INDEPENDENT AUDITORS' REPORT

The Hallmark Benefit Plans Advisory Committee of the
Health and Welfare Benefit Plan of Hallmark Cards, Incorporated

Opinion

We have audited the financial statements of the Health and Welfare Benefit Plan of Hallmark Cards, Incorporated ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and statements of plan benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and statements of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The following description of the Health and Welfare Benefit Plan of Hallmark Cards, Incorporated (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions, which is available from the plan administrator.

General - The Plan was established for the purpose of providing specific employee welfare benefits for eligible employees and their dependents. The Plan was effective December 31, 2009 as a result of the merger and consolidation of plans included in the Master Trust and several other plans, as listed below:

Plans in Master Trust:
- Medical Plan of Hallmark Cards, Incorporated
- Dental Plan of Hallmark Cards, Incorporated
- Long-Term Disability Plan of Hallmark Cards, Incorporated

Other Plans:
- Vision Care Plan
- Hallmark Flexible Benefit Plan
- Hallmark Life Insurance Plan
- Hallmark Supplemental and Dependent Life Insurance Plan
- Hallmark Voluntary Accident and Insurance Plan
- Hallmark Business Travel Accident Plan
- Wellness Program of Hallmark Cards, Incorporated
- Retail Long Term Disability Plan
- Hallmark Business Recovery Employee Severance Pay Plan

The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is a member of the Hallmark Employee Benefits Trust (the "Trust") and substantially all contributions are made by Hallmark Cards, Incorporated except for contributions required from employees to obtain certain benefits under the Plan. The Trust is intended to qualify as a voluntary employee beneficiary association ("VEBA") under Internal Revenue Code ("IRC") 501(c)(9).

Eligibility - Employees of Hallmark Cards, Incorporated, Hallmark Marketing Company, LLC, Crown Center Redevelopment Corp., Litho-Krome Company, LLC, Hallmark Retail Services, Inc., Hallmark Retail, LLC, Hallmark.Com, LLC, Hallmark Global Services, LLC, Hallmark Licensing, LLC, and Hallmark Management Services, LLC, Dayspring Cards, Inc., Halls LLC, and Hallmark Labs, LLC (collectively, "the Company") are covered under the Plan. Certain entities are not eligible for every benefit offered by the Plan.

Plan changes and plan transfers - Effective January 1, 2025, the Plan changed their dental insurance coverage carrier to Delta Dental of Missouri.

The Welfare Committee of Hallmark Cards, Inc. voted in December 2024 to discontinue vision benefits coverage to Retirees effective December 31, 2025.

(1) Description of plan (continued)

In addition, the Welfare Committee of Hallmark Cards, Inc. voted in December 2024 to terminate the Retiree Medical Plan of Hallmark Cards, Incorporated ("Retiree Plan") and related Hallmark Retiree Benefits Trust ("Retiree VEBA Trust") effective December 31, 2025. Upon termination, employer contributions ceased and coverage under the Retiree Plan ended. Claims incurred prior to the termination date remain eligible for payment if submitted by December 31, 2026. In connection with the termination, the assets of the Retiree VEBA Trust were transferred to the Trust through a direct trustee-to-trustee transfer. Pursuant to the Retiree Plan and Retiree VEBA Trust termination provisions, the transferred assets, including any related earnings, may be used to fund eligible run-out claims and benefits under the Plan and Trust. In addition, the related Retiree Plan obligation for claims incurred but not reported was transferred to the Plan. This transfer is consistent with the terms of the Retiree VEBA Trust amendments governing the disposition of Retiree Plan assets upon termination.

At December 31, 2025, the Plan recorded a transfer in of $5,996,986, representing the liquidation and transfer of all Retiree Plan and Retiree VEBA Trust assets to the Plan and Trust. The transfer amount includes $453,107 of deposits and other receivables due to the Retiree Plan at December 31, 2025, which are reported separately in the statement of net assets available for benefits as of December 31, 2025. Although these amounts had not been collected at year-end, they were included in the assets transferred pursuant to the Retiree Plan termination and Retiree VEBA Trust transfer provisions and will be collected and recorded by the Plan.

Benefits - The Plan offers benefits including a Section 125 cafeteria plan with medical benefits, dental benefits, vision benefits, a health and dependent care flexible spending arrangement, long term disability benefits, group term life insurance, supplemental and dependent life insurance, accidental death and dismemberment benefits, business travel accident benefits, wellness benefits, and continuation pay and severance benefits.

Continuation coverage - Under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), any person who is an employee, covered spouse of an employee or covered dependent child of an employee may elect continued coverage under the Plan for a limited period of time. In addition to the requirements of COBRA, the Plan also provides continued coverage during military service to the extent provided by the Uniform Services Employment and Reemployment Rights Act of 1994 as amended.

Insured benefits - The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), business travel accident benefits, voluntary accident benefits, employee assistance program, and vision benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for all of these fully insured benefits are paid to the insurance company from the general assets of the Company or from the Trust.

(1) Description of plan (continued)

Experience-rated contracts - The life insurance contracts (other than supplemental and dependent benefits) are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) were determined by the insurance company in the following year and may result in a premium surplus or deficit. As of December 31, 2025 and 2024, no additional premiums were due as a result of a premium deficit that would be included in benefit obligations.

Self-insured benefits - All other plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or for participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claim processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-loss coverage - The Plan maintains stop-loss insurance coverage to limit financial exposure from high-cost claims. Under this arrangement, once the total paid amount for an individual participant exceeds $1,000,000 within a plan year, any amounts above this threshold are absorbed by the stop-loss insurer.

Refunds - Refunds due from the Plan's pharmacy benefit manager are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling $7,253,144 and $5,626,530 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

Funding - The Company shall contribute to the Plan the amounts necessary to pay plan benefits timely and pay expenses as they become due, if needed. Eligible employees who desire coverage for dependents or elect certain coverage options are required to authorize such contributions to the Plan in writing, with the contributions being made through payroll deductions. However, no employee shall be required to contribute to the Plan as a condition of employment.

Plan termination - Although the Company has not expressed any intent to do so, it has the right to terminate or partially terminate the Plan or the Trust, or both. In the event of termination, trust assets will be applied to pay benefits until such assets are depleted. The Company is obligated to contribute any amounts necessary to pay accrued benefits under the Plan to the extent such benefits were payable prior to the date of termination.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Accordingly, all significant contributions have been recognized in the period to which they apply and claims and expenses have been recognized as incurred.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported ("IBNR"), and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of benefits - Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims administrators. Amounts due to claims administrators that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of plan benefit obligations.

Stop-loss - Premiums for stop-loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. The Plan maintains stop-loss coverage to limit financial exposure from high-cost claims. During the year ended December 31, 2025, there was one high-cost claim that exceeded the stop-loss threshold and a reimbursement of $994,292 was recorded as a stop loss reimbursement receivable. Under the coverage arrangement, once the total paid amount for an individual participant exceeds $1,000,000 within a plan year, any amounts above this threshold are absorbed by the stop-loss insurer. There were no such high-cost claims during the year ended December 31, 2024.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Postretirement benefits - The postretirement benefit obligation represents the total actuarial present value of those estimated future benefits that are attributed to employee service rendered to that date. Postretirement benefits include future benefits expected to be paid to or for currently retired employees and their beneficiaries. For active employees retiring after December 31, 2010, no retiree life insurance will be provided. Anyone retired prior to that date will retain coverage.

(2) Summary of significant accounting policies (continued)

Postretirement benefits (continued) - Effective December 31, 2021, the Company discontinued life insurance for all participants except participants who are at least age 80, or have at least 40 years of service, or are Senior Managers or Corporate Officers. As a result, a curtailment has been reflected in the changes in the Plan's benefit obligations in the year it was announced.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to estimate future life insurance premiums per Retiree and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements for death) between the valuation date and the expected date of payment.

The following were significant assumptions used in the valuation as of December 31, 2025 and 2024:

	2025	2024
Discount rate	5.43%	4.85%
Retirement	Assign probability of retirement at ages 50 to 67	
Mortality	Pri-2012 Mortality Table Projected using Scale MP2021	

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Claims incurred but not reported - Plan obligations for IBNR at December 31, 2025 and 2024 are estimated by the Company using historical claims experience and lag reports from claims providers. Plan obligations for open claims reserves for long-term disability are also estimated by the Company using historical claims experience. The open claim reserve represents an estimate based on open claims data of future benefit payments expected to be paid on behalf of those participants currently receiving long-term disability benefit payments.

Administrative expenses - The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, as well as investment management fees and professional fees. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses.

(3) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: Valued at the daily closing price as reported by the fund.

The following tables set forth by level, within the fair value hierarchy, the master trust's investments at fair value as of December 31, 2025 and 2024:

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 7,509,033	$ -	$ -	$ 7,509,033

(4) Interest in master trust

The Plan's investments are maintained in a master trust account which was established to invest the assets of this Plan and other welfare benefit plans establishing the Hallmark Employee Benefits Trust. The Plan along with the Health & Welfare Benefit Plan for Part-Time Employees in the Field (Mass & Gold Crown) and Retail (CSG & Halls) participates in the master trust. Each welfare benefit plan has a divided interest in the master trust account. At December 31, 2025 and 2024, the Plan's interest in the net assets of the master trust was approximately 99.9%.

The following table presents the net assets for the master trust as of December 31, 2025 and 2024:

	December 31,			
	2025		2024	
	Master Trust	Plan's Interest in Master Trust	Master Trust	Plan's Interest in Master Trust
Money market fund	$ 6,622,547	$ 6,621,851	$ 7,509,033	$ 7,508,364

Total	$ 6,635,129	$ 6,634,433	$ 7,536,982	$ 7,536,313

The following are the changes in net assets for the master trust for the years ended December 31, 2025 and 2024:

End of year	$ 6,635,129	$ 6,634,433	$ 7,536,982	$ 7,536,313

(5) Related party and party-in-interest transactions

Certain plan investments held in the master trust are shares of a money market fund managed by State Street Bank. State Street Bank is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for trustee and investment management services amounted to $13,395 and $15,213 for the years ended December 31, 2025 and 2024, respectively. As described in Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

(6) Income tax status

The VEBA trust, funding certain benefits of the Plan, received an exemption letter from the Internal Revenue Service ("IRS") dated June 7, 1988, stating that the Trust is tax-exempt under the provisions of Section 501(c)(9) of the IRC. However, as a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded for unrelated business taxable income.

In addition, the Plan and the Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 13,996,149	$ 12,886,723
Benefit obligations currently payable	(7,243,885)	(4,721,216)
Net assets available for benefits per the Form 5500	$ 6,752,264	$ 8,165,507

(7) Reconciliation of financial statements to Form 5500 (continued)

The following is a reconciliation of benefits paid per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	Years Ended December 31,	
	2025	2024
Benefits paid per the financial statements	$ 53,385,815	$ 57,517,684
Add: benefit obligations currently payable	7,243,885	4,721,216
Less: benefit obligations payable in prior year	(4,721,216)	(5,369,423)
Benefits paid per the Form 5500	$ 55,908,484	$ 56,869,477

Benefit obligations currently payable are recorded on the Form 5500 for those benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date and those claims incurred but not reported at December 31.

(8) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and these changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

(9) Subsequent events

The Plan has evaluated subsequent events through October 14, 2026, which is the date the financial statements were available to be issued and noted the following items for disclosure:

Effective January 1, 2026, Hallmark changed health insurance coverage carriers to Aetna for medical and CVS Caremark for prescription drug.

Effective January 1, 2026, Hallmark changed the employee assistance program service provider to Lyra Health.
