Independent Auditors' Report

To the Plan Sponsor of
St. Nicks Alliance Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed the audits of the financial statements of St. Nicks Alliance Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and the Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the St. Nicks Alliance Pension Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The plan was amended and restated to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The initial effective date of the plan is January 1, 1993.

GENERAL

The Plan is a defined contribution retirement plan effective January 1, 1993, covering eligible employees of St. Nicks Alliance and its participating employers. The Plan was amended and restated and adopted on July 22, 2022 to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments. The Plan qualifies under Section 401(a) of the Internal Revenue Code (the "Code"). Employers in the Plan are as follows:

- St. Nicks Alliance (the "Plan Sponsor")
- East Williamsburg Valley Industrial Development Corp.
- St. Nicholas Human Support Corporation
- School Settlement Association
- Conselyea Street Block Association

Collectively, these employers are referred to as the "Company".

ELIGIBILITY AND SERVICE RULES FOR PARTICIPATION

Effective January 1, 2025, employees are eligible to participate in the Plan for elective deferrals upon attaining age 21 and completing six consecutive months of service during which at least 500 hours of service are completed. If an employee does not complete the required hours of service during the specified period, the employee is subject to the one year of service requirement. Participants are eligible for employer contributions upon completing one year of service during which at least 1,000 hours of service are completed. Union employees and activity specialists are not eligible to participate in the Plan. Employees are automatically enrolled in the Plan upon meeting the requirements at a deferral rate of 1% of participant compensation, unless they elect an alternate percentage or opt out of the Plan. There is no auto escalation. The entry date is the first day of the Plan Year quarter coinciding with or next following the date the requirements are met.

EMPLOYER CONTRIBUTIONS

Each year, the Company contributes to the Plan a non-elective safe harbor contribution of four percent of each participant's annual compensation. The Company may also elect to contribute further discretionary contributions to the Plan. Discretionary employer nonelective contributions, if any, are allocated annually based on participant classifications, including Senior Staff, Middle Management, and Staff, as defined in the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT CONTRIBUTIONS

Participants may contribute pre-tax compensation, as defined in the Plan, subject to the Internal Revenue Service ("IRS") limitations, by means of payroll deductions. The Plan allows additional "catch-up" contributions for employees at age 50. Participants can also make Roth deferrals in accordance with the Plan's provisions. Each participant may elect to have compensation deferred up to 70% of their compensation.

The Plan accepts rollover contributions from eligible retirement plans, including qualified plans, 403(b) or 403(a) plans, governmental 457(b) plans, certain Roth accounts by direct rollover, and traditional IRAs, as permitted by the Plan. Distributions from a participant's rollover account may be made at any time.

Compensation is defined by the Plan as W-2 wages for the Plan Year, excluding certain items such as reimbursements, fringe benefits, deferred compensation, welfare benefits, and compensation earned before becoming a participant.

PARTICIPANT ACCOUNTS

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. Participant-directed investments are permitted for all accounts, and the Plan is intended to comply with ERISA Section 404(c) with respect to accounts subject to participant investment direction. Each participant's account is credited with the participant's contribution, allocation of the Company's contribution, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their contributions and the non-discretionary safe harbor contribution plus actual earnings thereon. Vesting in the Company's non-elective employer contributions is based on years of service as follows:

Years of Service	Vested Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants become fully vested in their accounts upon death or total and permanent disability.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

FORFEITURES

Participants who terminate employment before they vest will forfeit their interest in the Company's discretionary contributions. Forfeitures occur as of the earlier of the last day of the Plan Year in which the former participant incurs five consecutive one-year breaks in service, or the distribution of the entire vested portion of the participant's account. These forfeitures will be held in the Plan for use by the Company to reduce employer contributions. There was $0 of applied forfeitures in 2025 and 2024, respectively. There was no unapplied forfeiture balance as of December 31, 2025 and 2024.

DISTRIBUTIONS

If a participant terminates employment with the Company due to disability or retirement, the participant (or a designated beneficiary) may elect to receive either a lump-sum distribution equal to the value of his or her account, or installments over a fixed period of time.

Upon severance of employment, distributions may be made as soon as administratively feasible. Vested account balances of $5,000 or less may be distributed without participant consent, while participant consent is required for distributions of vested account balances in excess of $5,000. Rollover contributions are excluded in determining the $5,000 threshold. Partial withdrawals are also permitted, as defined by the Plan.

In-service distributions are permitted from all participant accounts once a participant attains age 59 1/2, subject to a minimum distribution amount of $500.

Distributions are made in cash only, except for insurance contracts and annuity contracts, as permitted by the Plan.

Hardship distributions are permitted from all participant accounts, as defined in the Plan. The minimum amount of a hardship distribution is $500, and hardship distributions are not available to former employees. Hardship distributions for beneficiary expenses are permitted. The safe harbor hardship rules apply to hardship distributions from all accounts; however, any suspension of participant elective deferrals applies only if the hardship distribution is made from the participant's elective deferral account.

PARTICIPANT LOANS

Participant loans are not permitted by the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

REGULATORY COMPLIANCE AFFECTING RETIREMENT PLANS

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 to participants over 72 after January 1, 2020.

The SECURE Act 2.0 (SECURE 2.0) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023 as well as other increases starting in 2030. The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable year beginning after December 31, 2024.

In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels, as described in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Company and excluded from the financial statements. Investment fees are netted with investment income. Investment advisory and recordkeeper fees amounted to $107,338 and $95,818 for the years ended December 31, 2025 and 2024, respectively.

BENEFIT PAYMENTS

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS – UNAUDITED INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan Sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information and the information included in the ERISA-required supplemental schedule was certified as complete and accurate by the Plan's trustee, Reliance Trust Company (the "Trustee"), and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to the information included in the Plan's financial statements. ADP is the Trustee's agent and is the Plan recordkeeper.

NOTE 3 – INVESTMENTS – UNAUDITED INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AS COMPLETE AND ACCURATE (CONTINUED)

The Plan's Trustee has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2025 and 2024, and investment activity included in the financial statements for the years then ended, as summarized below:

	2025	2024
Fair Value		
Mutual funds	$ 20,024,932	$ 17,677,655
Stable value common collective trust fund	1,160,593	1,341,540
Total Investments	$ 21,185,525	$ 19,019,195

Investments of the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

Investment income consisted of the following for the years ended December 31:

	2025	2024
Net appreciation in fair value of investments	$ 1,067,301	$ 1,383,195
Interest and dividends	1,288,245	915,594
	$ 2,355,546	$ 2,298,789

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

MUTUAL FUNDS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

STABLE VALUE COMMON COLLECTIVE TRUST FUND

The Plan holds an investment in a common/collective trust with Ameriprise Trust Company ("Ameriprise") Columbia Trust Stable High Quality Income Fund, (the "Stable Fund"). The account is credited with an interest rate determined by Ameriprise. Ameriprise reserves the right to change the interest rates applicable to amounts held in the interest accumulation account at their discretion. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Investments in the Stable Fund are valued at the net asset value ("NAV") determined on the valuation date, and redemptions from the Stable Fund may be made each business day. All underlying funds are reported at the fair value net asset value per unit. The fair value of the Stable Fund is provided by the issuer and Plan management does not make any adjustment to the amount. The common/collective trust does not permit the Trustee to terminate the agreement prior to the scheduled maturity date. The Fund's investment objective is to preserve principal while maximizing current income. The Fund may invest in fixed income instruments, stable value investment contracts issued by various banks, life insurance companies and other financial institutions and in units of collective investment funds with investment objectives similar to those of the Fund. The stable value common collective trust fund is a direct filing entity.

The Plan's financial assets carried at fair value are classified as follows as of December 31:

	2025		2024	
	Level 1	Total	Level 1	Total
Mutual funds at fair value	$ 20,024,932	$ 20,024,932	$ 17,677,655	$ 17,677,655
Investments measured at NAV as a practical expedient		1,160,593		1,341,540
Total Assets at Fair Value		$ 21,185,525		$ 19,019,195

The following tables summarize investments measured at fair value based on net NAV per share as of December 31:

	Fair Market Value 2025	Fair Market Value 2024	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust Fund	$ 1,160,593	$ 1,341,540	N/A	Daily	N/A

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments as of December 31, 2025 and 2024 are held by the Trustee. ADP is an agent of the Trustee and is the Plan's recordkeeper. Fees paid by the Plan to ADP for recordkeeping services amounted to $62,901 and $57,243 during the years ended December 31, 2025 and 2024, respectively. The Plan paid investment advisory fees to Merrill Lynch of $44,437 and $38,575 during the years ended December 31, 2025 and 2024, respectively. These fees are reflected in administrative expenses in the statements of changes in net assets available for benefits.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all accounts shall then be disposed of for the benefit of each participant or beneficiary as if the termination date was his or her settlement date.

NOTE 7 – TAX STATUS

The Plan has adopted a non-standardized pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated October 6, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Code Section 401(a) for a Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan. Although the Plan has been amended since adopting the non-standardized pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant’s account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

Participant contributions for one payroll period in 2025 amounting to $3,980 was not remitted by the Sponsor within the period described by the Department of Labor Regulations which require that the employee contributions be transferred to the Plan as of the earliest date on which such contributions can reasonably be segregated from the Sponsor's general assets. The Plan Sponsor has agreed to reimburse the Plan for any costs incurred, including lost earnings attributable to participants, resulting from the untimely remittance of participant deferrals.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through October 13, 2026, the date the financial statements were available to be issued.
