 20,980,035**	**$ -**	**$ -**	**$ 20,980,035**

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	$ 21,975,044	$ -	$ -	$ 21,975,044
Total assets at fair value	$ 21,975,044	$ -	$ -	$ 21,975,044

Note 5. Party-in-Interest Transactions

Certain administrative expenses relating to the maintenance of participant eligibility records are paid by the Company and will not be reimbursed by the Plan. ADP's Retirement Services, the recordkeeper, and Raymond James and Associates, investment advisors, assist the Company with selecting investments and monitoring investment results. Therefore, investment transactions qualify as party-in-interest transactions. Fees paid by the Plan to ADP's Retirement Services for administrative services for the years ended December 31, 2025 and 2024, were approximately $20,000 and $22,000, respectively. Fees paid to Raymond James and Associates for investment management services were approximately $41,000 and $39,000 for of the years ended December 31, 2025 and 2024, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6. Income Tax Status

The IRS has determined and informed the Company and its Affiliates, by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such change could materially affect the amount reported in the statement of net assets available for benefits.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company and its Affiliates have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

El Encanto, an affiliate of the Company, was sold in July 2025, and immediately discontinued its contributions to the Plan. The sale constituted a partial plan termination. Because all affected participants were already 100% vested in their accounts under the current provisions of the Plan, the partial plan termination had no significant impact to the Plan.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to form 5500:

	2025	2024

Contributions per Form 5500	**$ 1,141,637**	$ 1,412,382

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued. There were no additional material subsequent events requiring disclosure as of this date.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
