INDEPENDENT AUDITOR'S REPORT

Directors' Audit and Compliance Committee and Plan Administrator
American Bank Employee Savings Plan
Corpus Christi, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of American Bank Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the American Bank Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General and Eligibility: The Plan is a defined contribution employee savings plan that covers all employees of American Bank, N.A. (the "Employer" or "Plan Sponsor"), other than those working in a classification of employees covered by a collective bargaining agreement and nonresident aliens, who are age 18 or older. On November 1, 2020, the Plan was amended to exclude temporary and seasonal employees until they reach one year of service. An employee can enter the Plan on the first day of the month following sixty days of employment with the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions: Participant contributions to the Plan are made by employees within limitations stipulated in the Internal Revenue Code (IRC). Employees are automatically enrolled upon becoming eligible to participate in the Plan at a deferral rate of 3% of their pretax annual compensation as defined in the Plan document. Employees were permitted to change their contribution deferral rate at the beginning of each quarter or discontinue deferrals at any time. In February 2024, the Plan was amended to allow employees to change their contribution deferral rate at the beginning of each month. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer may make discretionary matching contributions and discretionary profit-sharing contributions to employees at the option of the Plan Sponsor's Board of Directors. These contributions are subject to certain IRS limitations. To be eligible for employer contributions, a participant must be employed at the end of the Plan year or have worked over 500 hours during the Plan year. The Plan also requires sixty days of service to be eligible for the employer matching contributions. For the year ended December 31, 2025, participants received discretionary employer matching contributions of 100% up to 6% of employee compensation contributed. There were no employer profit sharing contributions made to the Plan for the year ended December 31, 2025.

Rollovers: Participants may contribute amounts representing distributions from other qualified plans after approval from the Plan sponsor. Participants are fully vested in these amounts.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Employer's matching contributions, as well as allocations of any profit-sharing contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options at any time directly through Newport Group, Inc., which is a party-in-interest to the Plan.

Notes Receivable from Participants: Participants may borrow up to 50% of their vested accounts in the form of a note with a minimum amount of $1,000 and a maximum amount of $50,000. Notes are secured by the balance in the participant's account and bear interest at prevailing market rates at the time the funds are borrowed. The term of the loans cannot exceed five years, except for loans to purchase a principal residence. At December 31, 2025, the interest rate on outstanding notes was between 4.25% and 9.50%. Principal and interest are paid ratably through payroll deductions and as of December 31, 2025, the notes receivable outstanding are due in various amounts through November 2048. A participant may only have one note outstanding at a time.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their elective deferrals plus actual earnings thereon. Participants become 20% vested for discretionary employer matching and profit-sharing contributions and earnings thereon after one year of credited service and vest an additional 20% for each year of service thereafter until they are fully vested after completion of five years of service. A participant is entitled to 100% of his or her account balance upon death, disability, or the later of the date the participant attains age 65 or the fifth anniversary of participation in the plan.

Payment of Benefits: Upon termination of service, each participant can receive their vested account balance in one lump-sum payment or substantially equal installment payments. If a participant's vested balance is $5,000 or less, the participant will receive a single distribution of their entire vested account balance. The Plan provides for the automatic rollover of vested participant balances above $1, but less than $5,000 into an individual retirement account if the participant does not elect to have the distribution paid directly to an eligible retirement plan in a direct rollover or to receive the distributions directly. Hardship withdrawals are also allowed, subject to the provisions specified in the Plan agreement. Active participants may also take distributions from the Plan upon attainment of age 59 ½.

Forfeitures: The nonvested portion of discretionary employer contributions can be used to offset plan administrative expenses or offset future employer contributions. During 2025, $68,494 of unvested balances from terminated participants were added to the Plan's forfeiture account, and the amounts held in the account generated $812 of investment earnings, which were credited to the account. During the year, $73,721 was used to offset employer contributions and Plan expenses. The remaining balances available for these purposes as of December 31, 2025 and 2024 were $1,833 and $6,248, respectively.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates: The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions: Participant contributions are recognized in the year withheld. Employer matching and profit-sharing contributions are recognized upon authorization and in the year the underlying compensation is recognized under the Plan. All participant and employer contributions are participant-directed. Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes net unrealized market appreciation or depreciation of investments and net realized gains and losses on the sale of investments during the period.

(Continued)

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when they are incurred. If a participant ceases to make loan payments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the net appreciation (depreciation) reported by the Plan on the statement of changes in net assets available for benefits.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity, credit risks, global pandemic and international conflicts. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company (Newport) and Charles Schwab Trust Bank (Schwab), qualified institutions and trustees of the Plan during their respective periods of service.

Effective February 1, 2025, the Plan changed its trustee and qualified institution from Newport to Schwab. Newport's certification covered the period from January 1, 2025 through January 31, 2025 and for the year ended December 31, 2024, and Schwab's certification covered the period from February 1, 2025 through December 31, 2025.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability. In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. Transfers between hierarchy measurement levels are recognized by the Plan as of the end of the reporting period.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments:

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust Funds: The fair values of participation units held in collective trusts are based on the net asset values per unit (NAV) as reported by the fund managers. The NAV is used as a practical expedient to measure fair value. The collective trusts provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. For Plan closure or transfer, the collective trusts provide no redemption restrictions or advance notification provisions to participants in the Plan.

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at December 31, 2025, Using			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 40,988,571	$	$	$ 40,988,571
Collective trust funds*				24,183,024
Investments at fair value				$ 65,171,595

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

	Fair Value Measurements at December 31, 2024, Using			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 41,684,239	$ -	$ -	$ 41,684,239
Collective trust funds*				20,462,308
Investments at fair value				$ 62,146,547

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

Changes in Fair Value: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may retire the transfer of investments from one fair value level to another. For the year ended December 31, 2025, there were no transfers in or out of level 3.

The following table sets forth an additional disclosure of the Plan's investment in a collective investment trust, whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2025.

	Fair Value		Unfunded	Redemption	Redemption
	2025	2024	Commitment	Frequency	Note Period
Collective investment trusts	$24,183,024	$20,462,308	-	Immediate	None

NOTE 5 – PLAN TERMINATION

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor contributions. See Note 9 for information regarding the Plan's subsequent merger into a successor plan.

NOTE 6 – TAX STATUS

The Internal Revenue Service issued an opinion letter dated September 21, 2020 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in compliance with the Internal Revenue Code. US GAAP requires plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

(Continued)

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Employer.

During the year ended December 31, 2025, Newport served as trustee, custodian and recordkeeper of the Plan through January 31, 2025. Effective February 1, 2025, Schwab began serving as the Plan's trustee, custodian, and recordkeeper. As service providers to the Plan, Newport and Schwab are parties-in-interest As service providers to the Plan, Newport and Schwab were parties-in-interest during their respective periods of service. The Plan also held investments in common collective investment funds managed by Schwab. Transactions with Newport and Schwab during their respective periods of service to the Plan, including applicable investment and fee transactions, qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 66,003,941	$ 64,121,870
Less: Employer contributions receivable	-	(1,435,325)
Net assets per the Form 5500	$ 66,003,941	$ 62,686,545

The following is a reconciliation of the change in net assets available for benefits for the year ended December 31, 2025, per the financial statements to the net income reported in the 2025 Form 5500:

Increase in net assets available for benefits per the financial statements	$ 1,882,071
Change in employer contributions receivable	1,435,325
Net income per the Form 5500	$ 3,317,396

NOTE 9 – SUBSEQUENT EVENTS

On July 18, 2025, Prosperity Bancshares, Inc., the parent company of Prosperity Bank, and American Bank Holding Corporation, the parent company of the Plan Sponsor, announced the signing of a definitive merger agreement pursuant to which Prosperity Bank would acquire the Plan Sponsor. The merger closed on January 1, 2026. Effective April 1, 2026, the Plan was merged into the Prosperity Bancshares, Inc. 401(k) Profit Sharing Plan, and approximately $53.7 million of net assets were transferred to the successor plan. Management has determined that these subsequent events did not have an impact on the Plan's financial statements as of and for the year ended December 31, 2025.

Plan management has evaluated subsequent events for recognition and disclosure through October 14, 2026, which is the date the financial statements were available to be issued.
