Independent Auditor's Report

The Plan Administrator
Sky River Casino 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sky River Casino 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Sky River Casino 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering the employees of Wilton Rancheria Gaming Authority, dba Sky River Casino (the Company or Plan Sponsor), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan Sponsor and serves as the Plan Administrator. The Plan was established effective January 1, 2022.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching the age of 21 and completing three months of service. The Plan entry date is the first day of the month coinciding with or next following the date on which the eligibility requirements are satisfied.

Contributions

Eligible participants may elect to make pre-tax or Roth elective deferrals. Participants may elect to defer not less than 1% and not more than 90% of their compensation. They may contribute to the Plan each payroll period up to the maximum amount allowable under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the plan year are eligible to contribute an additional amount (a catch-up contribution) to the Plan subject to Internal Revenue Service (IRS) limits. Participants direct the investment of their contributions into various investment options offered by the Plan.

Additionally, participants may rollover amounts representing distributions from other qualified retirement or profit-sharing plans.

The Company will make a matching contribution equal to 50% of employee deferrals, not exceeding 4% of a participant's compensation for the Plan year. The Company matching contributions are invested in the same manner as the participants' contributions. A participant must make elective deferrals and be actively employed on the last day of the Plan year in order to receive the matching contribution.

Participant Accounts

Each participant's account is credited and/or charged with the participant's elective deferral and allocations of (a) the Company's contribution and (b) Plan earnings (losses), and charged with participant-directed administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested for their entire contributions plus actual earnings thereon.

Vesting in the Company's matching contributions credited to participant's accounts including actual earnings thereon, is based on years of continuous service. Participants become 100% vested in the Company's matching contributions upon completing four years of service. The nonvested portion of a participant's account balance is forfeited upon the earlier of distribution of the participant's entire vested account balance or the end of the plan year in which the participant incurs five consecutive one-year breaks in service.

The following table sets forth the Plan's vesting schedule for employer contributions:

Years of Vesting Service	Percent Vested
Less than 1 year	0%
At least 1 year, but less than 2	25%
At least 2 years, but less than 3	50%
At least 3 years, but less than 4	75%
4 or more years	100%

Participants are automatically 100% vested upon reaching the age of 65 while employed, or in case of death, disability (as defined in the Plan), or termination of the Plan.

Forfeitures

Forfeited accounts are used to pay Plan expenses and remaining forfeitures will be used to reduce future employer matching. In accordance with applicable regulations, forfeitures are required to be used within 12 months following the end of the plan year in which they are incurred. Forfeitures incurred in plan years beginning prior to January 1, 2024 were subject to transition relief and were required to be used by December 31, 2025.

The changes in the Plan's forfeiture account balance for the years ended December 31, 2025 and 2024 are as follows:

	2025	2024
Balance, January 1	**$ 143,822**	$ 24,105
Forfeitures credited during the year	**109,837**	117,541
Investment gain and other adjustments	**5,704**	2,176
Balance, December 31	**$ 259,363**	$ 143,822

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures (Continued)

As of December 31, 2025, the forfeiture account balance included amounts from prior plan years that had not yet been utilized, including amounts subject to the December 31, 2025 transition relief deadline. On February 19, 2026, the remaining forfeiture balance was fully utilized, in accordance with the terms of the Plan, to reduce employer contributions. Accordingly, no forfeiture balance remained outstanding thereafter.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participants' accounts and bear an interest rate equal to 1% above the prime rate. Principal and interest are paid ratably through monthly payroll deductions. The term of the loan should not exceed five (5) years except in the case of a loan used to acquire a primary residence. The participants are permitted to have no more than two outstanding loans at any given time.

Payment of Benefits

Upon retirement or termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account or payment in installment as determined by the participants. In accordance with the IRC, hardship withdrawals are allowed to satisfy an immediate and heavy financial need.

Hardship Withdrawals

Under certain conditions, a participant, while still employed, is permitted to make hardship withdrawals from the employee contribution and matching contribution portions of their account balance.

Administrative Expenses

Investment management and administrative expenses of the Plan are paid by the Plan as provided in the Plan document, unless paid by the Company, without reimbursement.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value as reported to the Plan by the Plan's custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments contracts bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Revenue credits are recorded when corrections are necessary in participants' accounts.

Net Appreciation (Depreciation) in Fair Value of Investment

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is reported in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

All usual and reasonable expenses are paid by the employer, and any expenses not paid by the employer may be paid from the plan assets if not prohibited by applicable laws or regulations.

NOTE 3 FAIR VALUE MEASUREMENT

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement.* This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds
These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact purchases and sales at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

Common Collective Trust
Common collective trust is valued at fair value using the NAV as provided by the custodian. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods and appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments stated at fair value as of December 31, 2025 and 2024:

	2025			
Investment Category	**Level 1**	**Level 2**	**Level 3**	**Total**
Mutual funds	**$ 20,043,891**	**$ -**	**$ -**	**$ 20,043,891**
Investments, at fair value	**$ 20,043,891**	**$ -**	**$ -**	
Investments measured at net asset value				**707,187**
Total investments at fair value				**$ 20,751,078**

	2024			
Investment Category	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,789,846	$ -	$ -	$ 12,789,846
Investments, at fair value	$ 12,789,846	$ -	$ -	
Investments measured at net asset value				573,652
Total investments at fair value				$ 13,363,498

For the years ended December 31, 2025 and 2024, net appreciation in fair value of investments in registered investment companies (mutual funds) and the investment held in the common collective trust is as follows:

	2025	2024
Mutual funds	**$ 2,185,136**	$ 976,590
Common collective trust	**19,479**	13,588
Net appreciation in fair value of investments	**$ 2,204,615**	$ 990,178

NOTE 4 FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan's asset information as of December 31, 2025 and 2024, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified by ADP Retirement Trust Services, LLC (ADPRTS) and Reliance Trust Company (RTC), respectively, the Plan's trustee and custodian. The Plan Administrator has obtained certification from the trustee and custodian that information provided to the Plan Administrator related to the Plan's assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by the trustee and custodian that is included throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments and notes receivable from participants, as reflected in the Statements of Net assets Available for Benefits as of December 31, 2025 and 2024;
- Investment and participant loan activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2025 and 2024;
- Investment information disclosed in Note 3 to the Plan's financial statements; and,
- Investments and notes receivable from participants, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025.

NOTE 5 INCOME TAX STATUS

The Plan has adopted a non standardized form of a prototype plan sponsored by ADP, LLC. The prototype plan has received an opinion letter dated October 6, 2020 from the IRS as to the prototype document's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid recordkeeping fees of $94,660 and $70,043 for the years ended December 31, 2025 and 2024, respectively, to an affiliate of the trustee. These transactions qualify as exempt party-in-interest transactions under ERISA.

During 2024, RTC served as the Plan's trustee and custodian and managed the Plan's investment in common collective trust. Effective in 2025, ADPRTS became the Plan's trustee and custodian. Accordingly, the recordkeeping fees paid to the trustee's affiliate, constitute party-in-interest transactions under ERISA.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds and a common collective trust. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 10 NEW LAWS AND REGULATION

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferrals was expanded to 403(b) plans.

For plan years beginning in 2024, long-term, part-time employees are eligible to participate in the Plan if they complete at least 500 hours of service in each of three consecutive 12-month periods. For plan years beginning after December 31, 2024, the eligibility requirement is reduced to two consecutive 12-month period with at least 500 hours of service in each period.

The IRS issued proposed regulations in February 2023 addressing the use and timing of forfeitures in qualified retirement plans. These regulations apply to plan years beginning on or after January 1, 2024. The regulation states that forfeitures must be used no later than 12 months after the end of the plan year in which the forfeitures were incurred. However, the transition rule also provides that any forfeitures that were incurred in any plan year beginning before January 1, 2024 are treated as having been incurred in the first plan year that begins on or after January 1, 2024. Accordingly, such forfeitures must be used no later than December 31, 2025.

Beginning January 1, 2026, participants whose prior-year FICA wages from the Plan Sponsor exceed the applicable threshold ($150,000 for 2026, based on 2025 wages, as indexed for inflation) will generally be required to make catch-up contributions on a Roth basis. Management is monitoring regulatory guidance and evaluating administrative updates required to comply with this provision.

The Plan will implement the above legislative changes and intends to formally execute the required plan amendments reflecting their implementation by the deadline of December 31, 2026.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated events or transactions that occurred subsequent to December 31, 2025, through October 14, 2026 the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events occurred that required disclosure or adjustment to the accompanying financial statements.
