INDEPENDENT AUDITOR'S REPORT

October 12, 2026

To the Plan Administrator of the
Power & Construction Group, Inc. Direct Advisors Trust:

Opinion
We have audited the accompanying financial statements of the Power & Construction Group, Inc. Direct Advisors Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2025, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Power & Construction Group, Inc. Direct Advisors Trust as of December 31, 2025, and the change in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on the Compiled 2024 Financial Statement
Plan management is responsible for the accompanying December 31, 2024 financial statement of the Plan (an employee benefit plan subject to ERISA), which comprises the statement of net assets available for benefits as of December 31, 2024, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the December 31, 2024 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on the 2024 financial statement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 (Audited) AND 2024 (Compiled)

1. DESCRIPTION OF PLAN

The following description of the Power & Construction Group, Inc. Direct Advisors Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan is a defined benefit plan that provides health benefits, paid time off, and retirement benefits for certain employees of Power & Construction Group ("P&CG") who are eligible under the Plan. The Plan sponsor is P&CG. Chemung Canal Trust ("Chemung") is the custodian of the Plan's assets. The Plan's third-party administrator is HUB Prevailing Wage Solutions ("HUB"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility
The Plan is available for employees of P&CG who are employed under a contract covered by the Davis-Bacon Act (federal prevailing wage law) or other prevailing wage laws. Employees become participants in the Plan upon completion of one hour of service under the contract covered by the Davis-Bacon Act.

Employer Contributions
Employer contributions to the Plan are based on the Davis-Bacon contract under which a participant is working. The amount of the employer contribution is based on the fringe benefit contribution requirement under the contract. Employer contributions are remitted to HUB for inclusion in the individual participant accounts. The contribution rate as of December 31, 2025 and 2024 is $8.65 per hour worked.

Participant Accounts
Employer contributions are allocated to each participants' account upon receipt. Participant accounts are used to pay the benefits available to the participant. Participants may name a beneficiary to their account for use of benefits upon the participant's death.

Benefits
Two benefits are available to participants under the Plan. Group health benefits are available to participants and their dependents. Participant accounts are used to pay monthly insurance premiums. Premiums are paid to Excellus Blue Cross & Blue Shield, the insurance carrier. Each participant account must hold two months of premium reserves before additional benefits may be paid. Holiday/vacation/paid time off benefits are available upon request of the participant. Participants request reimbursement for these benefits and are responsible for FICA and other payroll taxes on the requested amount. Terminated participants may request the balance of their holiday/vacation/paid time off benefits.

Additionally, the Plan collects and allocates employer retirement benefit contributions for the P&CG employee retirement plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Payment of Benefits
Benefit payments to participants are recorded when paid.

Administration Expenses
Substantially all administrative expenses associated with the Plan are paid by participants as a reduction in the participant account.

3. TAX STATUS

The Plan received its latest determination letter on April 11, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan's administrator and tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the P&CG has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, partial termination, or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and non-forfeitable. All distributions would be made in accordance with any applicable requirements of the ERISA and the IRC.

5. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2026, which is the date the financial statements were available to be issued.
