# Independent Auditor's Report

The Plan Administrator
InGenesis, Inc. 401(k) Plan
San Antonio, Texas

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of InGenesis, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — ERISA-Required Supplemental Schedule Required by ERISA***

The ERISA-Required Supplemental Schedule H (Form 5500), line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the ERISA-Required Supplemental Schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the ERISA-Required Supplemental Schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the ERISA-Required Supplemental Schedule, we evaluated whether the ERISA-Required Supplemental Schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the ERISA-Required Supplemental Schedule, other than the information in the ERISA-Required Supplemental Schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the ERISA-Required Supplemental Schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of the Plan

The following description of InGenesis, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

***General***

The Plan is a defined-contribution plan covering substantially all employees of InGenesis, Inc. (the Plan Sponsor, Company, or Employer). The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Internal Revenue Code (IRC).

***Trustee and Administration of the Plan***

The trustee and recordkeeper of the Plan is John Hancock Retirement Planning Services (John Hancock or the Trustee). The administrator of the Plan is the Company. The Trustee holds all assets of the Plan in accordance with the service provider contract with the Company. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

***Eligibility***

All employees of the Company are eligible to participate in the Plan on the first day of the month following employment.

***Contributions and Contributions Receivable***

Participants may elect to contribute up to 100% of their annual compensation as defined in the Plan, subject to the maximum dollar amount allowable under the IRC. Participant contributions may be designated as pre-tax or after-tax Roth contributions, subject to IRC limitations. Participants are allowed to make rollover contributions from certain tax-qualified retirement plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to IRC limits.

The Employer may make a discretionary matching contribution equal to a percentage of the participant's elective salary deferral contributions to the Plan. The Company may also make a discretionary profit-sharing contribution to the Plan. The Company did not make any discretionary Employer matching contributions or profit-sharing contributions during 2025. Participant contributions and any related employer matching contributions are recognized in the period earned by the employee.

In addition to any other non-elective contributions provided for under the Plan, the Employer makes contributions on behalf of eligible participants as required under applicable prevailing wage statutes. For participants performing services under contracts associated with the National Institutes of Health (NIH) and subcontracted through Kelly Services, the Employer contributes a prevailing wage benefit amount of $3.35 per hour worked, in accordance with the applicable contractual and statutory requirements. The company did not make any non-elective contributions during 2025. These contributions are treated as Employer non-elective contributions and are allocated to eligible participants based on hours worked.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Employer's contributions, and earnings or losses, and may be charged with certain administrative expenses. Plan earnings or losses are applied to a participant's account balance based on the investment experience of the investments held, and the number of shares owned in each investment by the participant.

***Vesting***

Participants are 100% vested in their individual deferral, Roth, and rollover contributions and the allocated earnings thereon.

Discretionary employer matching and profit-sharing contributions are subject to the following vesting schedule below:

| Years of Service | Vesting (%) |
|---|---|
| 1 | - |
| 2 | 20 |
| 3 | 40 |
| 4 | 60 |
| 5 | 80 |
| 6 | 100 |

Participants become fully vested in the event of retirement, death, and disability, as defined by the Plan.

***Forfeitures***

Forfeitures of terminated participants' non-vested account balances are retained in the Plan and may be used to reduce Employer contributions or to pay administrative expenses. There were no forfeited accounts with balances at December 31, 2025 or 2024. There were no forfeitures applied in the reduction of Employer matching or profit-sharing contributions for the year ended December 31, 2025.

***Payment of Benefits***

A participant's entire interest in the Plan is payable upon death, attainment of normal retirement age, becoming disabled, as defined, or termination of service. A participant may elect to receive a lump-sum amount equal to the vested portion of the participant's account, or annual installments. Participants may elect to rollover their vested balance to another qualified retirement plan or IRA. Upon termination of employment, vested account balances of $5,000 or less may be distributed in a lump sum for rollover to another qualified plan or an Individual Retirement Account or annuity for the benefit of the participant. Participants who have reached age 73 and separate from service are required to begin taking a portion of their balance out of the Plan each year. If a participant is a 5% owner of the Plan Sponsor, they are required to begin taking payments at age 73 even if they are still employed.

*Notes Receivable from Participants*

Participants may borrow from their accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested account balance. Participants may have only one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate set by the Plan administrator, currently at 4.25% to 9.5%. Any loan must be repaid within five years, unless otherwise approved. Principal and interest are paid ratably through payroll deductions.

*Administrative Expenses*

Administrative expenses may be paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. However, the Plan may pay transaction fees, which are charged directly to the specific participant generating the transaction.

## 2. Summary of Significant Accounting Policies

*Basis of Accounting*

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

*Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by John Hancock. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses for investments bought and sold, as well as held during the year.

*Payment of Benefits*

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

## 3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1* – This level consists of quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

*Level 2* – This level consists of significant other observable inputs, other than Level 1 inputs, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3* – This level consists of significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following is a description of the valuation method and assumptions used by the Plan to estimate the fair value of its investments:

*Pooled Separate Accounts* – The fair value of participation units held in pooled separate accounts is based on the net asset values (NAV) reported by the insurance company as of the financial statements' dates and recent transaction prices. The investment pools invest in underlying domestic and foreign equity investments, real estate, alternative investments, and fixed-income funds according to an asset allocation determined by the fund's manager. The pooled separate accounts provide for daily redemptions by the Plan at the reported NAV per share, with no advance-notice requirement.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

*December 31,*

| | Fair Value | | Unfunded Commitments | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|---|
| | **2025** | 2024 | | | |
| Pooled separate accounts: | | | | | |
| Target date [a] | **$ 10,026,392** | $ 7,698,278 | N/A | Daily | None |
| Growth and income[b] | **3,899,638** | 3,173,092 | N/A | Daily | None |
| Aggressive growth [c] | **1,585,563** | 1,207,999 | N/A | Daily | None |
| Conservative[d] | **239,160** | 261,225 | N/A | Daily | None |

(a) *Target Date* – The objective of these portfolios is to seek a high total return under normal market conditions based on the fund's target retirement date.

(b) *Growth and Income* – The objective of these portfolios is to achieve long-term growth of capital and current income.

(c) *Aggressive Growth* **-** The objective of this portfolio is to seek long-term capital appreciation by investing in primarily equity securities.

(d) *Conservative* **-** The objective of this portfolio is to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term.

## 4. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-Required Supplemental Schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or is derived from information certified as complete and accurate by John Hancock Life Insurance Company USA, a qualified institution.

The Plan's independent accountants did not perform any auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and ERISA-Required Supplemental Schedule.

## 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

## 6. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

## 7. Tax Status of the Plan

The Plan uses a pre-approved plan document sponsored by Alliance Benefit Group of Houston. Alliance Benefit Group of Houston received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 8. Related Party and Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by John Hancock and its affiliates qualify as party-in-interest transactions.

The Plan also pays for third-party administrator fees and investment advisory fees that qualify as party-in-interest transactions. The Plan also issues loans to participants that are secured by the vested balance of the participants' accounts. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

## 9. Subsequent Events

The Plan administrator evaluated events or transactions that occurred after December 31, 2025 and through October 14, 2026, the date the financial statements were available to be issued.
