***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of St. Croix Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of St. Croix Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of St. Croix Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Croix Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Croix Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Croix Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedules Required by ERISA***

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the 2025 financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1 - Description of Plan

The following brief description of St. Croix Retirement Savings Plan (Plan) is provided for general purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

### General

The Plan is a voluntary, defined contribution plan established by St. Croix of Park Falls, Ltd. (Company) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan covers substantially all full-time employees of the Company who are age eighteen or older. Full-time employees are able to participate in the Plan immediately upon hire, but part-time employees need twelve months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

### Contributions

Each year, participants may contribute up to 100% of Plan Compensation on a pre-tax or Roth basis, subject to the applicable limits established by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. For the years ended December 31, 2025 and 2024, the Company elected a discretionary matching contribution equal to 100% of eligible participant contributions up to 4% of Plan Compensation. Company matching contributions were $252,236 and $246,940 for the years ended December 31, 2025 and 2024, respectively. Participants may also transfer to the Plan amounts representing eligible rollover distributions from other qualified plans and certain individual retirement accounts. Participants direct the investment of their contributions and Company contributions among the investment options offered by the Plan.

### Participant Accounts

Each participant's account is credited with the participant's contributions, the Company contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and individual accounts are also charged directly for loan processing fees. Allocations are based on participant compensation or account balance, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Based on the design of the Plan, all participants are always 100% vested in all of their accounts.

### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from one to five years, except in the case of a home loan in which the maximum repayment period is fifteen years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 2%. Principal and interest are paid ratably through bi-weekly payroll deductions.

### Payment of Benefits

Prior to termination of employment, participants may elect to receive an in-service distribution from their vested accounts upon attaining age 59½, subject to the terms of the Plan and applicable administrative limitations. The Plan also permits hardship distributions when the applicable requirements are satisfied.

Participants who retire, terminate employment, or otherwise cease to be active employees of the Company may receive their vested account balances in a lump-sum distribution, partial lump-sum distributions, or installment payments over a specified period not exceeding the participant's life expectancy or the joint life expectancy of the participant and the participant's designated beneficiary.

**Note 1 - Description of Plan (Continued)**

**Payment of Benefits (Continued)**

A participant whose vested account balance is more than $1,000 but does not exceed $5,000 will receive an automatic rollover to an individual retirement account selected by the Plan Administrator unless the participant makes an affirmative distribution election. A participant whose vested account balance is $1,000 or less will receive a lump-sum distribution, subject to the terms of the Plan.

**Note 2 - Summary of Significant Accounting Policies**

The Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follow:

**Basis of Accounting**

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The plan administrator determines the Plan’s valuation utilizing information provided by the Plan’s trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold, as well as held, during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document and the loan policy.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Service provider fees and participant loan fees charged by the trustee are charged directly to the participant’s accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation of the fair value of investments.

**Note 2 - Summary of Significant Accounting Policies (Continued)**

**Subsequent Events**

The Plan has evaluated subsequent events through October 1, 2026, the date the financial statements were available to be issued.

**Note 3 - Fair Value Measurements**

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective Trust Funds:* Valued at the net asset value per unit reported by each fund at the measurement date. The net asset value is based on the fair value of the underlying investments held by each fund. Because the reported net asset values are considered readily determinable fair values, the Plan classifies its investments in collective trust funds within Level 2 of the fair value hierarchy. The Plan may redeem its investments in the collective trust funds at the reported net asset value as of the measurement date, subject to the terms of the respective funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of other methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 3 - Fair Value Measurements (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Investments at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $ 2,329,337 | $ - | $ - | $ 2,329,337 |
| Collective Trusts | - | 7,167,968 | - | 7,167,968 |
| Total Investments at Fair Value | $ 2,329,337 | $ 7,167,968 | $ - | $ 9,497,305 |

| | Investments at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $ 1,893,237 | $ - | $ - | $ 1,893,237 |
| Collective Trusts | - | 6,131,972 | - | 6,131,972 |
| Total Investments at Fair Value | $ 1,893,237 | $ 6,131,972 | $ - | $ 8,025,209 |

**Note 4 - Related Party Transactions**

Certain Plan investments are managed by Associated Trust Company, N.A. who is the trustee and recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and recordkeeping services to Associated Trust Company, N.A. amounted to $47,565 and $44,287 for the years ended December 31, 2025 and 2024, respectively. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative and trustee services to the Plan at no cost to the Plan.

Associated Trust Company, N.A. provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Associated Trust Company, N.A. Associated Trust Company, N.A. receives revenue from fund service providers for services Associated Trust Company, N.A. provides to the funds. This revenue is used to offset certain amounts owed to Associated Trust Company, N.A. for its administrative services to the Plan.

If the revenue received by Associated Trust Company, N.A. from such mutual fund service providers exceeds the amount owed under the MSA, Associated Trust Company, N.A. remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2025 and 2024, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Associated Trust Company, N.A. for administrative expenses not covered by revenue sharing.

**Note 5 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participants' accounts will be distributed to the participants in accordance with the Plan's provisions.

### Note 6 - Certified Investment Information

Associated Trust Company, N.A., a qualified institution, has provided the Plan Administrator with certifications as to the completeness and accuracy of the investment information and notes receivable from participants reflected in the statements of net assets available for benefits as of December 31, 2025 and 2024; the related net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years then ended; and the investment information and notes receivable from participants included in the supplemental schedule of assets held at end of year as of December 31, 2025.

### Note 7 - Income Taxes

The Company has adopted a nonstandardized pre-approved profit sharing/401(k) plan. The pre-approved plan provider received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020 concerning the form of the Plan document. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan and related trust continue to qualify for tax-exempt status.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 8 - Risks and Uncertainties

The Plan invests in various investment securities through mutual funds and collective trust funds. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Note 9 - Prohibited Transactions

During 2025, the Company did not remit certain participant contributions to the Plan within the time frame required by the Department of Labor. These late remittances constitute nonexempt prohibited transactions. The affected contributions are reported on the Schedule H, Line 4a - Schedule of Delinquent Participant Contributions. The Company continues to work with the Plan's recordkeeper to ensure all required corrections, including the remittance of applicable lost earnings, are completed.
