Independent Auditor's Report

October 5, 2026

To the Participants, Plan Administrator and Trustees of
The Burdick Companies Medical Trust

Opinion

We have audited the financial statements of The Burdick Companies Medical Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the **Auditor's Responsibilities for the Audits of the Financial Statements** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (I) Schedule H, Line 4i - Schedule of Assets (Held at End of Year), (II) Schedule H, Line 4i - Schedule of Assets (Acquired and Disposed of Within the Plan Year); and (III) Schedule H, Line 4j - Schedule of Reportable Transactions as of and for the year ended December 31, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of Plan

The following description of The Burdick Companies Medical Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan provides health and dental benefits covering substantially all active employees of Drivers Village, Inc. and RLB Development, LLC (collectively, the "Plan Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits - The Plan provides health and dental benefits to all full-time employees of the Plan Sponsor and to their beneficiaries and covered dependents. Eligible employees can enroll in the Plan after satisfying a sixty-day waiting period. The Plan has established deductibles in the amount of $330 per person and $990 per family for medical benefits and $50 per person and $150 per family for dental benefits, per calendar year. After the participant has satisfied the medical deductible, the Plan will pay 80% of the charges for eligible medical expenses until the participant has incurred $6,000 in eligible medical expenses during the calendar year. For the remainder of the calendar year, the Plan will pay 100% of the eligible medical expenses for that participant. After the participant has satisfied the dental deductible, the Plan will pay benefits up to a maximum of $1,000 per calendar year for dental benefits.

Contributions - The Plan is funded by contributions from the Plan Sponsor and employees. Employees make contributions in set amounts for themselves and their dependents, determined periodically by the Plan Sponsor. Employees contributed $938,064 and $755,300 for the years ended December 31, 2025 and 2024, respectively. The Plan Sponsor makes contributions sufficient to cover claims paid. The Plan Sponsor contributed $1,402,778 and $1,586,892 for the years ended December 31, 2025 and 2024, respectively.

Self-insured benefits - The Plan is generally self-insured and covered claims are paid directly by the Plan. Claims are processed by a third-party claims processor under administrative service arrangements. The claims processor pays claims directly to or on behalf of participants. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to participants and providers is retained by the Plan. The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-loss insurance - The Plan has purchased a "stop-loss" insurance policy, which will reimburse the Plan for the amount of claims paid in a year that exceed a certain aggregate level as defined in the policy or exceed $80,000 for the years ended December 31, 2025 and 2024, for individual participants per year. The stop-loss policy does not relieve the Plan from its obligations. Failure of the stop-loss provider to honor their obligations could result in losses to the Plan and/or the Plan Sponsor. The Plan evaluates the financial condition of its stop-loss provider to minimize

its exposure to significant losses from the provider's insolvency. There are no losses recorded or anticipated due to failure of the stop-loss provider to honor their obligations. The Plan paid insurance premiums of $512,797 and $351,630 for the years ended December 31, 2025 and 2024, respectively, related to the stop-loss policy. The trust recorded recoveries of $18,315 and $395,948 from the excess insurance carrier under the stop-loss policy for the years ended December 31, 2025 and 2024, respectively. Stop-loss receivables of $10,232 and $54,302 as of December 31, 2025 and 2024, respectively, are included in these recoveries and were fully received from the stop-loss carrier subsequent to year end.

Plan termination - Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 2 - Summary of accounting policies

Method of accounting - The Plan maintains its accounting records and financial statements on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents - The Plan considers all money market funds and short-term investments with a maturity of three months or less when purchased to be cash equivalents.

Concentration of credit risk - The Plan maintains cash balances at one financial institution. Cash balances at the financial institution in excess of the amount insured by the Federal Deposit Insurance Corporation (FDIC) are subject to credit risk. The Plan had approximately $436,000 and $989,000 in excess of FDIC insured limits as of December 31, 2025 and 2024, respectively. The Plan has not experienced any losses in such accounts.

Payment of claims - Claim payments are recorded when paid by the third-party claims processor.

Administrative costs - Administrative costs, including recordkeeping and claims processing, are paid by the Plan (see Note 5). Legal and accounting fees are paid by the Plan Sponsor.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations, claims incurred but not reported, claims currently payable, changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of plan income and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Subsequent events - Management has evaluated subsequent events through October 5, 2026, the date that the financial statements were available for issue.

Note 3 - Income tax status

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan Sponsor believes that the trust, as amended, continues to qualify and to operate as designed. Accordingly, the Plan has been accounted for as a tax-exempt plan.

The Plan has reviewed its operations for uncertain tax positions and believes there are no significant exposures. The Plan will include penalties and interest on income tax liabilities in administrative expenses if such amounts arise. The Plan did not incur any penalties and interest for the years ended December 31, 2025 and 2024. The Plan is no longer subject to regulatory examinations by tax authorities for the closed years before 2022.

Note 4 - Benefit obligations

Benefit obligations include the Plan's liability for claims incurred as of year end but not reported, and claims currently payable, which are claims reported as of year end but not processed for payment. The Plan's liability for claims incurred but not reported is estimated by management utilizing a lag report provided by the third-party administrator, which summarizes those claims that were processed and paid subsequent to year end but were incurred prior to year end. The Plan had $66,574 and $58,570 of claims incurred, but not reported as of December 31, 2025 and 2024, respectively, which are included in incurred, but not reported claims payable in the statements of net assets available for benefits and benefit obligations. Management believes that the amount estimated is adequate; however, the ultimate liability may be in excess of the amount provided. The methods of making such estimates and for establishing the resulting obligation are continually reviewed and any adjustments are reflected in current earnings. The Plan had $64,735 and $10,577 of claims currently payable as of December 31, 2025 and 2024, respectively.

Note 5 - Related party transactions

The Plan Sponsor has contracted with certain third-party administrators to assist with recordkeeping as well as claims processing, which qualify as party-in-interest transactions. Fees paid by the Plan for the recordkeeping and claims processing amounted to $158,156 and $152,064 for the years ended December 31, 2025 and 2024, respectively, and are included in administrative expenses in the accompanying statements of changes in net assets available for benefits and benefit obligations. The Plan contracts with Dannible & McKee, LLP to provide auditing services, which qualify as party-in-interest transactions. Fees for these services were paid for by the Plan Sponsor for the years ended December 31, 2025 and 2024.

Note 6 - Reconciliation of the financial statements to Form 5500

Form 5500 has certain investments balances, income and expense items that differ from amounts shown on the accompanying financial statements. These differences relate to classification and rounding only and have no effect on the net assets available for benefits as of December 31, 2025 and 2024, nor changes in net assets available for benefits for the years then ended.
