INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Chapin International, Inc. 401(k) Profit Sharing
Plan and Trust (Union)
Batavia, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in aggregate, that raise substantial doubt about Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union)'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union)'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union)'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

1. PLAN DESCRIPTION

The following is a brief description of Chapin International, Inc. 401(k) Profit Sharing Plan and Trust (Union) (the "Plan") provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is funded by employee and employer contributions and covers all bargaining unit employees of Chapin International, Inc. (the "Company"), who have attained 18 years of age. Employees may begin contributing to the Plan upon completion of ninety days of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions – The Plan allows for employee pre-tax or post-tax contributions of 1% to 90% of eligible employee compensation. Upon reaching eligibility for participation, employees are automatically enrolled at 4%, unless the employee opts out, with no annual automatic escalation. Participants may also contribute rollover amounts representing distributions from other defined contribution plans and certain IRAs.

The Plan provides for employer matching contributions for employees equal to 50% of each participant's contributions on the first 4% of eligible compensation. In addition, certain discretionary contributions awarded to participants under a separate profit-sharing arrangement may be contributed to the Plan by the Company as a non-elective deferral. For the year ended December 31, 2025, such non-elective deferrals totaled $38,875. Total contributions made on behalf of each participant may not exceed limits imposed by the IRC. Participants may direct the investment of the contributions into various investment options offered by the Plan.

Participant contributions received by the Plan during the year ended December 31, 2024 are net of excess contribution payments to participants of $74. The excess contributions were returned to participants in February 2025, to satisfy the relevant nondiscrimination provisions of the Plan and are included in the accompanying statement of net assets available for benefits as excess contributions payable at December 31, 2024. There were no excess contributions for the year ended December 31, 2025.

Vesting – Participants are 100% vested in all contributions to their accounts, including contributions made by the employer.

Participant Accounts – Each participant's account is credited with the participant's contribution, an allocation of the employer contribution and Plan earnings, and charged with administrative expenses. Allocations of earnings and expenses are based on participant account balances.

Notes Receivable from Participants – Participants may borrow from their account balance a minimum of $1,000 up to a maximum of $50,000. Loans bear interest at the prime rate plus 1%. As of December 31, 2025, the interest rates on loans ranged from 4.25% to 9.50%, maturing through April 2030. Loans must be repaid in at least quarterly installments over a maximum term of five years for personal loans and thirty years for residential loans.

1. PLAN DESCRIPTION (continued)

Payment of Benefits – Upon termination of service, including termination for disability, a participant may elect to receive either a lump-sum distribution equal to the value of his or her account, or annual installments over a period of years not to exceed life expectancy. A terminated participant may elect non-periodic withdrawals and may decline to receive payments until age 65. Distributions are also permitted in the event of financial hardship, as defined by the Plan. Upon the death of a participant, distribution is permitted in a lump sum or over a period of time. The Plan allows for in-service withdrawals for participants who attain the age of 59 ½.

Basis of Presentation – The accompanying financial statements have been prepared on the accrual basis of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition – The Plan follows the current guidance which establishes standards for determining the fair value of assets and liabilities which are subject to reporting at fair value. The guidance establishes a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred, followed by Level 2, and Level 3. Level 3 inputs are to be used only where neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2025 and 2024:

Mutual funds: Valued based on quoted market prices, which represent the net asset values ("NAV") of the shares held by the Plan.

Collective trust fund: The Invesco Stable Value fund primarily holds guaranteed and other similar investment contracts, that are fully-benefit responsive. The fund is valued based on the NAV of units held by the Plan at year end using NAV contract value. The fund generally has no redemption restrictions or unfunded capital commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Administrative Expenses – The costs of administration are primarily paid by the Plan.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events – Management has evaluated the effects of all subsequent events through September 16, 2026, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Plan measures fair value, refer to Note 2 – Summary of Significant Accounting Policies. The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value as of December 31, with the exception of the collective trust fund, which is measured at fair value using the NAV practical expedient. The fair value for the collective trust fund is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

	2025	2024
Level 1:		
Mutual funds	$ 4,442,328	$ 3,836,860
Investments measured at net asset value:		
Collective trust fund	458,659	501,859
Total investments at fair value	$ 4,900,987	$ 4,338,719

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, participants will be entitled to the amount of their account at the date of such termination.

5. INCOME TAX STATUS

The Plan has adopted a Non-Standardized Defined Contribution Pre-Approved Plan (the "Pre-approved Plan"). The Pre-approved Plan received an Opinion Letter from the Internal Revenue Service dated October 6, 2020, stating that the form of the Plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Accordingly, no provision has been made for Federal income taxes in the accompanying financial statements.

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule.
