INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
World Emblem International, Inc. 401(K) Profit Sharing Plan
Hollywood, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of World Emblem International, Inc. 401(K) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan:

The following description of the World Emblem International, Inc. 401(K) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established on January 1, 2004, is a defined contribution plan covering employees of World Emblem International, Inc. and its subsidiaries (collectively the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan qualifies as a Qualified Automatic Contribution Arrangement ("QACA") in accordance with Internal Revenue Service ("IRS") Code Section 401(k)(13).

Eligibility

Employees who are age 21 or older and have completed 3 months of service are eligible to contribute to the Plan, except non-resident aliens and residents of Puerto Rico. Eligible employees can enter the Plan on the first day of the month coinciding with or following satisfaction of eligibility requirements. The Plan has an automatic enrollment provision providing for a 6% salary deferral, whereby employees must elect out of the Plan if they do not wish to participate.

Contributions

Participants may elect to contribute up to 90% of their annual compensation, as defined by the Plan and subject to certain limitations set by the Internal Revenue Code ("IRC"). In addition, employees who have attained age 50 by the end of the Plan year may make catch-up contributions up to limits defined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes a QACA safe harbor contribution each pay period and may make additional discretionary nonelective or profit-sharing contributions on an annual basis. The Company's QACA safe harbor contribution is calculated at an amount equal to the sum of 100% of the participant's elective deferrals up to 1% of the participant's compensation, plus 50% of the participant's elective deferral over 1% and up to 6% of the participant's compensation. Employees who completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year will be eligible to receive an allocation of the annual discretionary nonelective or profit-sharing contribution, if any. The Company did not make any discretionary nonelective or profit-sharing contributions for the Plan year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of Company contributions, and participant earnings. Participant earnings are based on an allocation of Plan earnings respective to each participant's account balances and investment selections. Any related administrative expenses based on participant earnings or account balances are deducted from the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

1. Description of Plan (Continued):

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers a selection of mutual funds and a common collective trust as investment options for participants.

Vesting

Participants are immediately 100% vested in their elective deferrals, including catch-up contributions and rollover contributions from other plans, plus actual earnings thereon.

Vesting in the Company's contributions plus actual earnings thereon is based on periods of continuous service. Participants are 100% vested in QACA safe harbor contributions after two years of credited service, and discretionary nonelective and profit-sharing contributions after three years of credited service. All employer contributions become fully vested in the event of participant death, disability, or after reaching normal retirement age while under the Company's employment.

Forfeited Accounts

Forfeited nonvested accounts may be used to pay Plan expenses or reduce employer contributions. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $336 and $226, respectively. During the year ended December 31, 2025, forfeited non-vested accounts of $89,270 were used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow a minimum of $500, up to 50% of their vested contributions and related earnings, not to exceed $50,000. Participants are permitted one outstanding loan at a time. Loans are secured by the balance in the participant's account and must be repaid in level payments through payroll deductions within a 5-year period, except for loans for the purchase of a principal residence which may be repaid over a reasonable period of time not to exceed a maximum of 30 years. The loans bear interest rate at the prime rate plus 2%.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in their account in accordance with Plan provisions. In-service withdrawals are allowed for participants who attain the age of 59 ½. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Account balances that are under $7,000 may be automatically distributed upon termination of service as a lump sum without the consent of the participant.

1. Description of Plan (Continued):

Administrative Expenses

In accordance with Plan provisions, the Company or the Plan may pay administrative expenses of the Plan. Recordkeeping and other administrative services expenses are paid by the Plan and allocated to participant accounts. Plan expenses charged for transactions that are participant specific are deducted from the respective participant account.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction in the investment return for such investments.

2. Summary of Accounting Policies:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Participant contributions are recorded in the period in which amounts are withheld from participant compensation. Employer contributions are recorded in the period in which they become obligations of the Organization under the terms of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value which represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date as described in Note 3.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Realized gains and losses on the sales of securities are reported on the average cost method.

2. Summary of Accounting Policies (Continued):

Notes Receivable from Participants

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are reclassified as distributed based upon the terms of the Plan document. The loans are secured by the balance in the participants' accounts.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in a combination of investment securities which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

Financial Accounting Standards Board, Statement of Accounting Standards Codification Topic 820 ("ASC 820") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Common collective trusts: Stated at fair value as determined by the issuers of the funds on the fair market value of the underlying investments, which is valued at net asset value ("NAV") as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV.

3. Fair Value Measurements (Continued):

The following table sets forth by level within the fair value hierarchy the Plan investment assets at fair value as of December 31:

	Level	2025	2024
Mutual funds	1	$ 8,230,936	$ 7,912,729
Common collective trusts	*(a)*	48,693	52,619
Total investments at fair value		$ 8,279,629	$ 7,965,348

(a) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

4. Information Certified by Custodian:

Investments included in the statement of net assets available for benefits as of December 31, 2025 and 2024, and the net appreciation in fair value of investments and dividend and interest income included in the statement of changes in net assets available for benefits for the year ended December 31, 2025, have been derived from information certified as complete and accurate by Reliance Trust Company, custodian, in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

December 31,	2025	2024
Mutual funds	$ 8,230,936	$ 7,912,729
Common collective trusts	48,693	52,619
Notes receivable from participants	200,725	248,475

Year Ended December 31,	2025
Net appreciation in fair value of investments	$ 872,819
Dividend and interest income	370,486
Interest on notes receivable from participants	20,297

5. Parties-in-Interest Transactions:

ADP, LLC ("ADP") provides recordkeeping services to the Plan and is considered a party in-interest to the Plan. Accordingly, transactions with ADP qualify as party-in-interest transactions. During 2025, the Plan paid $72,337 to ADP for recordkeeping services.

Included in the Plan assets are notes receivable from participants. At December 31, 2025 and 2024, notes receivable from participants amounted to $200,725 and $248,475, respectively. For the year ended December 31, 2025, interest income related to notes receivable from participants amounted to $20,297. These transactions qualify as party-in-interest transactions permitted under provisions of ERISA.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

7. Tax Status:

The Plan obtained a determination letter on October 6, 2020, in which the IRS stated that the Plan was designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and tax counsel believe the Plan is currently being operated in compliance with the applicable requirements of the IRS.

Management has evaluated the Plan's tax positions and concluded that as of December 31, 2025, the Plan had taken no uncertain tax positions that require recognition of liability (or asset) in the accompanying financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

8. Subsequent Events:

Effective August 1, 2026, the Plan was amended and restated to change the three-month service requirement for eligibility to an elapsed-time method and to permit in-plan Roth transfers.

Management has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued and has determined that, except as described above, there are no subsequent events requiring recognition or disclosure in the financial statements.
