Independent Auditors' Report

To the Board of Trustees of
New Jersey Hospital Association Insurance Fund

Opinion

We have audited the financial statements of New Jersey Hospital Association Insurance Fund (the Fund), which comprise the statements of net assets as of December 31, 2025 and 2024, and the related statements of changes in net assets for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, net assets of the Fund as of December 31, 2025 and 2024, and its changes in net assets for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The accompanying financial statements are those of the Fund. These financial statements do not purport to present the net assets available for benefits and changes in net assets available for benefits of the NJHA Insurance Fund Welfare Plan (Plan) and do not contain certain information and other disclosures necessary for a fair presentation of the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America. Further, these financial statements do not purport to satisfy the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 relating to the financial statements of the Plan.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

1. Description of the Fund

New Jersey Hospital Association Insurance Fund (the Fund) is established as a taxable trust which sponsors the New Jersey Hospital Association Insurance Fund Welfare Plan (the Plan) whereby member hospitals (subscribers) as employers provide group and supplemental life, accidental death and dismemberment, long-term disability and group dental insurance contracts with various carriers. For all contracts, premium rates are established by the carriers to cover claims incurred and the insurance carriers' retention (expenses and profit). Subscribers are charged amounts to cover premiums, administrative expenses and other operating costs of the Fund.

The subscribers make monthly contributions to the Fund based on the types of insurance coverage they provide to their employees. Subscribers may require contributions from their participating employees toward the cost of insurance premiums and such contributions are included in the contributions from plan subscribers and participants.

2. Summary of Significant Accounting Policies

Significant accounting policies followed by the Fund in the preparation of the accompanying financial statements are summarized below:

Method of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Income Tax Status and Income Taxes

The Fund is a taxable trust; however, an Internal Revenue Service private letter ruling allows the Fund to exclude participant contributions and related expenses from taxable investment income. As a result, the Fund has no current tax liability but may in the future. The Plan sponsored by the Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974. Participating employees should refer to the Trust Agreement for a more complete description of the Fund's provisions.

The Fund has no unrecognized tax benefits at December 31, 2025 and 2024. The Fund's U.S. Federal income tax returns prior to calendar year 2019 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The Fund did not recognize any tax related interest or penalties during the years in question.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Fund considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Cash and cash equivalents includes an allocation of a pooled cash management account that is held in the name of NJHA Healthcare Business Solutions, Inc., a related entity.

Investments

Investments consist primarily of shares in registered investment companies (mutual funds). Mutual fund shares are reported at fair value based on quoted market prices in the statements of net assets. Investment income or loss, including realized gains and losses, unrealized appreciation and interest and dividends are reported in investment income in the statements of changes in net assets.

Total	$ 1,066,793	$ 718,603

4. Fair Value Measurements

The Fund follows the provisions of authoritative guidance relating to fair value measurements. This guidance defines fair value, establishes a framework for measuring fair value under accounting principles generally accepted in the United States of America and enhances disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or the price that would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework that this guidance establishes for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. The levels of the fair value hierarchy are as follows:

Level 1 - Fair value is based on unadjusted quoted prices in active markets that are accessible to the Fund for identical assets. These generally provide the most reliable evidence and are used to measure fair value whenever available.

Level 2 - Fair value is based on significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets or liabilities, quoted market prices in markets that are not active for identical or similar assets or liabilities and other observable inputs.

Level 3 - Fair value would be based on significant unobservable inputs that are not Level 1 or Level 2. Examples of valuation methodologies that would result in Level 3 classification include option pricing models, discounted cash flows and other similar techniques.

The following is a description of the valuation methodologies used for the Fund's investments measured at fair value. There have been no changes in the methodologies as of December 31, 2025 and 2024:

Mutual funds - mutual funds are valued at quoted market prices at the Fund's year-end. Mutual funds are invested in both equity securities and fixed income securities.

The following table represents the Fund's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31:

5. Related-Party Transactions

The Fund is one of an affiliated group of organizations related by way of common ownership and/or management. Charges by NJHA Healthcare Business Solutions, Inc. (HBS) for administrative, management and other services amounted to $1,325,248 and $981,098 for the years ended December 31, 2025 and 2024, respectively. The Fund has a payable to HBS of $384,770 and $60,469 at December 31, 2025 and 2024, respectively, which relates to commissions on insurance premiums.

6. Concentration of Credit Risk

Financial instruments that potentially subject the Fund to concentrations of credit risk consist principally of temporary cash investments. At various times throughout 2025 and 2024, the Fund had bank deposits in excess of federally insured limits. Management monitors the soundness of the financial institutions. The Fund has not experienced any losses.

7. Risks and Uncertainties,

The Fund invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets.

8. Commitments

The Fund enters into noncancelable insurance contracts with member organizations. These contracts expire between 2023 and 2025. The contracts were renewed and will expire between 2026 and 2028. The insurance rates guaranteed in these contracts are nonnegotiable. Insurance policies between the Fund and Insurance Carriers currently expire between 2023 and 2025. The policies were renewed and will expire between 2026 and 2028. The Fund currently has no exposure for rate commitments with customers beyond insurance contract terms.

Management has accrued approximately $1,000 and $794,000 for disputed payments to MBS, which has been reported in other liabilities on the statements of net assets as of December 31, 2025 and 2024, respectively.

9. Subsequent Events

The Fund has evaluated subsequent events occurring after the statements of net assets date through the date of May 8, 2026, which is the date the financial statements were available to be issued.
