Independent Auditor's Report

Board of Directors
Employee Benefit Plan of Girl Scouts Western Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Employee Benefit Plan of Girl Scouts Western Pennsylvania (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEE BENEFIT PLAN OF
GIRL SCOUTS WESTERN PENNSYLVANIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. Summary of Significant Accounting Policies

Girl Scouts Western Pennsylvania (Council) is a non-profit corporation chartered by Girl Scouts of the United States of America (GSUSA). The Council was incorporated in the State of Pennsylvania in April 2008. The Council serves girls in a 27-county region of western Pennsylvania. The Council has been established to serve as the preeminent leadership development organization for girls in its jurisdiction. Effective April 1, 2008, the Employee Benefit Plan of Girl Scouts Western Pennsylvania (Plan), formally named the 401(k) Profit Sharing Plan for Employees of Girls Scouts Western Pennsylvania, was established for the purpose of providing the employees of the Council with a voluntary retirement savings program. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect the Council as a whole.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Council are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid to participants. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2025 and 2024.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Council and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees related to the administration of notes receivable from participants and benefit payments to participants are charged directly to the participant's account and are included in administrative expense.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

2. Description of Plan

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution, prototype 401(k) profit-sharing plan covering substantially all employees of the Council subject to eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility/Contributions

Participants are eligible to contribute, pre-tax or post-tax (Roth), a portion of their compensation from one percent up to the maximum allowable by the Plan document and in accordance with other limiting provisions of the Internal Revenue Code (IRC) immediately upon hire. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. Contributions are automatically invested in a designated fund until changed by the participant. Effective January 1, 2020, the Council amended the plan to discontinue employer matching contributions and initiate qualified safe harbor matching contributions. The qualified safe harbor matching contribution is 100% of the first 1% of employee deferrals, plus 50% on the next 5% of employee deferrals (maximum match of 3.5%). Participants are immediately eligible for these contributions upon enrollment, as there are no age or service requirements. Certain employee classes are excluded from plan participation, based on the terms of the plan document.

The Council can elect a discretionary matching contribution at any point; however, there were no such contributions during 2025 or 2024.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) the Council's matching contribution, and (c) an allocation of Plan earnings (losses), and charged with an

allocation of administrative expenses. Allocations are based on participants' account balances. The benefit to which a participant is entitled is equal to the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions to their account plus actual earnings thereon. Vesting in the Council's matching portion of their accounts plus earnings thereon is based on years of credited service, as defined.

The following are the vesting schedules as of December 31, 2025 and 2024:

Years	Discretionary Employer Matching Contributions	Qualified Safe Harbor Contributions
1	20%	50%
2	40%	100%
3	60%	
4	80%	
5	100%	

Notes Receivable from Participants

Participants may borrow from their accounts. Loans are limited to the lesser of (a) 50% of the balance of the participant's vested account balance on the day the loan was made or (b) $50,000 reduced by the excess of the largest unpaid loan balance that the borrower owed at any time during the preceding 12 months over the unpaid loan balance on the day that the loan is made. A participant may not request a loan for less than $1,000. Loans are secured by the balance in the participants' accounts and bear a reasonable fixed rate of interest ranging from 4.25% to 9.50% for the years ended December 31, 2025 and 2024. Repayments of principal and interest are payable to the participants' segregated accounts in terms not to exceed five years or ten years, if the proceeds of the loan were used to acquire the principal residence for the borrower. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of Benefits

At retirement, the total dollar value of a participant's account, including interest and investment earnings, will be used to purchase one of the annuity options described below. Retirement age is defined by the Plan as 65. Benefit payments must begin when mandated by federal law or upon retirement.

A participant may elect from various annuity options including (a) a non-refund life annuity, (b) a full cash refund annuity, (c) a period certain and continuous annuity, (d) a joint and survivor life annuity with the period certain and continuous annuity options, or (e) a lump sum. Participants with accumulated balances of less than $5,000 at date of service termination shall receive a lump-sum distribution of their vested balance.

The Council amended the Plan to allow participants 59 ½ years of age to withdraw the employee portion of their participant accounts.

Forfeited Accounts

Forfeitures represent participant account balances that are not vested upon termination of an employee. Forfeitures are applied to reduce future employer contributions. During 2025 and 2024, $6,642 and $12,231, respectively, was forfeited from participant accounts. During 2025 and 2024, $7,237 and $13,658, respectively, of forfeitures were used to reduce the employer's total contribution. The balance of the forfeiture account at December 31, 2025 and 2024 was $55 and $542, respectively. The forfeiture account earns a nominal rate of interest, which is reflected in the ending balance of the account at December 31, 2025 and 2024.

3. Fair Value Measurements

Fair values of assets measured on a recurring basis as of December 31, 2025 and 2024 are as follows:

		Fair Value Measurements at Reporting Date Using		
	12/31/2025	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 6,805,582	$ 6,805,582	$ -	$ -
Total assets in fair value hierarchy	6,805,582	$ 6,805,582		
Investments measured at net asset value *	407,984			
Investments at fair value	$ 7,213,566			

		Fair Value Measurements at Reporting Date Using		
	12/31/2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 5,541,850	$ 5,541,850	$ -	$ -
Total assets in fair value hierarchy	5,541,850	$ 5,541,850		
Investments measured at net asset value *	422,463			
Investments at fair value	$ 5,964,313			

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds – valued at the closing price as reported on the active market on which the individual securities are traded.

Common collective trust funds (CCTs) – valued at net asset value per share as determined by investment managers under the so-called "practical expedient." The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The Plan invests in two CCTs, the T. Rowe Price Stable Value Fund and the Principal US REIT Fund.

The objective of the T. Rowe Price Stable Value Fund is to maximize current income and maintain principal stability of $1.00 per unit. The T. Rowe Price Stable Value Fund invests primarily in a diversified portfolio of guaranteed investment contracts, bank investment contracts, synthetic investment contracts, and separate account contracts.

The objective of the Principal US REIT Fund is to seek total return, as represented by price appreciation and income return. The fund pursues this objective through full market cycles. The Principal US REIT Fund invests in a portfolio of listed securities whose issuers are primarily engaged in the real estate industry.

There are no participant redemption restrictions for these CCTs; however, if the Plan initiates a full redemption of the CCTs, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024, respectively.

Instrument	Fair Value at 12/31/25	Unfunded Commitments	Redemption Frequency (if currently eligible)	Full Redemption Notice Period
T. Rowe Price Stable Value Fund	$375,772	n/a	Daily	12 Months
Principal US REIT Fund	$32,212	n/a	Daily	12 Months

Instrument	Fair Value at 12/31/24	Unfunded Commitments	Redemption Frequency (if currently eligible)	Full Redemption Notice Period
T. Rowe Price Stable Value Fund	$393,464	n/a	Daily	12 Months
Principal US REIT Fund	$28,999	n/a	Daily	12 Months

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value

of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Plan Termination

Although it has not expressed any intent to do so, the Council has reserved the right to terminate or to amend the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance.

5. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Council by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. In addition, the Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

6. Information Certified by the Plan's Custodian

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, net

(depreciation) appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's custodian, Ascensus LLC.

7. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by Ascensus LLC as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for investment management services incurred by the Plan are included in net appreciation in fair value of the investments, rather than a direct payment. Administrative expenses paid by the Plan for management and advisory services to Ascensus LLC, Newport Group, and PNC for the years ended December 31, 2025 and 2024 were $27,250 and $24,704, respectively.

No delinquent employee contributions were noted during 2025. During 2024, employee deferral amounts withheld by the Council were not remitted to the Plan timely in three instances due to processing delays with the custodian. The delinquent employee contributions from 2024 were corrected during 2024 through the IRS Voluntary Fiduciary Correction Program.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
