Independent Auditors' Report

To the Board of Directors of the
Robin Hood Foundation as Sponsor of the Robin Hood 403(b) Employee Deferral Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Robin Hood 403(b) Employee Deferral Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Robin Hood 403(b) Employee Deferral Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of the Robin Hood Foundation (the "Plan Sponsor" or "Sponsor") who normally work more than 20 hours per week with the exclusion of students. The Plan commenced on January 1, 1994, and has since been restated and amended as of July 28, 2022, and is subject to the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

CONTRIBUTIONS

Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a guaranteed insurance investment account as investment options for participants.

Pre-Tax Contributions

Pre-tax contributions are limited to base annual salary ("Compensation"), subject to the requirements under Section 402(g) of the Internal Revenue Code (the "Code"), or $23,500 and $23,000, respectively, for the Plan years ended December 31, 2025 and 2024.

The Plan provides for automatic deferrals of pre-tax contributions for participants who meet the eligibility requirements of the Plan after June 1, 2009. The automatic deferral rate is 3% of the participant's compensation each payroll period and there is no automatic escalation. The participant may enter a salary reduction agreement at any time to select an alternative deferral amount.

Roth Contributions

Roth contributions are permitted under the Plan and are subject to the requirements of the Code.

Age 50 Catch-up Contributions

Participants who are at least age 50, or who will reach age 50 during any calendar year, will have the option to make additional pre-tax contributions provided certain requirements are met. Such participants are permitted to make additional pre-tax contributions of up to $7,500 for each of the Plan years ended December 31, 2025 and 2024.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employer Contributions

The match is a contribution by the Plan Sponsor which is a fixed amount equal to 100% of the participant elective deferrals. In applying this matching percentage, only elective deferrals up to $2,500 per Plan year will be matched. There is a three-month service requirement required for the Plan Sponsor match. Once the three month service is satisfied, elective deferral contributions made from the date of hire will be matched. Employer contributions are recorded in the year earned. An employer contribution receivable is recorded for amounts not remitted by the end of the Plan year. All employer contributions are expected to be collected and therefore, no allowance is deemed necessary.

ELIGIBILITY

All employees hired to work at least 20 hours per week and those who are not a student are eligible to contribute their own money immediately upon their date of hire.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Plan Sponsor's contribution and Plan earnings (reduced by fees). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants' contributed funds arising from elective deferrals and the earnings thereon are fully vested at all times. Vesting in the employer contribution portion of their accounts is based on years of continuous service. A participant is 25 percent vested after 2 years of service, 50 percent vested after 3 years of service, 75 percent after 4 years of service and 100 percent vested after five years of credited service. If an employee is terminated and not 100% vested, the non-vested balance will be deemed a forfeiture.

NOTES RECEIVABLE FROM PARTICIPANTS

A participant may request a loan based on the vested value of their individual account. Loans are subject to federal laws and Plan requirements. Loans may not exceed the lesser of $50,000 or 50% of the value of the participant's vested account or be less than $1,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 7.25% to 9.50% and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to fifteen years). Principal and interest are paid ratably through payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant (or their beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in annual installments over a ten-year period. The Plan provides for mandatory distributions of a participant's vested account balance following severance from employment when a participant's vested account balance is less than or equal to $7,000.

HARDSHIP DISTRIBUTIONS

A participant is eligible for a hardship withdrawal if the participant has obtained all other currently available distributions and loans under this Plan and it is deemed to be an immediate or heavy financial need of the participant for qualified medical expenses, purchase of a principal residence, qualified education expenses, to prevent eviction or foreclosure from a principal residence, burial or funeral costs of parents, spouse, children or dependents, and qualified expenses for the repair of a principal residence.

FORFEITED ACCOUNTS

As of December 31, 2025 and 2024, the balance of forfeited non-vested accounts amounted to $59,475 and $115,644, respectively. These accounts will be used to reduce future Plan Sponsor contributions and expenses. Forfeitures of $32,321 and $59,123 were added to the forfeited non-vested accounts during the years ended December 31, 2025 and 2024 respectively. Forfeitures used as a reduction of the Plan Sponsor's contributions were $54,766 for the year ended December 31, 2025.

REGULATORY COMPLIANCE AFFECTING RETIREMENT PLANS

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 to participants over 72 after January 1, 2020. Plans were required to be formally amended for certain other changes if adopted on or before the last day of the 2026 plan year.

The SECURE Act 2.0 (SECURE 2.0) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030. The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

REGULATORY COMPLIANCE AFFECTING RETIREMENT PLANS (CONTINUED)

In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments, except for fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further information regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Empower's Capital Preservation account is a fully benefit-responsive investment contract. Fully benefit-responsive investment contracts held by a defined contribution plan are reported at contract value.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, a benefit payment is recorded and it becomes a taxable event.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Expenses are incurred at either the fund level or the Plan level. All expenses incurred by the funds (commissions and management fees) are paid out of investor assets and are therefore netted into net appreciation in fair value of investments in the statements of changes in net assets available for benefits. In addition, each participant pays an administrative charge of a percentage of their Plan assets each quarter which are deducted from their participant accounts. The Plan Sponsor pays all other Plan expenses. Expenses that are paid by the Sponsor are excluded from these financial statements.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) as permitted by 29 CFR 2520.103-8 of the *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by Empower, the custodian of the Plan as of and for the years ended December 31, 2025 and 2024 and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE (CONTINUED)

Investments consist of the following as of December 31:

	2025	2024
Fair value:		
Mutual funds	$ 24,839,900	$ 20,999,092
Contract value:		
Fully benefit-responsive investment contract	$ 2,144,799	$ 2,127,330

Investments of the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

The Plan's investments appreciated in value during the years ended December 31, as follows:

	2025	2024
Mutual funds	$ 2,252,925	$ 2,150,305

During the years ended December 31, 2025 and 2024, the Plan's interest and dividend income amounted to $1,290,806 and $880,040, respectively.

Notes receivable from participants of $75,134 and $109,223 as of December 31, 2025 and 2024, respectively, and interest income on notes receivable from participants of $8,062 and $6,543, respectively, for the years then ended, have also been certified by the custodian.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

MUTUAL FUNDS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	2025 Total
Mutual funds	$ 24,839,900	$ 24,839,900
Total Assets at Fair Value	$ 24,839,900	$ 24,839,900

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	2024 Total
Mutual funds	$ 20,999,092	$ 20,999,092
Total Assets at Fair Value	$ 20,999,092	$ 20,999,092

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has entered into a fully benefit-responsive investment contract with Mass Mutual. The contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The contract had a crediting interest rate of 4.11% and 3.39% for the years ended December 31, 2025 and 2024, respectively. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is included in the financial statements at contract value as reported by Empower as of December 31, 2025 and 2024. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer and may result in a deferral of the payment at contract value for up to twelve months. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan), or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at the contract value with participants are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTION

Empower is the custodian as defined by the custodial account agreement and therefore, any transactions with Empower qualify as a party-in-interest transaction. Dividend income received by the Plan is net of fees charged to the mutual funds by the custodian or its affiliates. Fees incurred by the Plan for the administrative services are reflected as administrative expenses in the accompanying financial statements and amounted to $53,900 and $65,935 for the years ended December 31, 2025 and 2024, respectively.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

NOTE 8 – TAX STATUS

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated April 7, 2021, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS

Participants’ contributions and loan repayments for several payroll periods in 2025 and 2024 amounting to $148,198 and $128,753, respectively, were not remitted by the Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. There are Department of Labor regulations which require that the employee contributions be transferred to the Plan as of the earliest date on which such contributions can reasonably be segregated from the Sponsor’s general assets.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS (CONTINUED)

The Plan Sponsor has agreed to absorb any costs incurred by the Plan as a result of the untimely remittance of the participants' deferrals and loan repayments. The late remittances to the Plan will be corrected outside the VFCP. During 2025, the Plan Sponsor remitted lost earnings of $714 to the Plan for the 2024 late remittances. The Plan Sponsor is in the process of computing and remitting the lost earnings on the 2025 late remittances.

During 2025, the Plan Sponsor identified errors in the withholding of participant contributions, resulting in an underfunding of approximately $34,000. To correct the error, the Plan Sponsor remitted corrective contributions, including lost earnings, totaling $40,205 to affected participants during 2025. In addition, the Plan utilized $33,825 of accumulated forfeitures to fund a portion of the corrective contributions.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through October 14, 2026, the date the financial statements were available to be issued.
