INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Roevolution 226 Profit Sharing & 401(k) Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Roevolution 226 Profit Sharing & 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

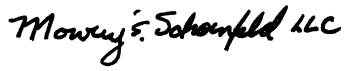

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held At End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Roevolution 226 Profit Sharing & 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan sponsored by Roevolution 226, LLC which also covers employees of certain affiliated entities under common ownership (collectively "the Company"). The Plan covers all non-union employees who have reached 21 years of age and have completed six months of service. Effective August 1, 2023, the Plan was amended to increase the automatic enrollment default pretax elective deferral from 3% to 4% of eligible compensation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute up to the maximum dollar amount allowable as determined by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investment choices through ADP Retirement Trust Services, LLC, the trustee and custodian of the Plan's investments, which include common collective trust funds as well as mutual funds through various registered investment companies.

The plan sponsor makes a discretionary matching contribution of 25% of employee contributions made. The Plan also allows for employer discretionary profit-sharing contributions. The Company made matching contributions of $299,436 to the Plan for the year ended December 31, 2025. The Company made no discretionary profit-sharing contributions to the Plan for the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contributions, qualified rollover contributions, allocations of the Company's contributions (if any), investment earnings or losses, and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined by the Plan.

Vesting

Participants are immediately vested in their deferral contributions plus actual earnings or losses thereon. Vesting in employer matching contributions and profit sharing allocated to individual participants, plus actual earnings or losses thereon, is based upon years of continual service as defined in the Plan. A participant is 100% vested after six years of service. Participants would also become fully vested in the event of death, disability, or retirement at designated ages.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. Loan terms range from 1 to 5 years, or 30 years for the purchase of a primary residence. Participants are limited to only one loan outstanding at any point in time. Each loan is secured by the balance in the participant's account and bears interest at a rate of 4.25% to 9.50% at December 31, 2025. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, hardship withdrawals are permitted if certain criteria are met. The plan document also requires post-severance mandatory force-out distributions for account balances under $7,000.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included as a reduction to net appreciation or an addition to net depreciation of fair value of investments. The Plan made direct payments for administration fees of $7,059 for the year ended December 31, 2025.

Forfeited Accounts

At December 31, 2025 and 2024, unallocated Plan assets resulting from forfeited nonvested accounts totaled $984 and $1,176, respectively. These accounts may be used to reduce future employer matching contributions or pay the Plan's administrative expenses. Forfeitures of $29,391 were used to reduce employer matching contributions during 2025.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for loan losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the note receivable to be in default, the participant loan balance is reduced; and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions

Amounts payable to participants for contributions made in excess of allowable amounts are recorded as a liability with a corresponding reduction to participant contributions. Excess contributions payable totaled $7,937 as of December 31, 2025. There were no excess contributions payable as of December 31, 2024. The Plan refunded the excess deferral contributions to participants and forfeited the match contributions subsequent to year-end.

Subsequent Events

Management has evaluated subsequent events through October 7, 2026, the date on which the financial statements were available to be issued. Except for as disclosed in Note 9, there were no subsequent events requiring recognition or disclosure in these financial statements.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The following information included in the accompanying financial statements and supplemental information as of December 31 was obtained from data that has been prepared and certified to as complete and accurate by the trustees, ADP Retirement Trust Services, LLC as of and for the year ended December 31, 2025, and Reliance Trust Company as of December 31, 2024:

	2025	2024
Investments, at fair value:		
Common/collective trusts	$ 2,939,614	$ 3,884,096
Mutual funds	8,412,344	8,937,987
Notes receivable from participants	80,978	156,670

The trustee also certified the completeness and accuracy of $934,988 of net appreciation in fair value of investments, $753,348 of dividends, $37,407 of interest, and $8,703 of interest income on notes receivable from participants, related to the aforementioned assets for the year ended December 31, 2025.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("FASB ASC 820"), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include the following:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observed for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Common/collective trusts: Units are valued using the net asset value ("NAV") practical expedient of the common/collective trust ("CCT") as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions. The State Street Cash Series U.S. Government Fund seeks to maximize current income, to the extent consistent with the preservation of capital and liquidity and the maintenance of a stable $1.00 per share NAV, by investing in U.S. government securities and in repurchase agreements collateralized by U.S. government securities.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$ 8,412,344	$ -	$ -	$ 8,412,344
Total assets in the fair value hierarchy	$ 8,412,344	$ -	$ -	8,412,344
Investments measured at NAV*				2,939,614
Investments, at fair value				$ 11,351,958

	December 31, 2024			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$ 8,937,987	$ -	$ -	$ 8,937,987
Total assets in the fair value hierarchy	$ 8,937,987	$ -	$ -	8,937,987
Investments measured at NAV*				3,884,096
Investments, at fair value				$ 12,822,083

*Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at fair value line item presented in the statements of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2025			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Common/collective trusts	$ 2,939,614	$ -	Immediate	N/A
	$ 2,939,614	$ -		

	December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Common/collective trusts	$ 3,884,096	$ -	Immediate	N/A
	$ 3,884,096	$ -		

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by ADP Retirement Trust Services, LLC. ADP Retirement Trust Services, LLC is the Plan's trustee and custodian, therefore these transactions qualify as party-in-interest transactions under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

As described in Note 1, the Company may pay certain administrative expenses relating to Plan operations to various service providers. In addition, employees of the Company provide administrative services to the Plan for which no fees are charged. These transactions are party-in-interest transactions under ERISA.

Notes receivable from participants also reflect party-in-interest transactions under ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 – TAX STATUS

On October 6, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the prototype plan was adopted, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 7 – TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No assets or liabilities relative to uncertain tax positions are recorded as of December 31, 2025 and 2024. The Plan is subject to routine audits by taxing jurisdictions; however, as of December 31, 2025, there were no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to a range of risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – PLAN AMENDMENTS

Effective January 1, 2025, the Plan adopted as part of the Setting Every Community Up for Retirement Enhancement Act ("SECURE 2.0 Act") to increase the catch-up contribution limit to the greater of $10,000 or 150% of the regular catch-up amount for employees who have attained ages 60, 61, 62, or 63. After 2025, the increased catch-up contribution limit will be indexed for inflation. Although the Plan has adopted the provision above, the Plan has not yet been formally amended. The plan sponsor intends to amend the Plan for all necessary SECURE 2.0 Act provisions prior to December 31, 2026.

Effective October 1, 2026, the Plan was amended to change the eligibility service requirement from six months of service to one month of service. Also, Custom Crafters, LLC was removed from the participating employer list, leaving Office Revolution, LLC as the only participating employer in addition to the plan sponsor, Roevolution 226, LLC. Refer to Note 10 for further information regarding the spin-off.

Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

NOTE 10 — PLAN SPIN-OFF AND TRANSFER OF ASSETS

Effective July 1, 2025, the accounts of participants associated with Custom Crafters, LLC were spun off to the newly established Custom Crafters, LLC 401(k) & Profit Sharing Plan (the "Receiving Plan"). The Receiving Plan is sponsored by Custom Crafters, LLC. As noted above, the plan was formally amended to remove Custom Crafters, LLC from the participating employer listing on October 1, 2026.

The Plan transferred assets with a fair value of $1,622,041 to the trustee of the Receiving Plan. The amount transferred represented the included participants' account balances, adjusted for investment activity and other transactions through the transfer date. The transfer is reported as "Net assets transferred to other qualified plans" in the accompanying statement of changes in net assets available for benefits.

Following the completion of the transfer, the affected participants' accounts are administered under the terms of the Receiving Plan, and the Plan has no further obligation with respect to those transferred account balances.
