Re: Reasonable Cause for Late or Missing IQPA Report for 5500– Independence Holding Company Retirement Plan Plan Number: 001 EIN: 58-1407235

To Whom It May Concern:

Please accept this letter as an explanation for the late filing of the Form 5500 for the above-referenced employee benefit plan.

The filing was delayed due to an administrative transition resulting from the acquisition of the plan's third-party administrator's retirement plan business. The merger required additional time to transition administrative responsibilities, reconcile plan records, and obtain and review the information necessary to complete the Form 5500 and accompanying audit report.

In addition, the Plan terminated at the end of the year, which required additional administrative work to finalize the Plan's records and complete the necessary reporting associated with the termination. The combination of the administrator merger and the Plan's termination contributed to the delay in completing the required audit and Form 5500 filing.

The delay was administrative in nature and was not intentional. Once the necessary information is obtained and the administrative transition is resolved, the audit and required Form 5500 filing will be completed and submitted.

We continue to work with the new administrator and our external auditors to complete the 2025 audit.

We respectfully request that the Department of Labor consider these circumstances when reviewing the late filing.

Thank you for your consideration.
