**INDEPENDENT AUDITORS' REPORT**

The Board of Trustees
Chapin International, Inc. 401(k) Plan
Batavia, New York

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Chapin International, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Chapin International, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chapin International, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chapin International, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chapin International, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chapin International, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. PLAN DESCRIPTION

The following is a brief description of Chapin International, Inc. 401(k) Plan, (the "Plan"), provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (the "Code"). The Plan is funded by employee and employer contributions and covers all non-bargaining unit employees of Chapin Manufacturing, Inc. and Subsidiaries (collectively, the "Plan Sponsor" or the "Company"), who have attained 18 years of age and three months of service. Chapin Intl. Inc., Chapin Custom Molding Inc. and Heath Manufacturing Company are also participating employers of the Plan. Employees may begin contributing to the Plan immediately upon being hired by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Contributions*** – The Plan allows for employee pre-tax or post-tax contributions of 1% to 90% of eligible employee compensation. Upon reaching eligibility for participation, employees are automatically enrolled at 4%, unless the employee opts out, with no annual automatic increase. Participants may also contribute rollover amounts representing distributions from other defined contribution plans and certain IRAs. The Plan includes a safe harbor match of 100% of each participants contributions up to 6% of eligible compensation contributed. Additionally, the Company makes an additional employer matching contribution of up to 4% of eligible compensation on participant contributions in excess of 6%, for a total employer match of 10%. In addition, certain discretionary contributions awarded to participants under a separate profit-sharing arrangement may be contributed to the Plan by the Company as a non-elective deferral. There were no discretionary contributions for the year ended December 31, 2025. Total contributions made on behalf of each participant may not exceed limits imposed by the Internal Revenue Code ("IRC"). Participants may direct the investment of the contributions into various investment options offered by the Plan.

Participant contributions received by the Plan during the years ended December 31, 2025 and 2024 are net of excess contribution payments to participants of $8,437 and $12,007, respectively. The excess contributions were returned to participants in March 2026 and March 2025, respectively, to satisfy the relevant nondiscrimination provisions of the Plan and are included in the accompanying statements of net assets available for benefits as excess contributions payable at December 31, 2025 and 2024.

***Vesting*** – Participants are fully vested in their accounts for matching contributions of 1% to 6% of eligible employee compensation and will become fully vested in their accounts for matching contributions of 7% to 10% of eligible employee compensation contributed after three years. Participants are fully vested in their employer discretionary contributions.

***Forfeitures*** – Forfeitures shall be used to first offset Plan administrative expenses and then be used to reduce employer contributions. There were forfeitures available of $20,876 and $537 at December 31, 2025 and 2024, respectively. During the years ended December 31, 2025 and 2024, $19,845 and $13,071 was utilized, respectively to offset Plan administrative expenses. During the year December 31, 2025, $26,296 was utilized to reduce employer contributions.

## 1. PLAN DESCRIPTION (continued)

***Participant Accounts*** – Each participant's account is credited with the participant's contribution, an allocation of the employer contribution, Plan earnings, and charged with administrative expenses. Allocations of earnings and expenses are based on participant account balances.

***Notes Receivable from Participants*** – Participants may borrow from their account balance a minimum of $1,000 up to a maximum of $50,000. Loans issued prior to July 1, 2023 were limited to up to 50% of the participant's account balance ranging from a minimum of $1,000 to a maximum of $50,000 and bear interest at rates commensurate with local prevailing rates determined by the plan administrator. Effective July 1, 2023, loans bear interest at the prime rate plus 1%. As of December 31, 2025, the interest rates on loans ranged from 4.25% to 9.50% and the loans mature through August 2031. Loans must be repaid in at least quarterly installments over a maximum term of five years for personal loans and thirty years for residential loans. Residential loans issued prior to July 1, 2023 have a maximum term of fifteen years.

***Payment of Benefits*** – Upon termination of service, including termination for disability, a participant may elect to receive either a lump-sum distribution equal to the value of his or her account, or annual installments over a period of years not to exceed life expectancy. A terminated participant may elect non-periodic withdrawals and may decline to receive payments until age 65. Distributions are also permitted in the event of financial hardship, as defined by the Plan. Upon the death of a participant, distribution is permitted in a lump sum or over a period of time. The Plan allows for in-service withdrawals for participants who attain the age of 59 ½.

***Basis of Presentation*** – The accompanying financial statements have been prepared on the accrual basis of accounting.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Investment Valuation and Income Recognition*** – The Plan follows the current guidance which establishes standards for determining the fair value of assets and liabilities which are subject to reporting at fair value. The guidance establishes a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred, followed by Level 2, and Level 3. Level 3 inputs are to be used only where neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2025 and 2024:

*Mutual funds:* Valued based on quoted market prices, which represent the net asset values ("NAV") of the shares held by the Plan.

*Collective trust fund:* The Invesco Stable Value fund primarily holds guaranteed and other similar investment contracts, that are fully benefit-responsive. The fund is valued based on the NAV of units held by the Plan at year end using NAV contract value. The fund generally has no redemption restrictions or unfunded capital commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

***Payment of Benefits*** – Benefit payments to participants are recorded when paid.

***Administrative Expenses*** – The costs of administration are primarily paid by the Plan and the Plan Sponsor.

***Use of Estimates*** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from those estimates.

***Risks and Uncertainties*** – The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

***Subsequent Events*** – Management has evaluated the effects of all subsequent events through September 30, 2026, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

## 3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Plan measures fair value, refer to Note 2 – Summary of Significant Accounting Policies. The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value as of December 31, with the exception of the collective trust fund, which is measured at fair value using the NAV practical expedient. The fair value for the stable value fund is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

| | 2025 | 2024 |
|---|---|---|
| *Level 1:* | | |
| Mutual funds | $ 21,452,902 | $ 17,165,198 |
| *Investments measured at net asset value:* | | |
| Collective trust fund | 3,193,994 | 3,184,503 |
| Total investments at fair value | $ 24,646,896 | $ 20,349,701 |

## 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, participants will be entitled to the amount of their account at the date of such termination.

## 5. INCOME TAX STATUS

The Plan has adopted a Non-Standardized Defined Contribution Pre-Approved Plan (the "Pre-approved Plan"). The Pre-approved Plan received an Opinion Letter from the Internal Revenue Service dated October 6, 2020, stating that the form of the Plan is acceptable under Section 401 of the Code for use by employers for the benefit of their employees. Accordingly, no provision has been made for Federal income taxes in the accompanying financial statements.

## 6. CERTIFIED INVESTMENT INFORMATION

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedules.
