INDEPENDENT AUDITOR'S REPORT

October 14, 2026

To the Plan Administrator of
Hurlbut Health Consulting, LLC 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Hurlbut Health Consulting, LLC 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. 1. DESCRIPTION OF PLAN

The following brief description of the Hurlbut Health Consulting, LLC 401(K) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers substantially all employees of Hurlbut Health Consulting, LLC (the Company) and affiliated companies who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the sponsor of the Plan. Newport Trust Company, LLC (Newport) served as the Plan's custodian and trustee from January 1, 2024 through December 2, 2024. Fidelity Management Trust Company (Fidelity) is the custodian and trustee of the Plan beginning December 2, 2024 through December 31, 2025.

Eligibility

Employees of the Company that are not nonresident aliens and not leased employees are eligible to participate in the Plan upon attainment of age 18. As of December 1, 2024, the Plan was amended to also exclude residents of Puerto Rico from eligible employees. Employees must be age 18 or older to be eligible for the Company's employer discretionary matching contributions.

Contributions

Each year, participants may contribute up to 100% of their annual salary into the Plan as a qualified pre-tax contribution subject to maximum annual dollar contribution restrictions of ERISA and the Internal Revenue Service. Participants may also roll over contributions from other qualified retirement plans, at the discretion of the Plan Administrator. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2025, participants aged 60 through 63 were eligible to make additional catch-up contributions of up to $11,250 for the 2025 Plan year in accordance with the Secure 2.0 Act. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for discretionary employer matching contributions to be determined by the Company. The employer match was equal to 7% of the employee's contributions for the years ended December 31, 2025, and 2024 and totaled $73,934 and $73,904. All employer contributions are invested in the same allocation as participant contributions. All contributions are participant directed.

Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and allocations of (a) plan earnings and losses, and (b) an allocation of administrative expenses. Allocations of plan earnings and losses are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings/loss thereon. Vesting in the Company's matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three consecutive years of 1,000 hours credited service.

Forfeitures
Any forfeitures arising under the Plan may be used to pay administrative expenses or to reduce the employer matching contributions. During 2025 and 2024, forfeitures of non-vested account balances and related earnings totaled $9,793 and $4,124, respectively. Forfeited amounts used to reduce employer matching contributions or to reduce administrative expenses for the years ended December 31, 2025 and 2024 were $3,119 and $4,124 respectively. As of December 31, 2025, there were $6,674 of available forfeitures. As of December 31, 2024, there were no reported available forfeitures.

Payment of Benefits
Upon termination or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in their account in a lump sum amount. Distribution of benefits are payable upon a participant's (a) retirement, (b) disability, (c) death, or (d) termination of services with the Plan Sponsor, under prescribed circumstances.

In-Service Withdrawals
Participants may elect disbursement of all or part of their vested account balance upon attainment of age 59 ½.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from a participant's vested account balance, under certain circumstances. All hardship withdrawals are subject to the Company's approval and must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Investment fees are paid by the Plan.

Delinquent Contributions
As disclosed in the accompanying supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, certain employee deferrals were not remitted to the Plan within the required timeframe. For the year ended December 31, 2024, employee deferrals totaling $155,153 were subject to late remittance. $40,806 of employee deferrals were corrected in 2024, while employee deferrals totaling $114,347, employer match contributions totaling $8,004 and lost earnings of $1,223 were corrected and remitted during 2025. The participant contributions and employer matching contributions were recorded as receivables to the plan as of December 31, 2024 on the statements of net assets available for benefits. For the year ended December 31, 2025, employee deferrals totaling $354,907 subject to late remittance were deposited into the Plan; however, related lost earnings of approximately $1,144 remained unremitted as of December 31, 2025. Management intends to remit the outstanding lost earnings and complete the correction process subsequent to year-end.

Plan Termination
Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in the common/collective trust (CCT) are stated at net asset value (NAV) as a practical expedient to fair value as determined by the issuer of the fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The cost of investments used in determining realized and unrealized gains and losses is based upon average cost.

Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments.

Fair Value Measurements – Definition and Hierarchy

Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

Excess Contributions Payable to Participants

Accounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participant contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits
Benefit payments are recorded when paid.

Risks and Uncertainties
The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Newport for the period January 1, 2024 through December 2, 2024 and by Fidelity as of December 31, 2024 and for the period December 2, 2024 through December 31, 2025.

	2025	2024
Investments, at fair value	$ 17,033,484	$ 15,225,753
Interest and dividends	$ 902,310	$ 518,181
Net appreciation in fair value of investments	$ 1,651,383	$ 1,069,878
Schedule of Assets Held at End of Year	Schedule I	

4. FAIR VALUE MEASUREMENT

The Plan's assets measured at fair value, on a recurring basis within the fair value hierarchy, are as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 2,307	$ -	$ -	$ 2,307
Mutual funds	16,414,053	-	-	16,414,053
	16,416,360	-	-	16,416,360
Common/collective trust fund, at NAV[a]				617,124
Total investments, at fair value				$ 17,033,484

4. FAIR VALUE MEASUREMENT (Continued)

The Plan's assets measured at fair value, on a recurring basis within the fair value hierarchy, are as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 19,867	$ -	$ -	$ 19,867
Mutual funds	14,363,190	-	-	14,363,190
	14,383,057	-	-	14,383,057
Common/collective trust fund, at NAV[a]				842,696
Total investments, at fair value				$ 15,225,753

(a) In accordance with the Financial Accounting Standards Board authoritative guidance regarding fair value measurement, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a description of the valuation methodologies used for assets measured at fair value by the Plan.

Money Market Fund: Valued at one dollar per share held by the Plan at year end. The money market fund held by the Plan are mutual funds invested in highly liquid, near-term instruments and are registered with the Securities and Exchange Commission. The money market funds held by the Plan are deemed to be actively traded.

Mutual Funds: Valued based on quoted market prices in active markets.

Common/Collective Trust: Valued at the net asset value ("NAV") of units held by the Plan. NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The fund is a stable value collective trust that seeks to preserve principal while providing a stable rate of return through investments in benefit-responsive contracts and other fixed-income investments.

The Plan has the following common/collective trust investment that is valued using NAV as a practical expedient at December 31, 2025:

Description	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	$ 617,124	$ -	Daily	None

4. FAIR VALUE MEASUREMENT (Continued)

Common/Collective Trust (Continued)
The Plan has the following common/collective trust investment that is valued using NAV as a practical expedient at December 31, 2024:

Description	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	$ 842,696	$ -	Daily	None

The fund seeks to maintain the stability of a money market fund while offering returns similar to those of intermediate-term bonds.

There were no changes in valuation techniques during 2025 or 2024.

5. INCOME TAX STATUS

Effective December 1, 2024, the Plan adopted a pre-approved plan document provided by FMR, LLC that has received an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Prior to December 1, 2024, the Plan was designed from a pre-approved plan document provided by Newport Group Inc. that had received an opinion letter on November 30, 2020.

The Plan has been amended since adopting the pre-approved plan. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTIES-IN-INTEREST

Certain plan investments were managed by Newport from January 1, 2024 through December 2, 2024 and managed by Fidelity from December 2, 2024 through December 31, 2025. As such, transactions involving Newport, Fidelity, the Company and the Plan qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2025 and 2024.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements were available to be issued.
