Independent Auditors' Report

The Plan Administrator
Chartis Group, LLC 401(k) Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Chartis Group, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

The following description of the Chartis Group, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Chartis Group, LLC, the Greeley Company, LLC, and Jarrard, Phillips, Cate & Hancock, Inc. (collectively the "Employer"), as defined in the Plan. Employees are generally eligible to participate upon attaining age 21. Employees covered by a collective bargaining agreement, nonresident aliens who do not receive U.S. source earned income, Temporary Employees, Greeley Interim Staffing, LLC Associates, and Hourly Colleagues are generally excluded from participation. However, individuals in these excluded classifications become eligible to participate upon attaining age 21 and completing at least 1,000 hours of service during the applicable eligibility computation period. The Plan is subject to the provisions of ERISA. The Plan offers investment choices to allow Participants to create a diversified portfolio of assets based on a participant's risk tolerance. Participants in the Plan may direct contributions to a variety of investment options. Substantially all investments are participant directed.

Participant Contributions

Each year, participants may contribute up to 75% of their annual compensation, as defined in the Plan, subject to dollar limits set by Federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Certain participants ages 60 through 63 may be eligible for increased catch-up contribution limits as permitted by the SECURE 2.0 Act. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("Participant rollovers"). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

Employer Matching Contributions

The Plan provides for discretionary Employer matching contributions to participants of the Plan. For Partner employees, the Employer matched 50% of the first 5% of eligible compensation that a participant contributed to the Plan for the year ended December 31, 2025. For Non-Partner employees, the Employer matched 100% of the first 6% of eligible compensation that a participant contributed to the Plan for the year ended December 31, 2025. Participants must be employed on the last day of the Plan year in order to receive any discretionary Employer matching contributions.

Effective April 15, 2024, the Plan permits eligible participants to receive Employer matching contributions based on qualified student loan repayments in accordance with the SECURE 2.0 Act. Qualified student loan repayments are treated similarly to elective deferrals for purposes of determining the amount of eligible matching contributions. Student debt matching contributions are subject to the same matching formula and vesting provisions applicable to other Employer matching contributions.

Note 1 - Description of the Plan (Continued)

Employer Contributions (Continued)

Employer Discretionary Contributions

Additional discretionary Employer profit-sharing contributions may be contributed at the option of the Employer's Board of Directors to eligible participants. Participants who are employed on the last day of the Plan year or have worked at least 501 hours during the Plan year will be eligible to receive an allocation of any discretionary Employer profit-sharing contribution. Allocations are based on the ratio of a participant's compensation to total compensation of all eligible Participants. No discretionary Employer profit-sharing contributions were made for the year ended December 31, 2025.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Fidelity Management Trust Company ("Fidelity") is the Plan's trustee and custodian. The Plan is administered by the Chartis Group, LLC 401(k) Plan Committee (the "Committee"). The Committee is responsible for all matters, including, but not limited to, determining eligibility, rights to benefits, interpreting Plan documents, and directing the Plan's trustee.

Participants' Accounts

Each participant's account is credited with the participant's contributions and any discretionary Employer matching contributions, as well as an allocation of (a) any discretionary Employer profit sharing contributions and (b) Plan earnings or losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service, death, disability, retirement, or separation from employment, a participant may elect to receive the value of their vested interest in his or her account in the form of a lump-sum amount or to roll their balance over to another qualified plan. In-service withdrawals are allowed from a participant's vested account upon attainment of age 59½. If the participant's vested interest in the Plan is less than $7,000, a mandatory lump-sum distribution may be made to the participant.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Note 1 - Description of the Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of the participant's vested account balance reduced by the highest outstanding loan balance in the prior twelve-month period. A participant may have two loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over a term not exceeding five years, or up to ten years if used for the purchase of a primary residence.

Vesting

Participants are 100% vested in their contributions and all Employer matching contributions plus actual earnings thereon.

Participants employed at the Chartis Group, LLC and the Greeley Company, LLC are vested 100% in Employer discretionary contributions.

Participants employed at Jarrard, Phillips, Cate & Hancock, Inc. are vested in Employer discretionary contributions and earnings thereon according to the following schedule:

Years of Service	*Percentage of Account Vested*
Less than 1	- %
1	50%
2 or more	100%

Participants must complete a minimum of 1,000 hours of service in a Plan year to receive credit for a year of vesting service.

Forfeitures

Forfeited amounts from excess Employer contributions may be used to pay Plan administrative expenses or to reduce Employer matching contributions. Unallocated forfeitures were $1,025 and $24,688 at December 31, 2025 and 2024, respectively. During the year ended December 31, 2025, $24,688 of forfeitures were used to reduce Employer matching contributions and $4,000 were used to pay Plan administrative expenses.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Note 2 - Summary of Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments, Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. See Note 4 for discussions of fair value measurements.

Unit Values

Individual participant accounts for the common/collective trust are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities of the trust or other assets in the fund, but do have an interest therein represented by units which are valued daily. The fund earns dividends and interest, which are automatically reinvested in additional units. Generally, contributions to and withdrawals from the fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 2 - Summary of Accounting Policies (Continued)

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Reclassifications

Certain amounts reported in the 2024 financial statements have been reclassified to conform to the 2025 presentation. There is no effect on previously reported net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued. No significant matters were identified for disclosure in that evaluation.

Note 3 - Information Certified by Trustee and Custodian

Plan investments are held by Fidelity Management Trust Company ("Fidelity"). Fidelity has certified to the fair value of investments as of December 31, 2025 and 2024 and investment transactions for the year ended December 31, 2025. Investment transactions include interest and dividend income and net appreciation in fair value of investments. Notes receivable from participants and information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) has also been derived from information certified by Fidelity.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs to minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

Note 4 - Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds and Money Market Fund

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage

The fair values of common stocks traded on U.S. exchanges and exchange-traded funds within the self-directed brokerage fund are derived from quoted market prices as of the close of business on the last business day of the Plan year. Interest-bearing cash is valued at the deposited balance.

Stable Value Common/Collective Trust Fund

The Plan has Stable Value Funds that are composed primarily of indirect fully benefit-responsive investment contracts and are valued at the NAV of units of the bank collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value for all the common/collective trusts. The NAV is based on the fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Note 4 - Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Fair Value Measurements as of December 31, 2025			
Description	***Level 1***	***Level 2***	***Level 3***	***Total***

Total investments at fair value	**$ 157,305,751**	**$ -**	**$ -**	**$ 157,305,751**

(a) In accordance with ASC Subtopic 820-10, *Fair Value Measurements*, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 - Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2025 and 2024, respectively:

Investment	*Fair Value December 31, 2025*	*Fair Value December 31, 2024*	*Unfunded Commitments*	*Redemption Frequency*	*Redemption Notice Period*
Common/collective trusts (b):					
FIAM Core Plus Class W	$ 9,130,329	$ -	$ -	Daily	5 days
Putnam Large Cap Value Fund R1	3,970,206	-	-	Daily	5 days
Cohen & Steers U.S. Realty Shares Fund Class A	825,210	-	-	Daily	1 day
Total common/collective trusts	**$ 13,925,745**	**$ -**	**$ -**		

(b) Fair value of the investment in the common/collective trusts has been estimated using the NAV of the investment. The common/collective trusts listed in the above chart can be redeemed for benefit payments and participant transfers to a noncompeting option on a daily basis. Withdrawals, other than for benefit payments, require advance written notice.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events such as an international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 - Related-Party and Party-In-Interest Transactions

Certain Plan investments are managed by affiliates of Fidelity, the trustee and custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity and other service providers were $129,313 for the year ended December 31, 2025. Notes receivable from Participants also qualify as party-in-interest transactions.

During the year ended December 31, 2025, the Plan received revenue credits of $21,402 from Fidelity. The revenue credits are net with administrative expenses on the Statement of Changes in Net Assets Available for Benefits. The credits are used to offset Plan expenses.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants would become fully vested in all of their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 9 - Tax Status

The Plan has adopted a Fidelity volume submitter profit sharing plan with CODA document that received a favorable opinion letter on June 30, 2020. The plan administrator has adopted the prototype plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of Plan net assets available for benefits per the financial statements to the net assets available for benefits per Form 5500 as of December 31:

	2025	*2024*
Net assets available for benefits per the financial statements	$ 208,939,738	$ 159,765,282
Employer contributions receivable	(1,380,990)	(1,185,439)
Deemed distributed loans	(39,024)	(36,474)
Net assets available for benefits per Form 5500	**$ 207,519,724**	**$ 158,543,369**

Note 10 - Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per the financial statements	$ 49,174,456
2025 Employer contributions receivable	(1,380,990)
2024 Employer contributions receivable	1,185,439
2025 deemed distributed loans	(39,024)
2024 deemed distributed loans	36,474
Net income per Form 5500	**$ 48,976,355**

Note 11 - Unallocated Net Assets

At December 31, 2025, the Plan's net assets available for benefits include cash of approximately $17,968 of investment earnings in excess of required minimum participant interest credits which have not been allocated to participant accounts. The Plan administrator uses these unallocated net assets to pay current and future Plan expenses.
