INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees
Lenexa, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed the audits of the financial statements of Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2025 and of assets held for investment purposes at end of year as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of the Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 9, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from certified investment information, were presented fairly, in all material respects, in accordance with the modified cash basis of accounting, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 – Description of the Plan

Smith & Loveless, Inc. (the "Company") sponsors an employee savings and retirement plan. The following description of the Smith & Loveless, Inc. Retirement Savings Plan for Hourly-Paid Employees (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

A. ***General***

The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established effective October 1, 1987, and most recently restated January 1, 2022. The Plan covers hourly-paid employees of the Company and employees whose employment is governed by a collective bargaining agreement. Leased employees are excluded. Employees are eligible to make elective deferrals upon completing 560 hours of service within a twelve-month period. Employees are eligible to receive employer contributions after completing two years of eligibility service, each consisting of at least 1,000 hours of service. Eligible employees enter the Plan on the first day of the plan quarter following satisfaction of the eligibility requirements.

B. ***Contributions***

Elective Contributions – Participants may elect to defer up to 17% of eligible compensation as pre-tax or Roth elective deferrals, subject to limits under the Internal Revenue Code (the Code). Participants who attain age 50 before the end of the plan year may make catch-up contributions. Active participants may also roll over amounts from other qualified plans.

Employer Contributions – Per the terms of the collective bargaining agreement, the Company is required to make a nonelective contribution for all eligible participants. During 2025, the rate was $0.95 per hour up to 40 hours per week. The Company may make a discretionary matching contribution, as a uniform percentage of elective deferrals (including catch-up and Roth deferrals), on deferrals up to 6% of compensation. The Company may also make a discretionary nonelective contribution, which is allocated in equal (per capita) amounts among eligible participants. To share in either allocation, a participant must complete 1,000 hours of service during the plan year and be employed on the last day of the plan year. For the matching contribution, these requirements are waived for participants who terminate due to death, disability or attainment of normal retirement age. During 2025, no discretionary contributions were made.

C. ***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's contributions and an allocation of Plan earnings. Accounts are charged with benefit payments and with loan, distribution and investment-related fees. Plan earnings are allocated based on account balances. Participants direct the investment of all of their accounts among the investment options offered by the Plan, and the Plan is intended to comply with ERISA Section 404(c). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 – Description of the Plan (continued)

D. ***Vesting of Benefits***

Participants are immediately 100% vested in their elective deferrals, Roth deferrals, catch-up contributions, rollover contributions and the earnings on those amounts. Participants are also 100% vested in all Company contributions, including the collective bargaining contribution and any discretionary matching or nonelective contributions, and the earnings on those amounts.

E. ***Payment of Benefits***

On termination of employment for any reason, including death, disability or retirement, a participant or beneficiary may receive the vested account balance. Payment is made in cash as a lump sum or, at the participant's election, in substantially equal annual or more frequent installments not exceeding the joint life expectancy of the participant and the beneficiary. Annuity forms of payment are not available. Vested balances of $5,000 or less (excluding rollover amounts) are distributed in a lump sum without the participant's consent.

While employed, participants may withdraw:

- all or part of their vested account balances after attaining age 59½;
- their accounts upon disability; and
- their elective deferrals in the event of financial hardship, as defined under the safe-harbor standards of the Code.

In-service withdrawals are limited to two per plan year, with a minimum of $2,500 each.

F. ***Notes Receivable from Participants***

Active participants may borrow from their vested accounts a minimum of $1,000, up to the lesser of $50,000 (reduced by the highest outstanding loan balance during the prior 12 months) or 50% of their vested account balance. A participant may have only one loan outstanding at a time. Loans are repaid through payroll deductions each pay period over a term of up to five years, or up to 15 years for loans used to acquire a principal residence. Loans are secured by the participant's vested account balance. They bear interest at the prime rate published in The Wall Street Journal plus 0.50%, fixed at the date the loan originates. Refinancing is not permitted, and an outstanding loan becomes due in full on termination of employment. At December 31, 2025, interest rates on outstanding loans ranged from 4.25% to 10.0%, with maturities through 2030.

G. ***Forfeitures***

Because participants are fully vested in all contributions, forfeitures of nonvested balances do not ordinarily arise under the Plan. Under the Plan, any forfeitures may be used for any purpose permitted by the Plan, including paying Plan administrative expenses or reducing future Company contributions. At December 31, 2025 and 2024, forfeiture account balances totaled $191 and $184, respectively.

H. ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, and others are paid directly by the Company. Expenses paid by the Plan include recordkeeping and investment advisory fees, which are charged to participant accounts on a pro rata basis, and loan origination and distribution fees, which are charged to the accounts of the participants who initiate those transactions.

Note 2 – Summary of Significant Accounting Policies

A. ***Basis of Presentation***

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Under this method, contributions and investment income are recognized when received and disbursements are recognized when paid. Investments are reflected at fair value and net unrealized gains or losses are reported in investment income.

B. ***Use of Estimates***

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment fiduciaries determine the Plan's valuation policies using information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. ***Payment of Benefits***

Benefits are recorded when paid.

E. ***Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

F. ***Subsequent Events***

The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

Note 3 - Information Certified by Custodian (Unaudited)

The following is a summary of the unaudited information regarding the Plan that was prepared by Nationwide Trust Company, FSB, the Custodian of the Plan. The Plan Administrator obtained certifications from the Custodian that such information is complete and accurate.

	2025	2024
Statements of net assets available for benefits		
Investments	$ 1,179,243	$ 1,296,764
Statements of changes in net assets		
Investment income (loss)	$ 144,341	

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Shares held in mutual funds are valued based on the market price of the shares held by the Plan at year end, which are based on the share prices quoted by the fund, representing the fair value of the underlying investments.

Note 4 – Fair Value Measurements (continued)

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the ASC 820 fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

		Fair Value Measurements Using		
	Total	Quoted prices in active market for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)
At December 31, 2025				
Mutual funds	$ 1,179,243	$ 1,179,243	$ -	$ -
Investments at fair value	$ 1,179,243	$ 1,179,243	$ -	$ -
At December 31, 2024				
Mutual funds	$ 1,296,764	$ 1,296,764	$ -	$ -
Investments at fair value	$ 1,296,764	$ 1,296,764	$ -	$ -

There were no transfers in or out of Level One or Two during the years ended December 31, 2025 and 2024.

Note 5 – Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of Nationwide Trust Company, FSB, the custodian of the Plan, and therefore qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. Fees paid by the Plan to the custodian and recordkeeper for recordkeeping and administrative services are described in Note 1H and also qualify as party-in-interest transactions. The Company, as Plan Sponsor, pays certain administrative expenses, such as audit expenses, of the Plan directly. These transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 - Termination of the Plan

Although the Company has not expressed any intention to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, all remaining Plan assets shall be allocated to the participants as described in the full text of the Plan.

Note 7 - Tax Status

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code Section 401(a). The Plan has not received a determination letter specific to the Plan itself. The plan document has been amended since the date of the opinion letter; however, the plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator will take any steps necessary to maintain the tax-qualified status of the Plan. Therefore, no provision for income tax has been included in the Plan's financial statements.

The modified cash basis of accounting requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
